From the Principal

Term 4 Week 6

There's been a few tired heads about the place this week in the wake of the three performances of 'A Wolf's Tale' this week, but I'm sure you'll agree it was well and truly worth it. What an incredible success the shows were! The number of parents who approached me to pass on positive feedback about the shows was almost overwhelming. It seems that our parents, carers and community members not only thoroughly enjoyed the show but were also extremely appreciative of the efforts of the teachers in organising the productions. Numerous people remarked on the fact that every student in the school had an opportunity to take the stage for each of the three productions, and that they appreciated what a huge undertaking it was to stage a production of this scale. I can confirm that the staff at WWPS put a great deal of time and effort into script-writing and choreography, and into preparing the students for their moment in the spotlight. For each of the performances the staff pulled together to supervise, support, mentor and direct the students, while at the same time undertaking the production duties that they had been charged with. It was an enormous amount of work.

From a personal standpoint, I was blown away by the talent displayed by so many of our students. I would like to think that the opportunity to perform in a 'A Wolf's Tale' might have inspired some of our students to pursue their interests in acting or singing and dancing, and that any number of them might go on to achieve amazing things in the field of performing arts. Perhaps we may even have unearthed a 'Triple Threat' or two?! What is certain is that our students will remember the experience for a very long time.

All-in-all it was a wonderful event for bringing the community together, with over 1 050 tickets sold across the three performances. I'd like to congratulate all of our students on the commitment to putting on a good show. I'd like to thank all parents, carers and community members for supporting the production (and turning up in droves), and I'd like to thank all of the teachers for their hard work over the past few months to make it all happen. Special thanks to the 'A Wolf's Tale' production team, especially Mr Owens, Mr Brady, Mr Price and Mrs Rayner from WWPS, and the production crew from Brisbane Water Secondary College – without their technical expertise the show could not have been the extravaganza that it was. Thank you as well to Mrs Rebecca Cooper (BWSC Principal – Woy Woy Campus) and Mr Paul Gilmore (BWSC College Principal) for allowing us to use their facilities.

School Structure 2020 Update

Teachers have not been allocated to classes yet, however the planning process has begun in earnest with Ms Buckley overseeing preparations for the adoption of innovative K – 2 and 3 – 6 school structures and operating procedures next year. In 2020, K – 2 classes will embrace play-based learning pedagogies, while at the same time continuing direct instruction in reading, writing, phonological awareness, Mathematics etc. There is an extensive body of research on the social, emotional and academic benefits that follow from allowing students to pursue activities that are of interest to them and to explore, play, pull apart and then put things back together in ways that they determine themselves and are therefore more meaningful for them. Rest assured though that teachers will still be delivering the L3 'Language, Learning and Literacy' program which involves explicit teaching of the skills needed to read and write effectively.

Students in Year 3 – 6 classes will spend morning sessions with their ‘home’ class completing English activities, before attending ability-based Maths groups either before or after lunch. In the afternoons students will attend two subject-specific sessions with teachers who specialise in STEM, the Humanities, the Arts and PDHPE; the idea being that students will benefit from working with teachers who have expertise and enthusiasm for these subjects.

Bell times for the beginning and end of the school day next year will remain the same, however there will be changes to the structure of the school day between 8:50am and 2:50pm, to allow for more frequent breaks of a shorter duration, including a kinaesthetic movement break in between the lunch and recess breaks. It is hoped that working in shorter, sharper bursts will lead to increased levels of concentration and engagement from students.

Finally, just a quick reminder that in the last edition of the Namalata I asked for requests for class placements for next year be submitted in writing to either myself or Ms Buckley **by Friday 29th November** in order for them to be taken into consideration when the process of class formation for 2020 begins.

Spare a Thought for Mrs Lord

It is with great sadness that I have to inform you that Mrs Kate Lord has had to take leave for the remainder of the 2019 school year in order to care for her son Rohan. Rohan has been admitted to Westmead Children’s Hospital with a very serious illness and will be undergoing a long-term treatment plan. This is going to be a very difficult time for Kate and her family and I know that you’ll all join me in sending lots of love and best wishes to them.

Mrs Cooper has made herself available to take 3/4LC on Mondays, thereby ensuring continuity for the class from Monday through to Thursday. Mrs Alix Leo will take the class each Friday for the rest of the year. If you would like to show your support for Mrs Lord and her family, please speak to Mrs Cooper or visit the WWPS Parents Facebook page for details on how you can help.

Community Events

It is about this time of the year that our calendar gets very busy with end-of-year celebrations and events. The second Stephanie Alexander Cook for Parents night will take place next Thursday night for the parents of students in Stage 2 classes. I was fortunate enough to attend the first Cook for Parents night and was incredibly impressed with the behaviour of the students who participated. It was especially pleasing to see how proud the children were of the skills that they’ve learnt and were able to display on the night. It was a wonderful opportunity for teachers to work alongside students in the kitchen, and for teachers, students, parents and carers to interact with each other. I have to say as well that the food that was on offer was absolutely delicious! Thanks to Mrs Williamson and Mr Smith and all of the teachers who help out at the Cook for Parents evenings. This Thursday’s event promises to be just as much fun. I look forward to seeing some of you there.

Mrs McLean and Mrs Barrett have been running a Multicultural Playgroup on Monday afternoons this year. The group will meet again next week in Week 7. Ms Buckley, Mrs Williams, Mrs Henderson, Mrs Arnott and I will also be conducting the Preschool Information Evening for parents of the preschool 2020 student intake next Tuesday night at 6:30pm in the preschool.

This year’s Disability Day Concert is set down for Wednesday 4th December (Week 8). This is one of my favourite events of the year and if you were lucky enough to see the students from our support unit classes performing ‘Working Class Man’ earlier this week you’ll know why. Please come along on the day if you’re available, to celebrate the fact that at this school we value each and every individual for who they are. The very next day on Thursday 5th December, we will be electing School Leaders for 2020. Parents are always welcome to attend for the leadership speeches in support of their children. That same day, the 2019 Deadly Awards will be held to celebrate the achievement of Aboriginal and Torres Strait Islander students from schools in the Brisbane Water learning Community. Stayed tuned for more information from Mrs Nebauer about this event.

There’s lots more happening for our students, including PBL reward days, Christmas Parties and the like. We’re in for a busy but very rewarding lead in to the end of the year.

That's it for me this week and for the rest of the year as it turns out, as Ms Buckley returns to lead the school this coming Monday. This will also mean that Mrs Williams, Mrs Young and myself all return to our substantive positions for the rest of the year. Michelle W, Michelle Y and I, along with all other members of the school's executive, would like to thank everyone for their support over the past few weeks.

Have a lovely weekend everyone.

Relieving Principal

Positive Behaviour for Learning (PBL) Weeks 7 & 8

This fortnight teachers and students have been discussing the importance of 'Being Responsible'. We have been exploring how to care for belongings in an appropriate and age appropriate manner. We have reinforced the importance of working together to get a job done through explicit lessons and activities. This coming fortnight teachers will be talking to their classes about our 'Be safe' expectation. Students will take part in lessons designed to reinforce desired behaviours at break times and teachers will be encouraging students to ask for help if it is needed. Woy Woy Public School takes a whole school approach to Positive Behaviour for Learning and your support is always very valued. If you would like any further information on our PBL lessons please feel free to contact the school to make an appointment.

Kindergarten Transition

The children completed their fourth Kindergarten Transition on 20/11/2019. They started the session by splitting into their three groups again; between Mrs Miller, Mrs Bradbury and Mr Wolski. Mrs Henderson and Mrs Arnot were also there to help support the children. The children participated in a number of activities; such as puzzles, colouring-in, painting, lego building, dress up's, doll houses, letter and number tracing and role-play. The children sat and listened to their teacher read a story. The children also enjoyed singing their favourite songs.

A highlight of the day was the treasure hunt. All the children received a card with photos on it. The photos were landmarks from around Woy Woy Public School: library, computer room, office, chicken pen, garden, preschool, hall and canteen. The children had to walk in pairs around the school - with their Year 6 helper - to find the various landmarks. When they found the landmark, they received a sticker for their card. When they had all eight stickers on their card, they went back to the canteen for a pikelet. The children had to stand in line at the canteen and wait to be called to receive their treat. They waited patiently until it was their turn and used their manners to say 'thank you' to the canteen lady.

Then all the children came outside, under the covered outdoor area, to have their lunch together. They then played a game in the hall. They finished by all receiving a certificate to congratulate them for finishing their final Kindergarten Transition session.

This was an amazing opportunity for both the Pelican and Seahorse Groups to come together and meet one another - as well as some more children from outside Guliyali Preschool - and for new friendships to form. Thank you to all the teachers for working so hard in preparing the children for a smooth transition to school next year.

A Wolf's Tale

With over 450 performers, 40 staff and volunteers working in the background and over 1100 tickets sold for three shows we can confidently say Woy Woy Public School's 2019 School Performance was an amazing success.

Our students were all smiles at each performance and gave their all to make it the best show seen from WWPS in many years. Every part of our school was involved in making our performance the success it was.

Thank you to everyone involved, including our parents for ensuring your child was there on time and in their costumes. And a big thank you to Mr Brady, Mr Price and Mr Owens for starting this whole process back in term one.

Well done to all our wonderful students.

Messages from the Office

Important Parking Message

The staff parking area inside the school gates on both Park Road and Bowden Road is for **Staff Use Only**. Parents dropping off and collecting their children from school, Music Bus or Cubbyhouse BASC are asked to park outside the school grounds and walk their children to and from their car. This is a Department of Education directive.

Office Hours

School phones are manned from 8.30am until 3.15pm. The office window is opened at 8.30am and closed at 3.00pm however office staff are available until 3.15pm. There is a teacher on duty at the bus lines until 3.20pm.

Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day it would be appreciated if you could contact the office prior to 2.00pm to ensure that the message is passed on to your child.

Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be collected from the school office prior to going to your child's classroom. This slip is given to the classroom teacher.

Payment of Money to the School

School fees and activity costs can be paid by credit card via the Woy Woy Public School website (<http://www.woywoy-p.schools.nsw.edu.au/>) using the 'Make a Payment' tab. If you are making a cash payment please place the money in an envelope with the child's name, class and the reason clearly noted. We have cash collection envelopes at the school office for your use. All money is to be given to your child's teacher. When making payments for multiple children, separate money and envelopes for each child is appreciated, as it is very time-consuming to sort out at the time of receipting.

Thank you
Linda Goldsmith – School Administrative Manager

Hi everyone

November already!

Thank you for the fantastic support in our upcoming fundraising event Frozen 2. It sold out! Well done to all involved including Jodi, Gillian, Melissa and Billie-Jean for making it happen.

A shout out for donations of any kind for the Xmas raffle coming up for December.

Also remember to email your uniform orders for a fast and easy delivery to class.

Days for open shop for 2020 still to be locked in. Rest assured we will have a day open before school opens 2020 to pick up orders and buy on the spot. We are looking for volunteers to assist with opening throughout next year, if you are interested in helping in any way please let us know. As little as 45 minutes a week will ensure we can keep going!

A massive thank you to all the staff and parents involved in the school play. Wowzers! What a great show. We are a very lucky community to have such dedicated staff.

We're continuing our introduction to the current P&C team with a few words from our current Secretary, Melissa Pritchard.

Looking forward to seeing those 'letting it go' at the Frozen night!

P&C Executive Member Profile

Who is Secretary, Melissa Pritchard?

Just like our P&C President I also have 2 children at the school. As a single parent and sole income earner, I spend the school day and evenings running my online business with both Australian and international clients. I'm grateful for the flexibility owning an online business offers, regardless of the very late nights.

For around 6-7 years now, I have been both an active and non-active member of the P&C. I was P&C Secretary for part of 2017 and now again this year. I coordinate the few P&C related duties that require me to be present at the school, around school drop off and pickup times. Most of my contribution to this role is completed remotely giving lots of freedom to schedule around parenting and business commitments – including preparing this information for the school newsletter. Thank you to my P&C colleagues for providing their updates to include each fortnight.

I moved to Woy Woy when my eldest was just 19 months old and he's off to High School next year! It's remarkable how quickly that time has passed. My kids have had very positive experiences at WWPS and it's been a pleasure to contribute some time when I've been able to which is different every year. Volunteering at the school has seen me changing over home reader books, helping one day a fortnight in the canteen, assisting with both school and P&C fundraisers, attending P&C meetings and at least one year my commitments kept me from actively contributing at all.

I'm going to repeat what Laura has said in the last newsletter because I wholeheartedly agree: I would encourage anyone who has an interest in the workings of the school to join the P&C. It's a great way to meet the principal, teachers and other parents. Meetings are not compulsory and there is no obligation to volunteer for events.

DID YOU KNOW:

Any unused tokens will be carried forward to next year.

Next Meeting

The next general meeting will be held **7-8:30pm, Wednesday 11 December, Staff Room, Woy Woy Public School**. We look forward to seeing familiar faces return and welcoming new families to our community. All are welcome to attend.

Membership

The annual P&C membership fee is \$2.00 and this entitles you to participate in the democratic decision making process of the Association. If you are interested, P&C Membership forms for 2019/20 are available from the school or by emailing wwpspandc@live.com.au

Completed forms and membership fee can be placed in a sealed envelope and put in the P&C blue box in the school office or better still attend a meeting and find out firsthand what is happening within the school. Members do not have to attend every meeting, however your child gets a buzz out of you being involved with the school. Your input and ideas are valued.

Volunteering

You can make a difference! We are always looking for volunteers to assist with services provided by the P&C such as fundraising, school banking and the uniform shop. This is a great way to connect with the school and find out what is happening first hand. If you are interested in contributing in a small way and can spare some time, please contact wwpspandc@live.com.au – as little as half an hour can ease the workload of our dedicated volunteers and your child enjoys you being involved in school activities.

Did you know that while we love to welcome new members to the P&C, you do not need to be a member of the P&C to volunteer at one of our organised events?

Bandslam is a national festival event for all Music Bus rock bands. Bandslam lets students have fun showing off their talents by performing in front of a real live audience; something each band has been excitedly preparing for each week in their Rock Band lesson on The Music Bus.

The Rock Band at your school will be participating in this amazing event! For more information visit www.bandslam.com.au

Bandslam is not only the largest national rock band opportunity of its kind in Australia - it is the focus of our Rock Band curriculum throughout the year and provides a fantastic opportunity for students to experience the thrill and excitement of performing in front of a real live audience.

The simplest way

... to keep food safe in summer.

Foods such as meat, fish, poultry and eggs; cooked pasta, noodles and rice; and dairy items such as milk, yoghurt, custard and cheese need to be kept very cold.

- Use a cooler bag and ice brick or frozen water bottle to keep food cold in the lunch box.
- Freeze items such as sandwich bread, milk poppers, and home-made muffins. They will be thawed and ready to eat at lunch time and keep other lunch box items cold.
- If preparing lunches the night before, store in the fridge or freezer.
- Don't store food in an insulated bag in the fridge, it stops the cold air reaching the food.
- For food that has just been cooked, cool it in the fridge overnight before packing.

The simplest way

... to be SunSmart this summer.

Consider UV levels when planning your summer activities.

When UV is 3 or above you need to PROTECT your skin in 5 ways:

- **Slip** on sun-protective clothing
- **Slop** on SPF 30 sunscreen or higher
- **Slap** on a broad-brimmed, bucket or legionnaire hat
- **Seek** shade
- **Slide** on some wrap-around sunglasses

Download the free SunSmart app to know what the UV levels are in your location to help plan your summer fun.

SunSmart App is available on the App Store and Google Play
