From the Principal Term 4 Week 6

Here we are half way through the last term of the school year for 2014. We have had to deal with some very unpredictable weather over the last couple of weeks. Not only hot and cold temperature differences but wind and unusual storms as well. Smoke fog has been constant with bushfires looming in many surrounding areas. This has seen, on occasion, the need to keep students indoors and away from health affecting smoke. Just a reminder about making sure students have hats, sunscreen applied before coming to school and plenty of drinks provided as the weather continues to heat up heading into summer.

Teachers have been busy assessing our students and are now preparing the end of year student written reports. Reports will go out at the beginning of week 10 which is the week beginning 9th December.

Congratulations on ICAS English Results

Our students have achieved outstanding results in the recent International Competitions and Assessments for Schools (ICAS) **English** test. Congratulations to **Andrew Huang** in Year 3, **Tom Rodham** in Year 4 and **Rhys McMahon** in Year 5 who received **Distinctions**. Overall our students received 3 Distinctions, 2 Credits and 16 Participation certificates. **Well Done Everyone!**

Swim School

Thank you for supporting the Swim School and making sure your child can attend and learn to swim and keep safe in water. It is such an important set of skills to learn, given as in Australia, our natural playground is always around water. The Swim School will continue this week as well.

Kindergarten Walking Excursion

Last Wednesday, our Kindergarten children set forth for a walk around the Woy Woy area looking at what is in our local area as part of their Human Society and Its Environment (HSIE) work. They had a great afternoon out and we thank the wonderful people at Woolworths for their patience in allowing our students to purchase something. They were delighted to be so independent.

Kindergarten Orientation

Our "Ready Set Go" Kindergarten orientation program has been running since September. It is very important for our new enrolment for Kindergarten 2014 to get a feel of "big school" before embarking on their school life. A large percentage of our intake is coming from a year in our own Preschool so they are reasonably familiar with the school environment. Having the new Kindergarten children into the school and providing them with experiences of school life over a number of weeks, helps to familiarise them with the school environment, prepares them for what to expect and breaks down the anxiety around something unknown and new. It also gives our teachers time to spend with the children and see what skills they are bringing and where they are socially, so that they can be placed into class groups and their learning program can be planned. We are looking forward to them starting with us next year.

P&C Annual General Meeting this week

The AGM for P&C is on **Thursday** night this week at **7:00pm** in the school **staffroom**. The P&C does wonderful work for our school in supporting the ongoing education of all our students. Funds raised directly provide many fantastic additions to our school both inside and outside the classroom environment. Please come along and be a part of our P&C. **We need you!**

Class Placements for 2014

Thank you to those parents who have made appointments to discuss concerns around class placements for 2014 or alternatively have put these concerns in writing. The staff will be looking at placing students in class structures at the end of November. As in previous years, lists will be available for parents to view at the end of this process.

Partial Absences

Thank you everyone for making sure your children arrive at school on time in the mornings ready to start their morning lessons with their class. First lessons for our school day **start at 8:50am**. **Responsibility** is one of our school rules and an important **Value** we teach. Taking responsibility to be on time for school, work, appointments, transport pickups, shows, concerts, and other engagements is a lifelong commitment that we need to teach, role model and instil in our children. Making sure our children can function as successful adults in their future role is an important job. Thank you for supporting us and your children with this lifelong essential.

Parent On-line Payments

Thank you to those parents who have been making on-line payments to the school for excursions etc. We hope that this system is easy for you. Just a reminder that payments can be made by visiting the Woy Woy Public School website and clicking on the "Make a Payment " tab.

Library News

Borrowing will stop this week. Please check for any books to be returned. Popular places are in tote trays at school, in school bags and in bedrooms at home. During Week 8, I will send reminders home for any outstanding loans. Please let me know if circumstances prevent the return of any books. Thankyou to those families that have done this.

The Book Fair profits have enabled the library to purchase over \$800 worth of new resources to meet the learning needs of the students. Thank you to those that helped our school by buying a book from the fair.

P&C Membership

Unfortunately I will be leaving at the end of this year, as I will be going to America for two years. This is an exciting opportunity for my family, but sad also to be leaving our wonderful school community. I am very passionate about keeping our P&C Association operating and I am asking you all to consider joining and maybe taking on a small role. This will ensure that our school & children continue to benefit from funds raised.

Membership renewals are due at our next meeting; this is a small cost of \$1. It is paramount that we have members to keep our P&C operating; otherwise it would fold which in turn would see the closure of the uniform shop and our canteen.

This would be disastrous as the uniform shop would be outsourced and prices would increase significantly, as we keep all prices to a minimum with only adding between 50c - \$2 on nearly all our items. The same would be with the canteen.

You need to be a financial member to have the opportunity to vote at our AGM in November, this is when all positions are up for nominations. The positions are : President, Vice President, Secretary, Treasurer, Canteen Co-Ordinator & Treasurer, Uniform Co-Ordinator & Treasurer, Fundraising Co-Ordinator.

If you are interested in any of these positions and have any questions please come see me, I am always in the CA Room on Mondays from 9.00-9.30am after the uniform shop closes or why not come along to our next meeting. The P&C Association at our school can only operate if we have people that are willing to give a little of their time.

Please consider joining as our main focus is raising funds for our school that not only benefit the school but our children also.

The Uniform Shop

Opening times :

- Monday 8.30am – 9.00am
- Thursday 8.30am – 9.00am

Please note: There are order forms available at our school office, you can leave orders and payment in an envelope at the office and these will be completed and delivered to your child's class. We have stocked up ready for summer. Summer tunics size 10 & up have been redesigned. Hats are also available from the canteen every day. Payment is by cash or cheque only.

If you have any unwanted uniform, that you are willing to donate please leave in the CA Room, these are sold for \$5.

Our next meeting

Thursday 14th November – 7.00pm Staff Room - Annual General Meeting

Regards, Fiona Fry P&C President
