## From the Principal

## Term 4 Week 2

Welcome back everyone to our last school term of the 2016 year. Time flies. Term 4 has many exciting educational experiences planned for our students. The assessment and reporting cycle for the end of year written student reports will see reports sent home in Week 9 of this term. On Monday 12 December our presentation ceremonies for sporting achievements will be held in the afternoon and for Academic Awards in the evening. We are looking forward to a happy and productive term.

A huge thank you goes to Mr Dan Betts who expertly lead our school during my recent absence. A job well done. The school ran smoothly and efficiently with the combined experienced leadership of the school executive team and dedicated caring teaching team. Thank you to you our wonderful school community for supporting the school during this time as well. It is good to be back. Woy Woy is a great school that offers diverse educational and social opportunities for its students.

### Kindergarten 2017

The Kindergarten transition program starts for our new 2017 Kindergarten children next week. The first session begins next Wednesday 26 October. There will be a parent information session in the hall for parents while the children attend a classroom session from 9:00am until 10:30am. If you have not yet enrolled your child for Kindergarten in 2017 please see the school office for an enrolment package.

### Preschool enrolments

Preschool enrolments are being decided now and letters of acceptance will be going out next week. We still have some places available in our Preschool so if you know anyone who is interested in having their child attend please let them know to contact our school. Remember our Preschool is for the year before school only. Our Early Childhood program follows the Early Years Learning Framework as do all Early Childhood Centres.

### Selective High School applications

Applications are now open online for Selective High School placements for **2018**. Information letters have been sent out to all Year 5 students. The Selective High School placement test will take place on Thursday 8 March 2017. There is more information available at: [www.schools.nsw.edu.au/shsplacement](http://www.schools.nsw.edu.au/shsplacement).

## Fete just round the corner – Sunday 30 October 2016

The Fete is nearly here. How exciting! We are busy making sure all plans are in place and everything is ready to go.

The entire school staff, many wonderful parent volunteers and our Fete coordinator expert Mrs **Janelle Graham**, have given up their Sunday on 30 October to support our school to raise funds for the extra educational resources we need to best support all our students. Thank you to everyone for supporting us by volunteering some time on that day to operate stalls, by donating goods, selling competition tickets for the major draw, or making sure you spread the word to others so we will have as many people as possible turn up on the day to have fun and make it a success.

Watch out on the Fete Facebook page, the School App and our School website for updates over the next week regarding the fete.

There are a few things you might like to help with as follows:

We need donations of **saucers** either BBQ or tomato, **kitchen hand paper towel** for the BBQ on the day and **used plastic shopping bags** for putting people's purchases in on the day. Also needed are **coathangers** for our second hand clothes stall. If you can donate any of these items please send them into school over the next week. If you still have **second hand clothes, plants, second hand toys, white elephant goods** (no electrical) please send these in as soon as possible. *We do not need any more second hand books.* If you are a keen cook and would like to donate something for the cake stall, **cake foam trays** with bags and tags for you to write ingredients on will be available to pick up from near the canteen.

We still **need more people to volunteer some time on stalls**. This only needs to be half an hour or more. Notes are being sent out by the staff stall operators about volunteering so please look out for these too.

I am getting really excited about our fete. The rides look fantastic. We are having the Pirate ship, the Windjammer, the Twister and the Cup and Saucer as well as inflatables like the Worm and the Crash Course. Pony rides will be operating. Sideshow Alley is packed with the Hoopla, Metallic Fishing, Knock 'Em Downs, Paddle Pop Treasure, Magic Chairs and footy passing. The Kids Corner will have hair, nail and fake tattoos, craft and face painting. There will be showbags, lucky dips, novelties and a lolly stand. Balloons will be available, and fairy floss too. There will be glorious food, BBQ, pies, sausage rolls, salad wraps, devonshire teas, a coffee van and a variety of soft drinks, popper juices and water. A demonstration of Thermomix and a gourmet dog food stall will be there. We have entertainment lined up from local clubs, schools and organisations as well as a digital display of our own Stephanie Alexander Kitchen Garden program in the hall along with many plants for sale. It is going to be a fantastic day. Let's hope it will be a sunny one!

Winner of the Guessing Competition Canteen Voucher for Week 1 was Henri Dehe of 4/5HC and for Week 2 was Annie Gemmell of 2/3W.

Have a happy week!

Principal

## Recent Student Achievements

The school had four representatives compete in the Central Coast Chess Tournament at Wyong last month. This tournament is extremely difficult and we have not participated for about five years. One of our players came second in the entire tournament. In the last game it was extremely close (similar to a penalty shootout). Our player lost that game and was crowned runner up of the tournament. There were over 125 players that day. This same student entered the Newcastle Permanent Maths Competition, along with all of our Stage 3 students. He was successful in winning an award for the highest score across the Central Coast region. There were over 1000 people who sat that test. Congratulations Andrew Huang, you have achieved outstanding results. You have represented the school admirably and have made the school proud.

Max Ferguson attended Sydney North Waterpolo trials this month. Maxx was successful in making the team and we wish him well in the up and coming state tournament!

Zoie Macleod was selected to participate in a Central Coast Dance Troupe which competed in the NSW State Finals. What a performance! This Central Coast troupe - including Zoie - won the NSW State competition! Congratulations Zoie - excellent effort and commitment.

## Family ACTIVation Packs

### Year 1 Parents

This term, Year 1 students will be bringing home a Family ACTIVation Pack (one per family) – an awesome pack to get children and parents skilled, active & healthy!

The Family ACTIVation Pack is designed to help parents / carers get active with their children by playing quick, easy and fun games at home, in the park or wherever ..... games that reinforce the fundamental movement skills already being learnt at school. There are all sorts of tips, ideas and guides for getting active including putting together an 'Active Home Entertainment Centre'.

This resource has been developed by Central Coast Local Health District and supported by the NSW Department of Education. 4000 Family ACTIVation Packs are being distributed to primary schools on the Central Coast during this Term.

For more details check out the website [www.healthpromotion.com.au](http://www.healthpromotion.com.au) click on Q4:Family Activation Pack.

We hope this pack helps families to get skilled, get active and get healthy!

## Cake Stall Donations for School Fete

We are asking for donations for our fete cake stall. These can be whole cakes, slices, cupcakes & cookies.

- A foam tray, bag and label will be provided.
- ALL ingredients must be written on label.
- Gluten free products would also be appreciated.
- All donations greatly accepted.

I will be outside the canteen on the following days/times, for collection of trays:

Monday, 24 October through to Thursday, 27 October from 8.30 – 9.00am.

Tuesday, 25 October and Thursday, 27 October from 2.30 – 2.50pm.

I will also leave a small number at the office and canteen, if you cannot make these times.

Thank you in advance.

Fiona Fry

## CUBBY HOUSE NEWS

Cubbyhouse OOSH welcomes back everyone for Term 4! We hope you have all had a wonderful holiday and are excited for the final term of 2016. Over the school holidays the children have participated in some fun and interactive activities such as Monkey Mania, Flip Out and Clip 'n' Climb. This was our biggest school holidays so far with some days bringing in 17 children!

Cubbyhouse are looking forward to another exciting term at Woy Woy Public School and for all the fun activities to come in our December - January Vacation Care program.

Whilst we are growing in numbers we still welcome new bookings even if it's just on a casual basis. For bookings please contact 1300 553583 or visit our website [www.cubbycc.com.au](http://www.cubbycc.com.au).

With thanks

## Tuning in to Teens

### Emotionally Intelligent Parenting

A six-session parenting program  
for parents of adolescents aged 10 – 18

Would you like to learn how to:

- Improve ways of talking with your teen?
- Develop a better understanding of your teen?
- Help your teen learn to manage their emotions?
- Help to prevent behaviour problems in your teen?
- Teach your teen to deal with conflict?

*Tuning in to Teens shows you how to help your teen  
develop emotional intelligence*

Adolescents with higher emotional intelligence:

- are more aware, assertive and strong in situations of peer pressure
- have greater success with making friends and are more able to manage conflict with peers
- are more able to cope when upset or angry
- have fewer mental health and substance abuse difficulties
- have more stable and satisfying relationships as adults
- have greater career success

Emotional intelligence may be a better predictor of academic and career success than IQ!

Nutrition Snippet

# The simplest way

...to love lentils.

Lentils are a versatile addition to all sorts of meals, from salads to curries, stews, soups, veggie burgers and much more.

Better still, like all legumes, lentils count as a vegetable!

Add some lovely legumes to your next meal to help you on your way to eating five serves of veg every day.

Prepare your own dry lentils or use canned varieties.

Why not try this lunch box-friendly lentil salad?

Prepare lentils according to packet directions or rinse canned lentils. Mix with rocket and feta and dress with a dash of balsamic vinegar. Or try with cherry tomatoes, sliced spinach and chopped spring onions.

Nutrition Snippet

# The simplest way

...to make overnight oats.

Make this simple recipe the night before, then rise and shine to a healthy breakfast.

Overnight oats

Preparation time: 5 minutes

Serves: 1

## Ingredients:

- ¼ cup oats (raw, unprocessed or toasted)
- 4-6 cubes of frozen mango
- ¼ cup natural yoghurt
- ¼ cup muesli
- ½ cup berries (whole or puréed)

## Method:

Layer ingredients in to a clean jar (salsa dip or coffee jars are ideal or use a plastic jar if you want a portable breakfast on the go). Store in the fridge overnight. Add some milk in the morning to get the consistency you like. Enjoy straight from the jar.
