Wet and Wild

A huge thank you to our P&C for the organisation and running of "Wet and Wild" last Thursday. What fabulous fun for all our students! We had soaked, excited children who had a ball in the water and certainly the water was a bonus on such a hot day. Thank you mums, dads and caregivers for ensuring all students could participate and for having that essential towel and change of clothes packed and sent with them, so they could get comfortable again after their water fun. The P&C are busy counting the money raised and will announce a final total as soon as this is done. The P&C have generously donated these funds to allow the school to finish the Wi Fi set up process so that the internet is accessible in all areas of our school and also to provide some more banks of iPads for student classroom use.

Hot weather

We are experiencing some very hot days at present and need to be conscious of children's health and wellbeing during these hot periods. Here at school we monitor the heat and if it is very hot the children are kept indoors at break times in the air conditioned rooms and encouraged to drink lots of water. Be aware that the children may need extra drinks packed during these summer months and most definitely need their hats. It would be sensible to apply sunscreen before coming to school. Glare and extreme heat can cause headaches, sunstroke and dehydration. All of which we can avoid if we all work together to make sure children's needs are met. Thank you for your support to keep our children well, comfortable, happy and learning.

Chess team wins tournament

Woy Woy Public School was represented last week by six teams at the Central Coast Primary School's one day tournament. All teams played well and represented the school with pride. One of our teams, comprising **Sam Dewey, Oliver Haime and Scott Mateer**, won first place and will progress to the state finals. The team of **Mathew Sarayeldin, Jordan Manning and Jamie Hanna** were runners up on the day. The team of **Brock Van Aalderen, Tyrone Green and Mitchel Bampton** came in at fourth place, missing third place by one point. Well done and congratulations boys!

Deadly awards evening

Last Tuesday afternoon/evening the Deadly Awards were held for our Aboriginal students at Brisbane Water Secondary College, Woy Woy campus hall. All aboriginal students from our partner schools from the Brisbane Water Learning Community were recognised for their achievements. This includes Woy Woy South, Umina, Empire Bay, Ettalong and Woy Woy Public Schools as the primary school partners and we are joined by the two secondary college campuses of Woy Woy and Umina. The afternoon kicked off with a family orientated BBQ for all attendees followed by a formal award presentation including musical and dance performances. Congratulations to all our students from Woy Woy Public who received awards. We are very proud of you. Well done! A big thank you to **Mrs Nerida Ceaser** who oversaw our part of the participation and made sure our students were recognised for their achievements and that their families were invited and informed about the Deadly Awards presentation.

Preschool information evening

Last Tuesday evening we had a Preschool information session for parents of children enrolled to attend our Preschool in 2015. Parents and families of these children had the opportunity to hear about what Preschool will be like for their child in 2015. In 2015 our Preschool will keep the same hours as the rest of our school, 8:50am-2:50pm. After parent interviews at the beginning of the year and the initial orientation session, it has been decided that aligning the hours of the preschool to those of Kindergarten to Year 6 students would be best for all concerned. A big thank you to **Mrs Kerrie Stewart** and **Mrs Deb Witchard** for the organising and running of the Preschool evening.

Young Black and Ready for school

Aboriginal and Torres Strait Islander students who will be starting school in Kindergarten in 2015 attended a session at Woy Woy South Public School called "Young Black and Ready for School". Parents and students were able to meet each other and also receive valuable information about starting school. This is a very supportive program for all of our aboriginal families on the Peninsula. Thank you again to **Mrs Nerida Ceaser** for supporting our families at this session.

Year 6 transition visit to Umina Campus

Well done Year 6. Off to high school for the day. Such a big but exciting change of school life coming up for our Year 6 students. Lots of class changes to negotiate throughout a typical high school day, lots of rooms to find the location of and then the challenge of getting there on time! Lots of different teachers to get to know. It will be a bit overwhelming at first but a few weeks into 2015, it will become second nature. It will be sad to see Year 6 go, but we know a big new world full of learning and wonder awaits them. Enjoy your last few weeks with us Year 6.

Staffing for 2015

Processes for recruiting three new teachers and a new Assistant Principal for our school are running smoothly. We will be ready to announce who our new staff members will be by the end of term and have a good idea of what classes/stages teachers will be placed on. Numbers are still coming in for Kindergarten. Our Preschool is now full and we have a growing waiting list. Of course, we know of some children who will leave our school at the end of the year and have some inquiries for placement of other children coming into the area to be enrolled for 2015 as well. Hopefully soon we will have a bigger picture of anticipated numbers and will start the process of structuring classes. Thank you to all of you who have made appointments and discussed your concerns, or put them in writing to me, around the best placement for your child/children in 2015.

Canteen Award

Our school canteen recently received the "Central Coast Healthy Canteen Award". A big congratulations and thank you to **Mrs Anne Wilson**, our canteen supervisor and her band of volunteers for providing our students (and staff!) with healthy, tasty lunches.

New proposed items of uniform update

Thank you to those parents who have kindly let their children trial our proposed new uniform items. They certainly look smart but what we want to know is, "do they wear well?". Attached to the newsletter is a flyer for your information about the proposed uniform changes. One side has pictures and prices of the uniform; the other information relating to these proposed uniform item changes, plus an anonymous return slip for you to send back to school with your vote and comment by the date shown. Thank you for your consideration and support around looking at these few proposed uniform item changes for our school.

Some good parent tips

Choosing a book for your child

What makes a good book for young kids? Usually anything that they want to read. Resist the desire to choose only books that you read as a child. Good books teach kids things subtly while still telling a great story. Find out more: <http://www.schoolatoz.nsw.edu.au/homework-and-study/english/my-book-club/what-makes-a-good-book-for-young-kids>

Does cartoon violence make kids more aggressive?

Lots of parents question the violence in many of today's cartoons and video games, but many of us grew up watching cartoons where violence was also a key ingredient. What does the research indicate about exposure of our kids to violence?

Find out more: www.schoolatoz.nsw.edu.au/technology/using-technology/does-cartoon-violence-make-kids-more-aggressive

Have a happy and productive week.

Ona Buckley, Principal

2015 Breakfast Club at Woy Woy Public School

Research shows that eating a nutritious breakfast supports learning and academic achievement. Unfortunately, every day many students miss out on those benefits. At Woy Woy Public school we would like to start a Breakfast Club in Term 1 2015. Many schools on the Central Coast have found that this program works really well to support their students.

We are asking that any parents please contact Miss Foster or Mrs Tina Jackson by email if they would like to volunteer a morning during the week to help with this important program. Please contact Miss Foster at Brigitte.Foster2@det.nsw.edu.au or Mrs Jackson at wwpspandc@live.com.au

We look forward to your support and the start of this exciting program in 2015!

Miss Brigitte Foster

2014 Koorana AECG Deadly Awards

On Tuesday the 18th November 2014, Koorana AECG celebrated the educational, leadership, sporting and cultural successes of Aboriginal students in our local area at the 2014 Deadly awards. The award ceremony was hosted by BWSC Woy Woy Campus. It was exciting to witness the progress and achievements of our students in the present and from the past, now in high school. Two of the three MC's for the evening were former WWPS students - Sean Downey, who is already receiving mentoring towards university placement in 2016 from Val Francis, and Janelle Rooney who is looking forward to beginning Year 11 in 2015. Mrs Buckley presented the awards for "Outstanding Attendance" for WWPS students and the awards for "Academic Excellence". The Mingaletta Dance Group performed traditional dances learned from local Aboriginal mentor, Stuart McMinn. They captivated and entertained the audience. Tallon Carter in Year 4 was a part of this performance.

Congratulations and well done to all 2014 award winners.

Our school will be celebrating *international Day For People With A Disability* on Tuesday, December 9. Students from the disability classes will be performing in a special assembly beginning at 9:30am. We invite all community members to come along and be entertained by our musical items and guest speakers. Our raffle will also be drawn during this assembly. Tickets are available from the Disability Class teachers.

As many of the disability students have been studying Africa, our assembly items have an African theme. All students are invited to wear earthy, African colours to add to the atmosphere of the day. We will be raising money for Riding for the Disabled and ask that students wearing mufti donate a gold coin to this worthy organisation.

At the conclusion of the assembly, K/6P and K/6W classrooms will be open for visitors to view our art displays. Everyone is welcome. Hope to see you there.

Disability Classes

Thank you for your donations to support the National Operation Christmas Child Shoe Box Appeal. We were able to create over 80 boxes and raised \$70 towards postage. Many additional items were also donated to the appeal. If they were too large or could have leaked, they have been donated to other charitable drives. Your assistance is appreciated and will provide a Christmas gift to a child who has never before received a gift.

Miss Dos

On Monday 15th December, all Stage 2 mainstream students will be travelling by train to the Central Coast Youth Centre at Niagara Park. We will be rotating through lots of fun activities such as wheelchair basketball, trampolining, indoor soccer, volleyball and many more. The children will need to take a packed party lunch to eat there and will receive an ice-block. The cost will be approximately \$12 per child. The Year 3 & 4 students will receive a note shortly. We will leave at 9:00am and return at 2:30pm on the day. We hope all students can attend this very enjoyable occasion.
