

Edition 50: 2 August 2019

From the Principal

Term 3 Week 2

Welcome back for Term 3 of the 2019 school year; traditionally one of the busiest terms, certainly as far as excursions and extra-curricular activities are concerned. We've hit the ground running here at Woy Woy Public School, already having held an Athletics Carnival, our annual Public Speaking and Spelling Bee competitions, a debate against Ettalong Public School and two Kindergarten Parent Information sessions for the 2020 student intake. Our students seemed to have returned refreshed and ready to learn, and there is a feeling of positivity and enthusiasm about the place that is wonderful to see and bodes well for the term ahead.

Athletics Carnival

I was fortunate to spend a few hours at the Athletics Carnival last week and was struck by how happy and well-behaved our students were on the day. Staff have reported higher levels of participation from students than in previous years with students seemingly embracing a 'Have-a-go' attitude in order to accrue points for their sports houses, which is extremely pleasing to see. There were some fantastic individual performances – demonstrations of endurance, strength, agility and speed – as well as some very closely fought battles on the race track. I'm pleased to report that I saw lots of proud smiles on faces and good sportsmanship on display from all students. I'd like to thank Mrs Rayner, Mrs Taylor and the team of Stage 3 teachers for their efforts in organising the carnival, and all of the teachers that were in attendance on the day, all of whom contributed the smooth running of the carnival. It was lovely to see so many parents in attendance on the day. Thank you to everyone who came to support their sons and daughters and to cheer on our students.

Education Week

Next week is Education Week – an annual event held during the first week of August, to celebrate public education in NSW. The week celebrates the achievements of students and teachers in public schools and the value of public education. The theme for 2019 Education Week is 'Every student, every voice'. We are justifiably proud of the fact that Woy Woy Public School, along with our partner schools in the Brisbane Water Learning Community and indeed all public primary schools and high schools in the state, empowers our students and encourages and supports them to develop the skills they need to have and to express a voice during their educational journey. 'Every student, every voice' celebrates authentic participation on the part of our students and the valuing of the ideas, opinions and expertise of all students. During Education Week we pay tribute to the partnerships and respectful relationships that flourish in NSW public schools and at Woy Woy Public School in particular, where our students' perspectives, experiences and aspirations shape and enrich our school and our community.

We'd like to invite you all to take part in our Education Week celebrations here at the school this Thursday. Our 'Every student, every voice' Assembly will start at 9:15 am under the COLA. If you can make it, you'll be treated to performances from the Stage 3 and Aboriginal dance groups. Special Education Week certificates will be awarded to students who have strived to achieve their personal best over the course of the year thus far. Classrooms will be open for parents, carers, grandparents, family and friends to visit from 10:30am, and then from 11:00am we'd love it if you could join us for a sausage sandwich, lovingly prepared by the Stage 3 teachers, with all funds going to Year 6 fundraising efforts.

It promises to be an exciting and rewarding day for all and we sincerely hope you can make it along for all or part of the fun. I hope to see you there.

Uniform Review Committee Update

In past editions of the Namalata I mentioned that a P & C Uniform Review Committee has been established. The team have been busy putting together surveys for parents, students and staff in order to establish which items of the school uniform are most valued by the school community.

The surveys are now 'live' and will be so for the next two weeks.

The parent survey takes no more than three minutes to complete and can be accessed at the following URL:

<https://www.surveymonkey.com/r/Q7V2FVY>

Students and teachers will also complete surveys, so that once everyone's had an opportunity to have their say, we should be in a good position to determine which lines of clothing to commit to for the future and which lines we no longer need to stock. Once again, I'd like to emphasise the fact that if any lines happen to be discontinued, there will be a three-year changeover period, during which students can continue to wear these items. These items will still be available to purchase new during this time, however, once a size sold out it will not be restocked. Parents will also still be able to buy and sell such items second hand during the changeover period.

I'd like to urge you to take the time to complete the survey. You can type the URL above into the address window in your browser, or click the link on the 'Uniform Review' Facebook post on the school's Facebook page or on the app notification being sent out this Friday. The more respondents we get, the more confident we can be in acting on behalf of the school community.

A Request/Reminder

Since returning from the holiday break we've noticed that the contact details we have on file for some students are outdated and/or incorrect. If your circumstances have changed or if you've moved house or have a new telephone number, we would ask you to please update that information by contacting the school office. This will help to streamline communication between the school and the family home. Thank you for your cooperation with this matter.

And finally Ms Buckley returns to take back the reins on Monday 12th August (Week 4), which means that Mrs Williams, Mrs Young and myself will return to our substantive positions. Mr Price will also pass the baton back to Mrs Wilame when she returns from her Long Service Leave. I'd like to acknowledge the fine work done by our Relieving Assistant Principals over the past month or so and I'd like to thank our staff, our parents and all other members of our school community for the support we've all received. It's very much appreciated and we feel proud to have been given the opportunity to lead such a wonderful school.

Regards,

Mr Dan Betts
Relieving Principal

Positive Behaviour for Learning (PBL) Weeks 1 & 2

This fortnight teachers will be talking to their students about how to 'Be Cooperative' by being on time for class and waiting in the designated areas at bell times. Lessons will have a focus on the importance of being on time to class and remaining seated in supervised areas while waiting for their class teacher to arrive. This focus is being reinforced by the introduction of a new 8.47am bell time in the morning allowing students and teacher's sufficient time to finish morning activities and make their way to class lines. Our school leaders will model the expected behaviours to all students through short video messages that they have created and explicit teaching of this school expectation will occur in all classrooms each Wednesday morning.

If you have any questions regarding Positive Behaviour for Learning at Woy Woy Public School or if you would like more information on this fortnight's message please contact the school.

Safe People, Safe Places

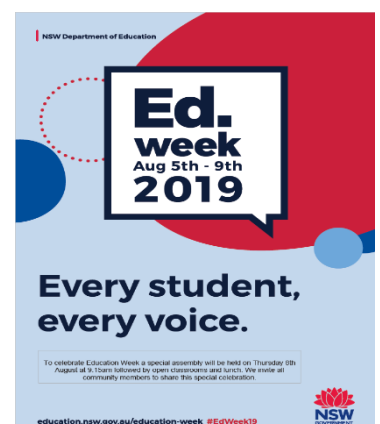

The safety and wellbeing of our children is paramount. As parents and carers we can't always be with our children to advise and protect them. When out and about, children can be confronted with situations where good decision-making is vital. With this in mind, advising our children with appropriate responses to certain situations will help them avoid trouble and danger. The Safe People, Safe Places program aims to help children identify the safe adults in their community, as well as safe places to go when they are lost, feeling unsafe or frightened or are in danger. The link to the website is below and has many great ideas on how to reinforce important safety messages.

Education Week

Education Week is a statewide, annual event, held during the first week of August, to celebrate NSW public education. The theme for 2019 is 'Every Student, every Voice'. To celebrate this special event, Woy Woy Public School will be holding a special assembly on Thursday 8th August 2019 at 9.15am. We would like to take this opportunity to invite all community members to this celebration.

Michelle Williams
Relieving Assistant Principal Student Wellbeing.

National Science Week

WWPS is a strong advocate for its students being able to use the latest technology, the best teaching methods and the most engaging projects in their school life.

National Science Week starts next week and will highlight the importance of Science in Education by engaging our students in a range of science activities. These activities will take place all term as each stage is able to use the new science curriculum to create engaging and exciting lessons and events for our students.

Kindergarten and Pre-School students will explore the science of sound, from how sounds are made to how sounds are heard. Mr Owens will show our youngest students what it means to explore sound like a real scientist.

Stage 1 students will be entertained and amazed by the presentation of a science show on forces in nature, the physics of pushing and pulling. Mr Owens will use his experience as a science educator to bring to life the wonders of the physical world, including, why do some things roll and some things rock.

Stage 2 students will be holding a Science Fair in the school hall in week 3. Small teams of students will put their science knowledge to the test by designing and demonstrating their own science experiment. The students will be competing for the glory of having the best science experiment in Stage Two that demonstrates their understanding of scientific investigative methods.

Stage 3 will use this term to build their own electric vehicle [EV] from scratch. Using our EV kits students will design, engineer and build their own EV to race against each other and then race against the other classes in stage 3.

David Owens
Science Co-ordinator

Chicken Hatching Program

It's been an exciting week in our Kindergarten classrooms with the arrival of the Chicken Hatching kits. On Monday each Kindergarten classroom received approximately 8-10 eggs. To the enormous delight of the children and staff, the baby chickens hatched before their eyes and some others made an entrance overnight!

Home Reading

Home Reading has commenced. Each Stage 1 student should be reading for at least 10 minutes per night. This can include a mix of home readers and quality literature, and consist of parent reading, student reading and reading together. For helpful information on supporting your child during home reading (including building comprehension), please follow the links below:

<https://education.nsw.gov.au/public-schools/going-to-a-public-school/translated-documents/reading-with-your-child-at-home>

<https://www.det.nsw.edu.au/eppcontent/glossary/app/resource/factsheet/5402.pdf>

If you are able to assist in changing home readers please see your child's teacher.

Aspire Home Reading

Home Reading is an integral part of the Woy Woy Public School reading program. This is an opportunity to share the experience of reading with your child. Sharing reading is one way to promote a positive attitude towards reading and to develop reading skills.

Many students are currently enjoying the new books that they have earned for reading for 100 nights in the Aspire Home Reading Program. Well done to all of those students. These students have been invited to select a book that they can take home and keep as their reward for their consistent efforts.

Congratulations to classes 1CP and KW. Each of these classes have 9 students that have already read for 100 nights.

We have some exciting news with regards to Home Reading. Recently we purchased a large range of new titles for students to choose from, to reward them for reading every night. Below is a sample of some of the new titles.

Messages from the Office

Important Parking Message

The staff parking area inside the school gates on both Park Road and Bowden Road is for **Staff Use Only**. Parents dropping off and collecting their children from school, Music Bus or Cubbyhouse BASC are asked to park outside the school grounds and walk their children to and from their car. This is a Department of Education directive.

Office Hours

School phones are manned from 8.30am until 3.15pm. The office window is opened at 8.30am and closed at 3.00pm however office staff are available until 3.15pm. There is a teacher on duty at the bus lines until 3.20pm.

Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day it would be appreciated if you could contact the office prior to 2.00pm to ensure that the message is passed on to your child.

Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be collected from the school office prior to going to your child's classroom. This slip is given to the classroom teacher.

Payment of Money to the School

School fees and activity costs can be paid by credit card via the Woy Woy Public School website (<http://www.woywoy-p.schools.nsw.edu.au/>) using the 'Make a Payment' tab. If you are making a cash payment please place the money in an envelope with the child's name, class and the reason clearly noted. We have cash collection envelopes at the school office for your use. All money is to be given to your child's teacher. When making payments for multiple children, separate money and envelopes for each child is appreciated, as it is very time-consuming to sort out at the time of receipting.

Thank you

Linda Goldsmith – School Administrative Manager

Completed forms and membership fee can be placed in a sealed envelope and put in the P&C blue box in the school office or better still attend a meeting and find out firsthand what is happening within the school. Members do not have to attend every meeting, however your child gets a buzz out of you being involved with the school. Your input and ideas are valued.

Volunteering

You can make a difference! We are always looking for volunteers to assist with services provided by the P&C such as fundraising, school banking and the uniform shop. This is a great way to connect with the school and find out what is happening first hand. If you are interested in contributing in a small way and can spare some time, please contact wwpspandc@live.com.au – as little as half an hour can ease the workload of our dedicated volunteers and your child enjoys you being involved in school activities.

Did you know that while we love to welcome new members to the P&C, you do not need to be a member of the P&C to volunteer at one of our organised events?

The Music Bus brings music education and fun to your school.

About The Music Bus

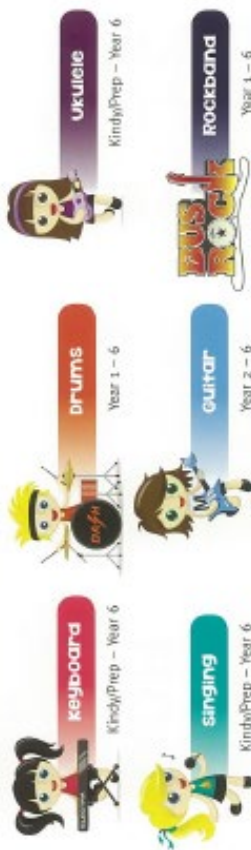

The Music Bus visits over 250 schools a week, bringing music into the lives of over 4,000 students across Australia.

The Music Bus is the classroom (the bus!), teacher, instruments and curriculum all in one complete package – and it's at your school.

Made up of weekly half hour lessons, The Music Bus is fun, engaging and will inspire your child each and every week.

our programs

The Music Bus offers modern and rock-style courses, using well-known songs to engage students at all ability levels. High quality instruments are provided and our experienced teachers use extensive backing tracks, developing confidence, rhythm and teamwork.

Cost: \$16 per weekly 30 min lesson (Drums \$18)

why we're different

- 1. We come to your school:** We offer all students, regardless of background or prior experience, specialist instrument lessons right on school grounds. That means less travel time for busy families.
- 2. We're affordable:** Our lessons are around half the price of private tuition. We also supply all the instruments during class, taking the burden off having to buy one right away.
- 3. Learning is fun:** The customised curriculum is set in a fun environment, focusing on music reading, playing, arranging and performing to help build skills and self-esteem - with lots of fun competitions and awards throughout the term.
- 4. Glowing reviews:** The award winning Music Bus program has received positive feedback from the Dept of Ed and NSW Creative Arts Department - not to mention from countless parents and Principals in your community.
