

Edition 40: 14 December 2018

From the Principal

Term 4 Week 9

Here we are with our final newsletter for 2018. An exciting, productive, memorable, remarkable and truly student-centred year.

Thank you to those who were able to attend our Presentation Day Academic and Sports assemblies on Monday 10 December. Congratulations to all of our reward recipients and congratulations to our new team of school leaders for 2019.

You will find a copy of my address at Presentation Day attached to this newsletter. It outlines our many 2018 achievements.

Congratulations to Kiera Tranter, proud winner of our recent Guessing Competition. Looks like the Tranter family have a new remote-controlled self-drive children's car to enjoy over the summer break. The total raised by our guessing competition was \$1142.10. This will go towards a new natural wood play equipment area for the whole school. Many thanks for your kind donation and for supporting your school to make a better environment for all our students.

P-2 Christmas Concert

How amazing were the concert performances. Such a delight to see! So wonderful to see the Preschool, Kindergarten, Year 1 and Year 2 children all having the opportunity to perform and what a fantastic job they did. Every performance had an over full hall of admiring parents, carers and relations. Everyone had tears of joy and pride. Many memorable moments to treasure for all. A huge thank you to the teachers of Preschool to Year 2 for all the hours of preparation, practise and encouragement. Thank you to our parents and carers for supporting them to be able to be part of such a moving experience. Our invited retirement village friends were just amazed and loved every minute of the concert. They all said how proud we must be of the children. Truly we are. Well done everyone!

Talent Show

We have such a lot of children with amazing performing talent in our school and the Talent show gives them an opportunity to show everyone else what they can do whether it be dancing, singing, gymnastics, comedy, playing a musical instrument, being part of the school choir or being a magician. The whole audience was impressed with the level of ability of our students at the show on Thursday 12 December. One day I am sure we will see some of our students achieving at high levels of performing in the wider world. Thank you Mrs Rayner and your team of teachers who organised this great opportunity for our students. Thank you to our students for their fantastic talents and thank you parents and carers for

supporting your children to be such talented performers. More proud and memorable moments for our school.

Staffing updates for 2019

Congratulations to **Michelle Young** who was the successful applicant for the recent Closed Merit Selection position process for our school. Michelle succeeded at interview and has been made a permanent member of Woy Woy Public School staff. Michelle is a huge asset to our school with her expertise in Information Communication Technology (ICT).

We welcome **Chenara Bradbury** to our staff in 2019. Chenara was centrally appointed to Woy Woy Public School when Mr Peter Smith retired but was not starting here till the beginning of 2019. Chenara is an experienced teacher and will add to our great teaching team already here at our school.

School structure 2019

A temporary school structure has been formed for the start of the school year in 2019. Numbers are very unstable at present with families leaving and arriving and some families not sure what they will be doing or where they will be located in 2019. **Please be aware that where your child is placed in a class and with what teacher may change at the beginning of the new school year on our temporary structure.** Teachers cannot at this time, give a true indication of where any children will be in 2019.

Therefore, please be aware that your child's initial class placement may change at the beginning of the new school year.

Is the Fortnite Game affecting your child's relationships?

It seems that this game has become highly popular amongst our students and indeed the wider population. Recent media has highlighted it as addictive and there has already been reported violence around it as well. The game allows an online communication to happen between players. Players are free to use any language or attitude they wish and some parents have reported it is very difficult to get children away from the game to do anything else. This is in an outside environment and certainly parental judgement is required. However, some of the game gang tactics and language are making their way back into the school grounds as some of the students who are involved in this gaming world cannot let go and be in the reality of the school grounds and school rules. Perhaps with the summer break coming up it is a good opportunity for parents and carers to assess just what your child is involved in online and support your child with making better choices.

Happy and safe summer break

May I take this opportunity to wish you well for the summer break as school closes down to allow us all to spend valuable time with our families and loved ones. I will not be here next week due to family circumstances. Mr Dan Betts will take care of business for the last 3 days of school attendance for our students and the staff development days following for the staff.

The following dates are for the start of school for our students in 2019:

Preschool: Seahorse Group Orientation - Tuesday 5 February, first day - Wednesday 6 February
 Pelican Group Orientation - 31 January, first day - Friday 1 February

Kindergarten: Staggered start from Monday, 4 February. Letters being sent home this week.

Year 1 to Year 6: Commence Wednesday, 30 January 2019

Keep safe and well. Enjoy your time with each other and I look forward to seeing you all back with us for another fantastic school year in 2019.

Ona Buckley
Principal

Positive Behaviour for Learning (PBL) Weeks 8 and 9

Last week teachers have been teaching their students about how to 'Be Safe' when playing under the COLA before school and at break times. Lessons have focused on the importance of staying in-bounds, and students have been reminded that games that involve running or the throwing /kicking of large balls should be played on the oval.

This week students have been learning about what it means to be responsible when they are using their own equipment, or equipment that belongs to other people. Activities will focus on the caring for belongings and, in particular, keeping items clean from scribble and graffiti.

As always, students who successfully demonstrate positive behaviours that are in-line with the schoolwide expectations set out in our school rules, will be rewarded with Win Bin tickets and stars on their Star Charts. Those students who have consistently demonstrated positive behaviour over the course of the term will receive their end-of-term PBL reward in Week 10. Kindergarten students will participate in a 'Wheels Party' under the COLA, Stage 1 students will have a movie afternoon in the school hall, Support Unit classes will be watching a movie and having popcorn, Stage 2 students will take a trip down to the waterfront for some lunch and some organised games and Stage 3 students will be having a movie and popcorn day. Students will need to have earned at least **seven** stars on their star charts in order to be eligible to receive these rewards. Please note that these rewards do not replace end-of-year celebratory events, and that all students are entitled to attend and participate in the end-of-year grade celebrations.

If you have any questions related to the school's PBL program or about student wellbeing policies and practices, please direct them to either myself or Ms Buckley.

Mr Dan Betts
Assistant Principal (Student Wellbeing)

2019 School Leaders

Congratulations to our 2019 School Leaders:

School Captains

Gemma Montalbano

Erik Jahn

Vice Captains

Josh Durrand

Tayla Macleod

School Service Officers

Vali Focas

Shae Ferguson

Jaden Introna

Billy Hawksley

P-2 Christmas Concert

During Weeks 8 & 9 students from Preschool to Year 2, including support unit students, participated in an Australian adaption of 'The Night Before Christmas'. The students entertained over 700 audience members with their singing and dancing. We would like to thank our school community for supporting this very successful event and take this opportunity to wish our families a wonderful and safe holiday season.

2018 Deadly Awards

On Thursday 6 December 2018 the Brisbane Water Learning Community celebrated the achievements of our Aboriginal students. Students were recognised for their attendance, sporting, cultural and academic achievements.

Mrs Nebauer was awarded the prestigious AECG award for her commitment to Aboriginal Education and community services. Congratulations to all of our students and Mrs Nebauer we are proud of you all.

Aspire Home Reading

Congratulations to the following students who have reached their 50 - 300 nights of home reading!

50 Nights

Rebecca-Lee Hunter 3/4R

75 Nights

Sahara Von Nida 2K

100 Nights

Daniel Cooper 2K

125 Nights

James Dukes 2K, Daniel Cooper 2K

150 Nights

Dylan Caufield KRM, Nevaeh Markham KRM, James Dukes 2K, Daniel Cooper 2K

175 Nights

James Dukes 2K, Daniel Cooper 2K

200 Nights

AJ Joffrin 2B, James Dukes 2K, Daniel Cooper 2K

225 Nights

Dylan Morrison 3/4R, Emilie Liang 2B, Scott Lumley KRM, Daniel Cooper 2K, Annabelle Durrand 2K, Saraya Taylor 2K

250 Nights

Azalea Carter 3/4R, Dylan Morrison 3/4R, Sidney Brannigan 2K, Isabella Lumley 2K, Daniel Cooper 2K, Annabelle Durrand 2K, Saraya Taylor 2K

275 Nights

Azalea Carter 3/4R, Dylan Morrison 3/4R, Connor Conijn 3/6O, Louisa Morrison KRM, Sidney Brannigan 2K, Daniel Cooper 2K, Annabelle Durrand 2K, Isabella Lumley 2K, Saraya Taylor 2K

300 Nights

Daniel Cooper 2K, Annabelle Durrand 2K, Saraya Taylor 2K, Isabella Lumley 2K, Sidney Brannigan 2K

Upcoming Events

Week 10		17	Yr 1 Party Day
			Stage 2 Lions Park
			Early Stage 1 Wheels Day

2019			
Week 1	Jan	30	STUDENTS RETURN TO SCHOOL

P-2 Assembly Week 6 (Assembly held Week 7)

Congratulations to the following recipients of our Academic Achievement Awards at our Week 7 K-6 Assembly.

Name	Class	Name	Class
Daisy Cassidy	KM	Jack Jones	KRM
Phoebe Van Der Neut	KW	Aaliyah Paul	1S
Liam Donnelly	1N	Aidan New	2B
Zoe McAdam	2K	Aleyah Flanagan	2Y
Violet Greacen	3/4R	Luke McLennan	4T
Tabitha Kerr	5/6A	Amir El-Kurdi	5/6B
Vali Focas	5/6C	Ella Maskill	5/6H

Religious Education and Ethics 2019

Next year we are hoping to be able to offer combined scripture, Catholic scripture, non-scripture and Ethics classes at our school. Combined scripture teaches a general Christian message, Catholic scripture follows the teachings of the Catholic faith, Ethics classes focus on exploring moral issues and non-scripture is for students whose parents don't wish them to attend any of the offered options. Students in years 1 to 6 will remain in the class they were in this year unless we receive written notification from parents requesting a change. Kindergarten students will be placed according to the class nominated on their enrolment form.

Library News

A big thank you to all of the families who have been searching for library books and have been able to return them. We understand it is a busy time of year, so we appreciate it. Please continue to return any books you find to the library. Borrowing has stopped and students will not be coming to the library in weeks 9 and 10 due to stocktake. The final Book Club has been ordered and distributed for 2018. Please see Mrs Walker if you have any concerns. Have a Merry Christmas and a happy new year!

Mrs Walker and Mrs Cooper

Multicultural Calendar December

Unity in Diversity Calendar for Cultural Diversity December 2018

This month's community language is
Italian

MONDAY 3rd – International Day of People with
a Disability

anniversary -Thailand

TUESDAY 18th – Arabic Language Day (UN)

SUNDAY 23rd – Emperor's birthday - Japan

Snack Shack News

There will be no orders for lunch or recess on Wednesday, 19 December – the last day of school. Limited hot food and snacks will be available for sale from the counter at lunchtime.

Monday	10/12	Pat
Tuesday	11/12	Alice
Wednesday	12/12	Janet
Thursday	13/12	
Friday	14/12	Rita
Monday	17/12	
Tuesday	18/12	Leanne
Wednesday	19/12	Vicki

New volunteers needed in 2019 – See Anne in the Canteen.

P&C NEWS

Thank you to our members who ventured out during the stormy weather to attend our last meeting at Everglades Country Club. It was a great opportunity to come together socially, have a few laughs, and hear about student achievements before the meeting whilst sharing a meal. The meeting was productive with funds being allocated to SAKG programme, robotics and the continuation of supporting wellbeing projects including breakfast club, win bin prizes and anti-bullying performances. This simply would not have been possible without the support of you, our community, throughout the year.

Volunteering

You can make a difference! We are still looking for volunteers to assist with services provided by the P&C such as school banking and the uniform shop. This is a great way to connect with the school and find out what is happening first-hand. If you can spare some time and are interested in contributing in a small way, please contact wwpspandc@live.com.au

Fundraising

First and foremost, thank you to the school community for your support during the 2018. Whether it was a helping hand at a disco, Mother's/Father's Day stalls or cooking sausages, every little bit helps towards our overall goal of providing resources to the school and building strong relationships within the school community.

This term we held several fundraising initiatives including the Halloween Disco and Tattoos making a profit of just under \$900 for these ventures. We tried something new with the Crazy Camel artwork initiative. The uptake wasn't as good as we had hoped, however, we learnt a few lessons and are in the process of fine-tuning it for next year. Thank you to those who supported this initiative and we hope you enjoy your unique artworks. Figures are still being finalised for this initiative.

Back by popular demand, child-friendly temporary Christmas Tattoos were sold on Tuesday 11 December. The students were excited about this undertaking and thank you to the organising committee for doing a fabulous job.

At the recent general meeting the following fundraising schedule for 2019 was endorsed. This is an overview for the year and dates may change due to the school calendar. There may be an additional one or two activities throughout the year working collaboratively with the school. Our major fundraiser for 2019 will be the Obstacool course in Term 1.

Term	Event	Dates
Term 1 29/1-12/4	Disco - Theme to be advised School Obstacool Course	27 February 8 April
Term 2 29/4-5/7	Mother's Day Stall	7/8 May
Term 3 22/7-27/9	Father's Day Stall	27/28 August
Term 4 14/10-20/12	Crazy Camel Art Halloween Disco	21 October – 4 November 30 th October

Uniform Shop

Until someone steps forward to assist our small dedicated team of volunteers, ordering of uniforms and accessories is by email and payment online only.

Please do not make on-line payments to the school. After full payment has been received, the orders will be distributed to your child's class once a week on a Wednesday. Cut-off day for delivery on Wednesday is Tuesday of each week.

Email orders are no longer available for 2018.

NEWS FLASH OPENING TIMES 2019 ... NEWS FLASH ... EMAIL ORDERS ONLY ... NEWS FLASH

We will be doing things a little bit different to previous years as we are streamlining the operation of the Uniform Shop. The Uniform Shop will not be open to the community during the summer holidays. We request orders to be placed via email and online payments made by **Thursday 17 January 2019**. Your order will be available for collection on the pupil free day, **Tuesday 29 January 2019 from 10.00am to 11.00am** in the CA room. The Shop will also be open on Wednesday 30 January 2019 from 8.30 am to 9.00am for collection.

An order form is attached to the newsletter and is available on the school's website. Please email your order form to wwpsuniforms@outlook.com

School Banking

The Banking scheme continues during Term 4. Friday is our school banking day and don't forget to bring your bank books. The last day of school banking will be **Friday 14 December 2018**.

School banking rewards orders have closed for this year. Thank you for supporting this initiative.

We thank our wonderful coordinator, Nicole Golds, for all her hard work during her time as coordinator, as well as her team of dedicated volunteers, for working tirelessly each week to ensure the banking scheme was available to all students each week. Nicole and her team will be missed. Emma Sheppard has indicated her availability to take over this role in 2019. School banking will be in excellent hands, once again. We always need volunteers to help in this area. If you are interested, drop a line to wwpspandc@live.com.

Next Meeting

The meeting will be held on **Wednesday 13 February in the Staff Room, Woy Woy Public School at 7.00pm**. We look forward to seeing familiar faces return and welcoming new families to our community. At the beginning of Term 1, P&C Membership forms for 2019 will be available from the office.

On behalf of the P&C Executive team, thank you for your support during 2018. Wishing you and your family a magical festive season.

Tina Jackson
President
WWPS P&C

4 December 2018

Dear Parents/Careers

UNIFORM SHOP UPDATE – OPENING TIMES 2019

I wrote to you in September advising changes to the P&C operated Uniform Shop. As of Term 4, the service provided by our small team of volunteers is ordering uniforms and accessories by email and payment on-line only. If you are unable to make on-line payments, alternative payment options can be arranged at time of ordering. **Please do not make on-line payments to the school.**

Order forms are available from the front office, downloading from the school website or by contacting wwpspandc@live.com.au or wwpsuniforms@outlook.com

Closing date for email orders for this year is **Monday 10 December** with orders being distributed on **Wednesday 12 December**.

NEWS FLASH OPENING TIMES 2019 ... NEWS FLASH

As promised here are the arrangements for opening times for 2019.

We will be doing things a little bit different to previous years as we are streamlining the operation of the Uniform Shop. The Uniform Shop **will not** be open to the community during the summer holidays.

We request orders to be placed via email and on-line payments made by **Thursday 17 January 2019**. Your order will be available for collection on the pupil free day, **Tuesday 29 January 2019 from 10.00am to 11.00am** in the CA room. The Shop will also be open on Wednesday 30 January 2019 from 8.30 am to 9.00am for collection as well. We thank you in advance for your assistance in this matter.

The current uniform order form is attached. Remember, place your order before **17 January** for collection between 10.00am to 11.00am in the CA Room on **29 January 2019**.

Yours faithfully

Tina Jackson

2018 Principal's Presentation Day Speech 10/12/2018

Good morning special guests, parents and carers, teachers and students.

Here we are at the end of another school year. The 2018 school year has been exciting, productive, memorable, remarkable and truly student-centred.

It has been **exciting** to be on the threshold of so many changes in the way our Education Department does business. Changes in operating systems and online platform reforms have certainly challenged all schools over the last few years but the streamlining provides much clearer and accountable practice and brings systems into the 21st century for every school in NSW.

It is **exciting** to be in the first year of a new three year planning cycle for our school and watch as the goals we have set for the school in line with NSW State and Department of Education start to show results for our students in teaching and learning.

Jim Rohn says: *"Goals! There's no telling what you can do when you get inspired by them. There's no telling what you can do when you believe in them. There's no telling what will happen when you act upon them."*

Our school plan goals for 2018 through to 2020 cover Quality Teachers, Successful Learners and Strong Connections.

These are the goals that we believe as a school community will give our students the best possible learning opportunities.

Like Chris Grosser I believe *"Opportunities don't happen, you create them."*

We want to create a stimulating and engaging environment where teachers are supported and skilled. We know a good teacher can inspire hope, ignite the imagination, and instil a love of learning in their students and: *"When learning and teaching continually improves, everything improves."* Quality is never an accident; it is always the result of intelligent effort. So it is important for us to grow our teachers as well as our students. Our teachers have attended numerous professional learning sessions to build teaching competency and enhance classroom lesson deliveries to benefit student results. Language Learning and Literacy (L3), Targeted Early Numeracy (TEN), Focus on Reading (For) Information Communication Technology (ICT), classroom management skills, special needs, curriculum areas, compliant training (Child Protection, CPR, Code of Conduct, Emergency Care, Health and Safety to mention a few). Teachers give hours of their time to be able to best support student learning. Results show the impact of this support of teachers. Our Year 3 NAPLAN results show a significant improvement in Reading showing how the L3 program is now enhancing student results. The number of students achieving in the top 2 bands is moving towards meeting the Premier's targets with our year 3 having 48% of students in the top 2 bands for reading. Valued added scores for Kindergarten to Year 3 has increased considerably over the last 3 years. The growth between year 3 and 5 for year 5 students shows 84% achieving growth in reading showing that explicit teaching through our focus on reading is impacting student results due to enhancing teacher quality.

What a **Productive** year 2018 has been. Productive, a word which means resulting in or providing a large amount or supply of something. During a year I believe everyone would agree that school life is packed with dynamic learning focuses on required curriculum areas, numerous inside and outside extracurricular activities and many wonderful educational worthwhile experiences.

Johann Wolfgang von Goethe states: *"Instruction does much, but encouragement everything"*.

Here at Woy Woy Public School we want to encourage our students to have a wide range of experiences to enhance and stimulate their learning.

Our extra curriculum opportunities encompass excursions, chess, debating, spelling bees, environmental education activities, Preschool, Aboriginal, multicultural and Disabilities programs and activities, the music bus, knock out sporting team opportunities, elective sport opportunities, athletics, swimming and cross country carnivals, special celebrations and so much more.

The opportunities are of the highest quality and meet the learning needs for our diverse range of students in our very unique school.

We want our students to continually improve their learning outcomes and want to provide them with the tools to do so.

2018 has been **Memorable**. Memorable, alluding to being special or unusual.

The very special things we do here at our school.

The Stephanie Alexander Kitchen Garden program which allows our students to learn life-long skills of healthy eating and living whilst establishing sustainability practices. We are now part of the Ourimbah University sustainability program for their adult students and work closely with a number of local businesses who support our program. How memorable are the 'Cook for Your Parent' nights? How proud are our students to show off their gardening and cooking skills and how chuffed are our mums, dads and carers being able to sit down for a 13 course meal made by their children. Very special.

How memorable are the concerts and the talent shows. Seeing P-2 children entertain their parents just recently was magic and mind you there were not many dry eyes in the audiences. Giving students a chance to show off their talent in the Talent show is so worth it for the wonderful moments and memories it provides. The National Day for People with a Disability assembly just reminds us how special we all are and how amazing it is to be an inclusive school.

The opportunity to attend a day at the Invictus Games will be a memory those children will carry with them for a lifetime.

The joy of watching chickens hatch out of their eggs and struggle through their first few moments of life and then grow and change in front of your eyes. What a time of wonderment for our Kindergarten students.

Being able to be part of a science fair and demonstrate to others the marvels of science and the surprises it can bring. A memorable experience for our year 5 and 6 students.

Our morning with STAR 104FM and the super job our four year 4 stars did being part of a live radio show. They will never forget that experience.

So many memories are made in one short school year.

2018 was remarkable. Remarkable is unusual or special in a way that makes people notice, be surprised or impressed.

Our Guliyali Preschool - what a journey! The physical environment both inside and outside has transformed into wow! factor and our Preschool Educators provide an Early Childhood learning program that is recognised as exceeding. The Preschool Rating and Assessment saw our Preschool exceed in all seven National Quality Standards. A remarkable achievement and one which has seen us be invited to go for a centre of excellence. I want to share with you part of a lovely letter from one of our Preschool parents

"I am eager to contact you to thank you for this great opportunity and privilege. I am astounded by the amount of enthusiasm, support and opportunities offered in this preschool. I am a firm believer in early childhood development, and I believe that this Preschool has the perfect setting, teachers and opportunities for the children to have positively encourage independence, a love for learning and overall wellbeing".

Timber Creations was the play equipment company we used when designing our new outdoor area for the Preschool. The space was put forward as a great playspace for children to be part of a national award for the best Early Childhood outdoor areas.

National Playspace awarded our space 'Commended' making us 3rd in Australia for Preschool outdoor area. One of the judges said:

"This playground creates opportunity for challenging physical skills within a controlled and safe environment. Particular attention was given to hand picking individual play elements including a fantastic collection of natural timber pieces. So much to do in this playspace".

As well our Preschool picked up a Munch and Move Award. Guliyali Preschool has been in this program since 2008 and we have now received the "Champion Award".

What an incredible year of learning success for our Preschool. We are so proud!

Another remarkable achievement for 2018 is that a team of our students were Regional finalists in the Tournament of the Minds. We certainly have students using higher order thinking skills and capable of doing amazing things.

We were also winners at the Brisbane Water Secondary College - Umina campus STEM (Science, technology, engineering and mathematics) competition. Another remarkable achievement for our students involved.

Again, this year we were successful in chess. Coming in third in the Central Coast with a couple of our students to compete in the state chess competition in Sydney.

We want to be able to give our students opportunities to excel - the sky is no longer the limit as we go beyond.

We are truly a student-centred school

The Dalai Lama has a vision similar to what we want in our school. He says "My wish is that, one day, formal education will pay attention to the education of the heart, teaching love, compassion, justice, forgiveness, mindfulness, tolerance and peace".

Our school, by embracing the Positive Behaviour for Learning program, truly supports the needs of all our students by teaching then expectations in all areas of social interactions and relationships and preparing them to be part of a future world. Our Antibullying and resilience programs help our students to be confident, independent learners and thinkers. We support our multicultural students with on the ground individual teacher mentoring and multicultural celebrations and programs. We support our Aboriginal students with the cultural continuum program run with all the Brisbane Water Learning Community schools and with the support of our Early Intervention Aboriginal Teacher and our beloved Auntie elders. We support all our students with special needs, making sure they feel part of our whole school, celebrating their abilities and embracing them with respect and awe. Programs that have run in the school in 2018 such as the Got It program, Seasons for Growth, Rock and Water, the Breakfast Club and parent support from the School as Community Centre have touched many of our students in need ensuring they feel valued and cared for.

You would not think having a bunny rabbit in a classroom would make a difference but how it does. Animal therapy is making a difference for some of our students too.

Inclusiveness is our business here at Woy Woy Public School. Everyone matters, everyone is welcome and everyone will be accepted. Truly a student centered school.

What a full year of wonderful achievements it has been.

What a wonderful school Woy Woy is.

Thank you to you, our wonderful students and the wonderful efforts you have put in this year.

Thank you Year 6 for being such special people here at Woy Woy Public School.

We are proud of the way you have grown over the years. Our best wishes go with you to high school in 2019.

Thank you to our school leaders who have proudly supported our school this year. A wonderful leadership team.

Thank you to our generous P&C and our amazing parent volunteers for the work you do to support our school.

Thank you to the school staff, your care, devotion and commitment is what makes our school. A great staff, a great school.

Thank you to our wider community and the many organisations that support our school to grow and achieve. Congratulations to all our students receiving awards today. Thank you for your amazing efforts in 2018.

Have a happy and safe summer break and we all look forward to the exciting learning experiences we will have in 2019.

Thank you and take care!

Ona Buckley
Principal

Get on and Rock! At Your School!

The Music Bus brings music education and fun to your school.

About The Music Bus

The Music Bus visits over 250 schools a week, bringing music into the lives of over 4,000 students across Australia.
The Music Bus is the classroom (the bus!), teacher, instruments and curriculum all in one complete package – and it's at your school.
Made up of weekly half hour lessons, The Music Bus is fun, engaging and will inspire your child each and every week.

our programs

The Music Bus offers modern and rock-style courses, using well-known songs to engage students at all ability levels. High quality instruments are provided and our experienced teachers use extensive backing tracks, developing confidence, rhythm and teamwork.

 Keyboard Kindy/Prep – Year 6	 Drums Year 1 – 6	 Ukulele Kindy/Prep – Year 6
 Singing Kindy/Prep – Year 6	 Guitar Year 2 – 6	 Rockband Year 1 – 6

Cost: \$16 per weekly 30 min lesson (Drums \$18)

why we're different

- 1. We come to your school:** We offer all students, regardless of background or prior experience, specialist instrument lessons right on school grounds. That means less travel time for busy families.
- 2. We're affordable:** Our lessons are around half the price of private tuition. We also supply all the instruments during class, taking the burden off having to buy one right away.
- 3. Learning is fun:** The customised curriculum is set in a fun environment, focusing on music reading, playing, arranging and performing to help build skills and self-esteem - with lots of fun competitions and awards throughout the term.
- 4. Glowing reviews:** The award winning Music Bus program has received positive feedback from the Dept of Ed and NSW Creative Arts Department – not to mention from countless parents and Principals in your community.

what others are saying

- "The Music Bus is fun, exciting and engages students in a wide variety of musical experiences at all ability levels and areas of interest including instrumental and vocal." Marie, Principal, NSW.
- "The teacher is a highly motivated and extremely professional." Principal, QLD
- "My daughter loves The Music Bus. It's an activity she can do in school hours – otherwise she probably would not be able to attend. It's such a great asset to have at school." Jade, Parent, QLD
- "My son comes home enthusiastic about learning and practising his instruments." Naomi, Parent, NSW
- "It's so great being at school. They are learning something new each week and the support the teacher has with the kids is wonderful." Sarah, Parent, NSW

*All testimonials have been genuinely sourced from parents and school principals regarding The Music Bus. Names, some names may be changed for privacy reasons.

If you like what you hear and would like to book lessons for your child contact us today.

**BOOK NOW – phone 1300 168 742
OR VISIT www.themusicbus.com.au**

Not at your school yet? No problem – get in touch regardless and we can help get you started!

Note: Music Bus lessons are also available at Worland Cms, OOSH, and Home School.

Music therapy is the use of music to achieve non-musical goals. Central Coast Music Therapy caters for children of all ages and abilities and no previous musical experience is required.

How can music therapy help?

Do you know a child that has difficulty making friends?

Making friends can be encouraged through music activities that involve turn taking and sharing – by creating musical connections between different people.

Do you know a child who struggles to pick up objects?

Gross and fine motor skills, like those involved in picking things up, can be practiced and refined by holding drum sticks and playing a song, by moving to music, or by playing an instrument.

Do you know a child who wants to communicate but can't get the message across?

You don't need words to be able to communicate using music. Mood and meaning can be gained by playing with another person, by having others listen to music created or for the individual to play.

Do you know a child who wants to be more confident?

Confidence can be gained by learning the new skills of playing an instrument, by improvising with a musician or a recording, or by being able to share your music and inner voice with the world.

Music therapy can meet all these needs and more as sessions are individualised.

Music therapy activities

Music therapy uses a range of activities to meet the needs of a person. Some activities are:

Music making

Playing songs together with the therapist for a sense of accomplishment and focus.

Improvisation

Listening and participating in the moment to create music. Participants make choices about instruments, sounds and silences.

Drumming and rhythm

Provides a common purpose, leadership opportunities and a chance to express themselves as well as coordination and gross motor skills.

Movement to music

Encouraging physical exercise, dance and an understanding of their body.

Central Coast Music Therapy offers: individual sessions, group sessions, school holiday programs, adapted music lessons. Central Coast Music Therapy is an approved NDIS provider.
