School Evaluation and future Planning parent day

Dear Parents and Caregivers,

As stated in the school newsletter for week 2, our school will run a day where parents can come into the school to assist with our evaluation process and support future planning.

When: You are invited to come on Thursday 30th October 2014

Where: School hall

Times: The hall will be open from 8:30am – 10:00am and again from 2:00pm – 7:00pm, so working parents are able to have an opportunity for personal input as well.

P&C members and parents will be in the hall for you to have a chat with about our school and what you see as very worthwhile, not so worthwhile and perhaps bring forward suggestions about future inclusions in the school's planning process. As well there will be an opportunity to complete some quick "Y diagram" responses and tick some checklists about what you see as important in our school.

Attached is a "Y diagram" format you might like to fill in prior to coming, about what you like and /or dislike about our school and what you would like to see at Woy Woy Public School in the future. Also a comprehensive list of what our school offers is attached to help you view our school as a whole. We want a holistic picture of our school and its performance and perception in the community.

Tea, coffee, drinks and nibbles will be available for your comfort.

We welcome your input and value your opinions. The school's core business is the education and wellbeing of your child. This is a fantastic opportunity for us to plan together, but first we need to evaluate what we do and have. From there we can build on, strengthen, delete and add to, to best serve the needs of every child in our school.

Looking forward to working with you.

Yours sincerely,

Ona Buckley

Principal
