

Edition 39: 9 November 2018

From the Principal

Term 4 Week 4

Kindergarten transition program

Over the last four weeks, our new Kindergarten enrolments for 2019 have had a wonderful transition program getting them ready for big school. They have experienced all the sorts of activities they will do at school and have had time to explore the school buildings and grounds, as well as meeting the school staff and being able to see what happens in all the different areas of our school. We are looking forward to them starting with us at the beginning of the 2019 school year. Thank you to all our staff for giving them such a welcome and supporting them in making it easier to settle into the school environment next year. Well done everyone!

Preschool Information evening coming up

The Preschool Information Evening families of children enrolling for 2019 will take place on Tuesday, 20th November 2018 in the Preschool, starting at 6:30pm. This is a parent only event and unfortunately we cannot provide childminding. We have 40 places filled in our preschool on a five-day fortnight rotational basis for 2019. Our preschool operates under the guidelines of the Early Years Learning Framework and follows the seven key Quality Areas of the National Quality Standard for all Early Childhood centres. We can proudly say that our preschool is exceeding in all National Quality areas. Information about Early Childhood guidelines can be found at www.acecqa.gov.au

'Cook for my parents' nights

What an incredible feat it is for our students from Year 3 to 6 to be able to cook for and dine with their parents. Over the last two nights, Wednesday 7th November and Thursday 8th November our school showcased what we do as part of our Stephanie Alexander Kitchen Garden program. 'Paddock-to-plate' using healthy fresh food recipes from produce grown in our vegetable gardens and orchard were picked, prepared and expertly plated up by our students, for their parents to eat and enjoy. The food was delicious. Thirteen different dishes were made ranging from entrees, mains and deserts. Dishes included spring rolls, baked cauliflower pieces in breadcrumbs, pumpkin soup with homemade focaccia bread, Asian noodles, bolognese sauce and pasta, green chicken curry with rice, custard pies, bread and butter pudding, battered fried apples and berry pudding. Over the 2 nights, 1 456 plates were served to our parents. Incredible! Parents also enjoyed dinner games of trivia, coin toss and some auctions for some wonderful donated gifts and vouchers. A huge thank you to Mrs Lina Williamson for her organisation and for her dedicated work in running the cooking component of our kitchen/garden program. Thank you for all our volunteers and staff who gave up their out of hours' time to make sure everyone enjoyed a special night. How proud were our students being able to show off their culinary skills to parents and carers. The learning of sustainability practices and being directly involved in living and eating healthily are lifelong lessons for all our students.

Our Stephanie Alexander Kitchen Garden program promotes this whilst also adding curriculum knowledge in numeracy, literacy, Science and Technology Environmental Education areas.

Considerations for student placement 2019

Thank you to those parents who have made appointments to discuss concerns around class placements for 2019 or alternatively have put these concerns in writing addressed to the Principal. Please remember your concerns will be considered. The deadline for these concerns is **Friday 23rd November 2018** to ensure staff have enough information to start forming 2019 class groups. Thank you for your support with this most important matter.

Guessing Competition

The school is running a guessing competition to be drawn at our Academic Presentation Day assembly on Monday 10th December 2018. The prize is a 6V Remote Control Mercedes Benz GL Class rideon car, donated to the school by the ACCOM group. Funds raised will go towards new natural play equipment and further grounds upgrades. Some lucky child will get a fabulous Christmas present! An information letter with ticket booklets will go out early next week. There will be weekly draw for canteen vouchers for every book sold.

Safety on school grounds

A big reminder about safety on school grounds. Please always use the walking gates to enter and exit our school. The staff car parks on Park and Bowden Road sides of the school-limits just that staff car parks. No other vehicles are authorised within school ground. The car parks are off bounds to all parents and children. The only other vehicles entering school grounds are delivery and garage disposal trucks and vans into the Park Road vehicle gates and special needs student transport vehicles on the Bowden Road side. Keep your children safe and do the right thing. They follow your example.

Have a sunny and happy fortnight.

Ona Buckley
Principal

Positive Behaviour for Learning (PBL) Weeks 4 and 5

This week teachers have been teaching their students about how to 'Be Polite' when speaking to each other by using nice words, a respectful tone and nice words. Lessons have focussed on the importance of being polite when going to the canteen, when playing with peers and when interacting with others in the classroom. Students have also been taught about the importance of speaking in a respectful tone and how to use kind words to assist in resolving conflicts.

Next week (Week 5) we will be revisiting the 'Be Safe' at break times rule. Students will be encouraged to demonstrate the desired behaviour of keeping their hands and feet to themselves and to ask for help if they are experiencing a problem.

Students who successfully demonstrate positive behaviours will be rewarded with Win Bin tickets and stars on their Star Charts.

Parents and carers are encouraged to discuss PBL expectations with their children. If you have any questions related to the school's PBL program or about student wellbeing policies and practices, please direct them to either myself or Ms Buckley.

Mr Dan Betts
Assistant Principal (Student Wellbeing)

Remembrance Day Assembly

On Monday 12th November staff and students of Woy Woy Public School will participate in a special assembly to commemorate the Centenary Remembrance Day. The 11th of November has been a memorial day observed in the Commonwealth of Nations since the end of the First World War to remember the members of their armed forces who have died in the line of duty. We warmly invite community members to commemorate this occasion with us. Our assembly will commence at 10am and we are honoured to invite the National Service 1951-72 Re-Enactment Unit who will answer questions and provide valuable information to our students. If you have any questions regarding this special assembly please feel free to contact the school.

Dogs and Cats at School

Please be reminded that dogs and cats are not permitted in school grounds. This is legislated rule for all schools across NSW. Please understand that while your dog or cat may be cute and well behaved we have students in the school who suffer from severe allergies and others who are extremely frightened of them. Your cooperation is greatly appreciated.

NO DOGS

NO CATS

Assembly Awards – Week 4

Congratulations to the following recipients of our Academic Achievement Awards at our Week 4 K-6 Assembly.

Name	Class	Name	Class
Ricky Rosevear	KM	William Glason	KRM

School Attendance

Regular attendance at school is essential to assist students to maximise their potential. Schools, in partnership with parents, are responsible for promoting the regular attendance of students. The Department of Education Attendance Policy states that parents are required to explain the absences of their children from school promptly and within seven days to the school. An explanation for absence must be provided to the school within 7 days of the first day of any period of absence. If the school does not receive an explanation for an absence in the required time an unexplained absence will be recorded against the student. Please contact the school if you have any questions regarding your child's attendance. An information sheet is attached to this newsletter on Compulsory School Attendance. It clearly sets out information about the importance of your child's attendance at school. Handy information to have at hand.

Congratulations to the following students who have achieved 100% school attendance this year.

Anthony Demoreland 3/6O, Jian Qiyu 2Y, Sidney Brannigan 2K, Anji Magee 1S, Euan Magee 3M, Ziva Brannigan KW, Jazmyn Tutauha 4T, Jack Sainty KW, Taya Israel 3-6O, Isabelle Sheppard 1S, Hokin Lam 4T.

Compulsory School Attendance

Education & Communities

Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Gives students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

Further information regarding school attendance can be obtained from the following websites:

Policy, information and brochures:

Please visit the Department of Education's *Policy Library*.

The school leaving age:

Please visit the Department of Education's *Waiting and Learning* website

Do you need an interpreter?

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.

For further advice and questions contact your educational services team

NSW Department of Education and Communities

My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as *Undertakings*) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

Kitchen/Garden News

This has been a really popular recipe over the last week:

Woy Woy Spinach Bowls

Ingredients

15 small dinner rolls
10 spinach leaves, finely chopped
2 spring onions
Olive oil
1 teas garlic powder
2 tabs butter
½ cup plain flour
1 cup milk
1 cup cheese
½ packet of elbow pasta

Method Pre-heat oven to 180°C. Cut the tops off the bread rolls, then remove the middle leaving the bread roll shell. Bring a large pot of water to the boil. Add pasta and cook until cooked.

1. Finely chop the spinach and spring onions. In a frypan, drizzle olive oil and add spinach and spring onions. Add garlic powder and saute for 5 minutes or until the spinach is limp.
2. In a small pot, melt the butter. Once hot, add the flour and cook for 5 minutes. Add milk and whisk together so no lumps form. Add cheese and mix until the sauce thickens. Season with salt and pepper.
3. Once the pasta is cooked, drain. Add the pasta, sauce and spinach mixture together. Spoon this mixture into the hollowed out rolls and pop the lids on. Place in the oven and heat through for 10 minutes. Serve and enjoy!

Volunteering

You can make a difference! Your unique skills will be greatly appreciated as a volunteer! You'll be surprised at just how much your time and skills can help. Whether you have a passion for administration work, retail experience, an eye for detail or a gift for dealing with people, your unique skills will be greatly welcomed and appreciated. It's a great way to get involved in the school community.

Regrettably, some of our valued volunteers will no longer be able to assist with services provided by the P&C. To continue with these services we need people, like you. We are looking for volunteers to help with school banking, uniforms and more. Training will be provided. If you are interested, please contact wwpspandc@live.com.au

Fundraising

We thank you, the school community, for supporting our recent initiatives – Halloween Disco and Halloween Tattoos. The students were well behaved, enjoyed themselves and WOW there were some scary costumes on the night. The tattoos were popular and were sold out sooner than anticipated. We are still finalising the profit from these initiatives. You will be advised in the next edition of the newsletter, or better still attend the next general meeting and find out first hand! Thank you to all our wonderful volunteers who gave up their time to make both events a success.

Our last initiative for 2018 is the Crazy Camel artwork fundraiser. Students are working in class to create unique artworks which are transformed into keepsakes such as calendars, tea towels, tote bags and more. Prices range from \$14 to \$25. We have extended the **order closing date to 16 November** and orders can be placed online at www.crazycamel.com.au/WoyWoyPS/. Keepsakes will make ideal gifts for Christmas. Products will arrive at school after the closing date and sent home with your child. A flyer is attached for your information.

Uniform Shop

We have moved to ordering by email and payment online only. If you are unable to make online payments, alternative payment options can be arranged at time of ordering. Please do not make online payments to the school. After full payment has been received, the orders will be distributed to your child's class once a week when a volunteer is available. Please email your order form to wwpsuniforms@outlook.com

School Banking

The banking scheme continues during Term 4. Friday is our school banking day and don't forget to bring your bank books. Great rewards still up for grabs.

Next Meeting

A change to the date and venue for the next General Meeting. The meeting will be held on **Wednesday 28th November 2018 at Everglades Country Club**. We plan to meet for a quick bite to eat (purchased by yourself) followed by a more informal style of meeting. This will be our last gathering for the year and we hope you will come and see the P&C in action.
