From the Principal

Term 3 Week 10

This week sees the end of a very productive term for the students of Woy Woy Public School. Term 3 has always been an exciting one for our students, with a variety of high-quality camps, excursions and in-school events scheduled for students throughout the school. Students have been to Canberra, the Great Aussie Bush Camp and Jenolan Caves; have attended performances of 'Leader of the Pack' and 'Horrible Harriet', and have participated in Aboriginal Cultural Continuum excursions for the Brisbane Water Learning Community (BWLC). We've had visits from Rumbalara, Education Interactive (who delivered a Forensics Workshop to Stage 3 students), and the Brisbane Waters Secondary College student CAPA group performed under the COLA. Our students have celebrated NAIDOC Week, Education Week and Book Week. I think it's fair to say that everyone deserves a well-earned break!

Term 4 is shaping up to be every bit as exciting and engaging for our students. In the first few weeks of the term we'll have visits by Healthy Harold of the Life Education group and we'll be staging our annual P-2 Athletics Carnival. More details about both of these events will be provided next term.

School Leader Elections for 2018

Another important Term 4 institution is the election of school leaders for the following year. Mr Smith, Mr Brady and Mr Wolski have conducted a review on the existing leadership preparation and eligibility program, with a view to encouraging as many of our students as possible to run for leadership positions next year. More details will be forthcoming at the beginning of next term and parents will be invited to review any proposed changes to the program, but essentially Mr Smith, Mr Brady and Mr Wolski aim to develop a more engaging, personalised application assignment that affords students more choice about how to present the work they need to submit in order to be eligible for election.

Preschool News

There have been lots of exciting things happening in our WWPS Guliyali Preschool this year and we have received very positive feedback about the service we deliver in the preschool. Mrs Lavers and Mrs Arnot have already remodelled the inside of the preschool and we have begun planning for the process of upgrading the outdoor areas. The idea is that we hope to create spaces that are aesthetically pleasing (we plan to make use of natural resources and landscape features such as dry creek beds), and incorporate features that preschool students will want to utilise for recreation, entertainment and exploration. An 'Outdoors Areas Upgrade Project Plan' has been submitted to the Director for Public Schools NSW (Gosford Network) and to the Asset Management body who oversee building work in public schools.

The removal of the camphor laurel tree has caused some minor problems in the front playground of the preschool and, as you've no doubt noticed, the area has been fenced off for the past five weeks as a

precautionary measure. It is anticipated that the area will need to be fenced off until the root system of the tree has been professionally removed. We are currently investigating less intrusive fencing options for this part of the preschool. We appreciate your understanding and patience as we undergo the process of improving the grounds in the preschool. I'm certain we'll have outdoors spaces early in the new year that are as welcoming as the wonderful Mrs Lavers and Mrs Arnot!

Kindergarten Orientation

The Kindergarten Orientation process for 2018 Kindergarten students began earlier this term with open classrooms and parent information sessions. Both events were very well attended, leading us to believe that we will have healthy enrolment numbers for Kindergarten next year. The process continues next term with official transition sessions, during which students participate in activities in the Kindergarten classrooms with this year's Kindergarten teachers. These sessions take place in Weeks 3, 4, 5 and 6 in Term 4. More details will be provided in the lead up to the first session. Thanks to Mr Wolski for all of the hard work he has put into organising our Kindergarten Transition program this year.

As a final point, if you intend on enrolling your child or children in Kindergarten or in our preschool next year, please consider completing the requisite paperwork sooner rather than later. Preschool places in particular are filling up fast.

Happy Holidays

Before we part ways for the holiday break, I'd like to take the opportunity to thank all of our parents, carers and community members for their involvement in and support of their child's/children's education. I'd also like to thank the teachers and all of the staff here at WWPS for their dedication and hard work and for everything they do for the students of Woy Woy Public School. I mentioned how proud I am of our school in my Education Week address earlier in the term. I hope you all feel the same way.

I wish you all a happy and safe holiday break.

Mr Dan Betts
Relieving Principal

Positive Behaviour for Learning (PBL) Week 10

This week teachers have been teaching their students about how to 'Be Safe' by staying in bounds in Area A of the playground. Lessons have focussed on the importance of staying out of buildings and classrooms during break times. Students have been reminded that for their own safety they are to stay off the verandahs during lunch time and recess. It is important to note that the need for direct teacher supervision applies before and after school as well. The play equipment remains out-of-bounds before and after school and we ask parents and carers to discourage their children from using the equipment at these times. Teachers have encouraged students to stay away from the toilet block, unless they are using the toilet.

Students who successfully demonstrate positive behaviours by staying in-bounds, and when eating their food during eating time in their designated eating area, will be rewarded with Win Bin tickets and stars on their Star Charts.

Parents and carers are encouraged to discuss PBL expectations with their children. If you have any questions related to the school's PBL program or about student wellbeing policies and practices, please direct them to either myself or Ms Buckley.

Mrs Janine Szostak
Assistant Principal (Relieving - Student Wellbeing)

P&C News

The P&C Executive would like to thank the school community for their on-going support during Term 3 and look forward to a productive Term 4. We would also like to wish all families a safe and happy holiday break.

Uniform Shop

Uniform Shop is open every Wednesday 8.30-9.00am.

For those parents/careers that are unable to attend Uniform Shop Opening times, please complete an order form and email it to wwpsuniforms@outlook.com. Your order will be processed once payment has been received and your requested items will be provided to your child via their class as indicated on the order form.

Remember, summer uniforms are to be worn in Term 4. To help us reduce the number of lost property items, please ensure uniforms are marked clearly with your child's name.

A thank you is extended to all the volunteers who have lent a helping hand during Term 3. We are always looking for volunteers, if you are able to help please email or drop in to the CA Room on Wednesday morning.

Debbie Tonkin
Uniform Shop Coordinator

School Banking

A big thank you to our School Banking volunteer parents Aimee Durrand and Rebecca and Jeff O'Farrell who give up their time every Friday morning to help. Much appreciated!!

School Banking resumes on Friday, 13 October 2017.

ANZ Hot Shots 'Play' Holiday Clinic

These school holidays, be part of the ANZ Hot Shots 'Play' Holiday Clinic at Woy Woy Tennis Club. Using modified tennis courts and equipment, participants will learn and practice skills required to 'Play' co-operatively and competitively with other children of similar ages and stages of development. Guided through various fun and challenging activities, participants will mostly be paired, have their own space to play and learn, and will be constantly engaged rather than standing in long, boring lines waiting for their turn to hit a few balls.

Ages:

5 - 12yrs (Hot Shots Development Stages Red, Orange, Green)

Dates & Times:

Monday 25th September 9am - 12pm
Tuesday 26th September 9am - 12pm
Wednesday 27th September 9am - 12pm

Cost:

\$80 per student for the full three day clinic.
\$30 for single day

Please note that acceptance into the clinic is dependent on the coach being able to pair each participant with another participant of similar age/standard.
Enquiries for the full 3 days will have priority over single day enquiries.
