Term 3 Week 10

End of Term safe holiday

It seems like Term 3 has whizzed by so quickly and here we are at the end with only one school term of 2019 left. Such a busy but very productive term educationally. Term 3 saw all our major overnight excursions take place allowing rich and worthwhile extra-curricular learning experiences for all students. We have had Rumbalara Environmental Education field trips, Education, Book and National Science Week celebrations, Aboriginal Cultural Continuum experiences, 2020 Kindergarten Information Sessions, ICAS for Science, Writing, English and Maths, Swim School, Science shows, Tournament of the Minds, Athletics Carnivals, Gala days, the MasterChef style cooking competition and the opening of our Bush Tucker Garden as well as all the wonderful every day exciting learning happening in every classroom. So many opportunities for our learners to experience to enrich their educational journey.

Amazing students compete in the MasterChef Style Cooking Competition

Last Wednesday 18th September the finals for our cooking competition were held. Nine teams competed for the MasterChef style cooking champion. We had some very important judges to evaluate the student's efforts. Each team had to follow a given recipe and make pasta from scratch for nokka with a pumpkin filling and then cook apples to make an apple crumble and egg custard for dessert as well as present their dishes plated up professionally. Everyone was so impressed by what a group of 10 and 11 year old children could achieve. The standard and the way they totally immersed themselves in the experience and what they achieved in the end was simply amazing. They showed stamina and resilience in the face of working under pressure with time constraints. We are so very proud of them.

Congratulations to the MasterChef style cooks for 2019 Jacinta Kassi-Hurley and Becky Chang. Congratulations to J Z and J D who came second and Chloe Brine and Ebony Vogel who came third in the competition. Congratulations to all the other finalists Cameron Lewis, Vali Focas, Asriel Dove, Gemma Montalbano, Esteban Cervera, Brock Lewis, Hamish Pollock, Jake Fairbrother, Anwar El-Kurdi, Will Ellison-Oakes, Mitchell Wilson, Mason Bailey, Ami Ellison-Oakes, Mira Kaassamany, Layla Graham, Annabella Gemmell, Charlie Sceats, Dayne Jennings, River Quennelle, Easun Zhang, Kaiden Mitchell, Caleb Gouck, Dario Cervera, Cody Mowday, Shae Goolagong, Shae Ferguson, Ava Ayres, Doree Chou, Ashton Vickery, Charlie Sposito, Mia Pike and Lahni Moore and to all students who put themselves forward to compete in all the heats and have a go.

Thank you to our super judges Mr Chris Bice, Director Educational Leadership, Michael Vana and our own Ms Deb Moxon, retired teacher and Co-initiator of our Stephanie Alexander Kitchen Garden Program. Their job was not easy in choosing the best tasting, best prepared and best presented plated food. Of course they did say how much they all enjoyed the yummy food presented and were highly complimentary about how well our students could make, prepare, cook and present food. A huge thank you to Mrs Lina Williamson and Mr Pete Smith for the planning and organisation to provide this opportunity for our students.

Bush Tucker Garden Opening

Yesterday afternoon (Wednesday 25th September) at 2.00pm a very moving ceremony took place in our new Bush Tucker Garden located at the front of the school. Our very special Aboriginal Elder Aunties, Mr Tim Selwyn, our Aboriginal students and families and other parents and students from our school gathered in the front Bush Tucker Garden to officially open it. Mr Selwyn performed a traditional Aboriginal smoking ceremony to cleanse the area and make it a peaceful and restful space for all to visit and enjoy. Everyone respectfully joined in and participated following Mr Selwyn around the garden as he moved along the paths with the traditional smoking gum leaves. After the smoking ceremony all the guests and visitors were treated to a lovely picnic afternoon tea. This is a wonderful added space for our school where children can explore bush tucker plants growing and enjoy the tranquillity of nature in a restful shady and green space. It will be used as an outdoor learning space and environmental education learning tool. A huge thank you to Mrs Chloe Nebauer, our Early Intervention Aboriginal Teacher and to our wonderful General Assistant Macca for your work in making such a beautiful space. The school was able to make this happen by being fortunate enough to secure a small Eco Schools Grant of \$3,500. Please enjoy our lovely space.

Staff changes in Term 4

I will be on leave from 14th October till the 25th November. As Mr Dan Betts will be on leave the first week of Term 4 from 14th October until the 18th October Mrs Louise Rayner will be relieving Principal of Woy Woy Public School for that week. When Mr Betts returns on Monday 21st October he will be Relieving Principal until Friday 22nd November. Mrs Michelle Williams will step up to take up the off class Assistant Principal for student wellbeing position and Mrs Michelle Young will remain as relieving Assistant Principal for Stage 1. Ms Calindy Miller will continue the learning program for K/1W. The school as always will be in good hands whilst building the leadership capacity of the next school leaders.

P&C make a huge difference for our students

Our school thanks our wonderful and generous P&C for the support it gives to our students. The P&C and parent volunteers work really hard to raise needed funds for the school to support improved learning outcomes for students. Recently the P&C gave the school funds, to be able to purchase much needed iPad cases for the bank of iPads purchased by the P&C in 2018. The school purchased 33 iPad cases at a cost of \$1279. This will keep the iPads in much better condition use for longer. Thank you P&C and parents. Your donation is very much appreciated by our students.

Mr Owens Science shows very popular

Our students from Preschool to Year 6 have enjoyed a number of age appropriate science shows presented by our own Mr David Owens. Mr Owens has followed what children need to learn in science and presented it in a fun, hands on way that is exciting and motivating to children. They have learned about push and pull, air displacement, small chemical reactions and how to make slimy slime. Thank you for the great fun Mr Owens. The students can't wait for more!

Respect is our job

Respect is our job as part of our school's banner statement of "I aspire is our motto, respect is our job" We expect that when staff, students and parents enter through school gates onto school land that they will follow the staff, student and parent Code of Conduct. Our school wellbeing slogan of "treat others as you want them to treat you" is what we accept. There are protocols for approaching staff and students and other parents on school land. Everyone needs to respect that it is firstly a learning centre and a place where children need to feel safe and secure. Secondary it is the school staff's place of work and thus certain guidelines exist to support and protect staff. Thirdly parents and scheduled visitors are welcome onsite but everyone needs to adhere to the school's protocols so that everyone is confident and valued on school land. We welcome your input and support when you follow the correct channels of communication. Working together and respecting each other makes for a happy, safe and best practice school.

Have a well deserved break students. Enjoy time with your beautiful children parents and carers. We look forward to seeing your rested and smiling faces back on Monday 14th October 2019 for the beginning of Term 4.

Positive Behaviour for Learning (PBL) Weeks 9 & 10

Positive Behaviour for Learning (PBL) – Weeks 9 and 10

For the last two weeks of Term 3, teachers have taught their students about the importance of being polite to each other. Students were encouraged to use nice words and good manners when interacting with their peers. Students were explicitly taught about what a respectful tone of voice sounds like and about the value of adopting such a tone.

At the beginning of Term 4, those students who were awarded 8 or more stars out of a possible 10 in Term 3, will be rewarded with three rewards tokens of their choice.

Parents and carers are encouraged to discuss PBL expectations with their children. If you have any questions related to the school's PBL program or about student wellbeing policies and practices, please direct them to either myself or Ms Buckley.

Mr Dan Betts
Assistant Principal (Student Wellbeing)

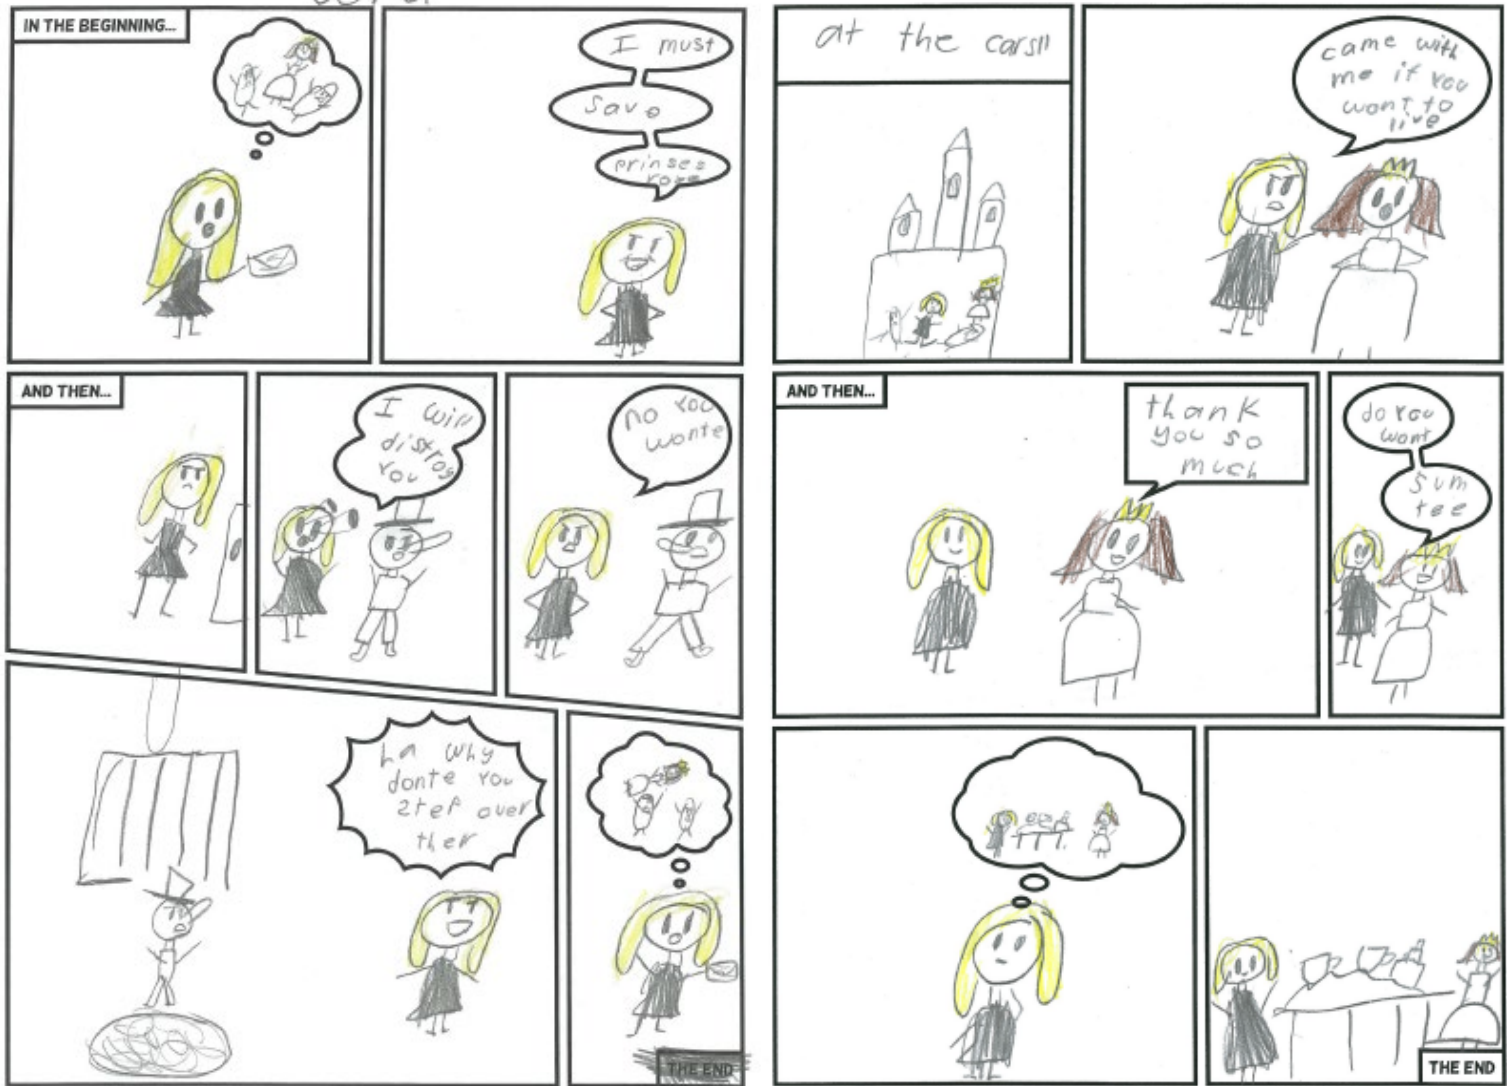

Staff Wacky Wig Wednesday

What would you think if your teacher turned up wearing a wig? 'Who are you?' 'What is your secret identify...?' These were some of the questions posed to students to help them create a profile of their teacher... their teachers secret identity.

Kind regards

Kate Lord

Bush Tucker Garden and Dreaming Trail Opening

On Wednesday of Week 10 we celebrated the official opening of our new outdoor learning space, our Bush Tucker Garden and Dreaming Trail. Uncle Tim Selwyn honoured the occasion with a traditional smoking ceremony and our MINGALETTA Aunties were in attendance.

A very big thank you to our GA Macca, who put in countless hours of work to make such a fantastic area for our students to connect with for many years to come.

Thank you also to the many families and to our very respectful students who were there to be a part of this special occasion.

Finally, recognition also goes to the NSW Government Environmental Trust for the grant that allowed us to create this space.

Mrs Nebauer

Messages from the Office

Important Parking Message

The staff parking area inside the school gates on both Park Road and Bowden Road is for **Staff Use Only**. Parents dropping off and collecting their children from school, Music Bus or Cubbyhouse BASC are asked to park outside the school grounds and walk their children to and from their car. This is a Department of Education directive.

Office Hours

School phones are manned from 8.30am until 3.15pm. The office window is opened at 8.30am and closed at 3.00pm however office staff are available until 3.15pm. There is a teacher on duty at the bus lines until 3.20pm.

Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day it would be appreciated if you could contact the office prior to 2.00pm to ensure that the message is passed on to your child.

Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be collected from the school office prior to going to your child's classroom. This slip is given to the classroom teacher.

Payment of Money to the School

School fees and activity costs can be paid by credit card via the Woy Woy Public School website (<http://www.woywoy-p.schools.nsw.edu.au/>) using the 'Make a Payment' tab. If you are making a cash payment please place the money in an envelope with the child's name, class and the reason clearly noted. We have cash collection envelopes at the school office for your use. All money is to be given to your child's teacher. When making payments for multiple children, separate money and envelopes for each child is appreciated, as it is very time-consuming to sort out at the time of receipting.

Thank you

Linda Goldsmith – School Administrative Manager

P&C News

Happy holidays everyone. Whooo hooo, bring on daylight saving!

So, Term 3 is done and dusted.

As promised last newsletter a survey has been set up asking for feedback. It has been sent out via the Skoolbag app as well as the "Parents of Woy Woy Public School" FB page.

You can also use this link <https://www.surveymonkey.com/r/57VJBRG>

We look forward to reading the results.

I wanted to let you all know that at the last meeting we voted unanimously to donate \$2,400 to the school to purchase 60 covers that will be used to protect the iPads used throughout the classes.

We have also donated over \$300 to the Breakfast Club to assist in the purchase of condiments used Mon, Wed and Fri mornings from 8.30am at the CA roller window. A big thank you to the teachers and volunteers who run this fantastic initiative organised by the school ensuring ALL the kids get access to a breakfast at least 3 times a week.

The P&C this year have also voted to help support the PBL and the Stephanie Alexander Kitchen Garden Programs throughout the year in donating money to assist with purchases needed.

We have been given the school wish list so watch this space for updates on what other items have been purchased by the P&C

School Banking

Thank You Term 3 Bankers!

School banking returns in Term 4 every Thursday from Week 1 – 17th October.

Next Meeting

The next general meeting will be held **7-8:30pm, Wednesday 16 October, Staff Room, Woy Woy Public School**. We look forward to seeing familiar faces return and welcoming new families to our community. All are welcome to attend.

Membership

The annual P&C membership fee is \$2.00 and this entitles you to participate in the democratic decision making process of the Association. If you are interested, P&C Membership forms for 2019/20 are available from the school or by emailing wwpspandc@live.com.au

Completed forms and membership fee can be placed in a sealed envelope and put in the P&C blue box in the school office or better still attend a meeting and find out firsthand what is happening within the school. Members do not have to attend every meeting, however your child gets a buzz out of you being involved with the school. Your input and ideas are valued.

Volunteering

You can make a difference! We are always looking for volunteers to assist with services provided by the P&C such as fundraising, school banking and the uniform shop. This is a great way to connect with the school and find out what is happening first hand. If you are interested in contributing in a small way and can spare some time, please contact wwpspandc@live.com.au – as little as half an hour can ease the workload of our dedicated volunteers and your child enjoys you being involved in school activities.

Did you know that while we love to welcome new members to the P&C, you do not need to be a member of the P&C to volunteer at one of our organised events.

Have a happy and safe holiday

MEDIA RELEASE

Liesl Tesch MP Member for Gosford

Mini-MasterChefs cook up a storm

Aspiring mini-master chefs from Woy Woy Public School have shown off their cooking skills in the kitchen, showcasing a variety of dishes created to impress a panel of teacher-judges.

Member for Gosford, Ms Liesl Tesch MP featured as a guest judge and got to sample the delicious dishes and had the difficult task of determining the best cooked dish.

Judges had to consider three elements when assessing the students' dishes: flavour of the dish, the technique that went into making the dish, and the overall finished presentation.

Ms Tesch found it a challenging process with all dishes prepared spectacularly and tasted sublime.

"The students had created such delicious meals and desserts that I had to remind myself that they were made by primary school students. My favourite dish was the cherry-ripe chocolate brownies but this just narrowly beat the potato bake".

"It was great to see students learning such important life skills at school and being shown the steps to create their own meals instead of relying on pre-made or nutrient-low frozen meals."

Coordinating teacher, Ms Lina Williamson, spoke about the hard work and determination that students put in to create their dishes.

"Students work in teams to create their dishes so a lot of 21st century skills like problem-solving, collaboration and effective communication are demonstrated by the students".

"At the end of the day, it is about getting students excited about cooking and having fun in the kitchen, we want our students to know how to cook meals that are healthy and nutritious."

Woy Woy Public School is a participating school in the Stephanie Alexander Kitchen Garden Program which educates students about positive food habits, through fun and hands-on learning.

Students are taught how to grow vegetables and fruits in the school garden and approaches to maintaining and harvesting produce.

Students from years 3-6 are then given the opportunity to cook, using the produce that has been grown in the school garden over the last six years, to create and prepare healthy and nutritious meals.

A Wolf's Tale

Snow White encounters the Wolf...

Will it be ok?

Will she need protection from the dwarfs?

Does Cinderella meet the wolf? Does she dance with the wolf?

Is the wolf mean and evil or just misunderstood?

Will Belle fall in love with the Beast, or is the Beast really a wolf?

Will the wolf blow down the three pigs' houses, or are there really four little pigs?

Wolves and pigs together?! Is this a recipe for disaster?

You be the judge.

Will Little Red Riding Hood make it to granny's house? Will the wolf help her?

Come and see how this tale unfolds as the children act, sing and dance their way through this wacky production.

You may be confused but you will surely be entertained!!

Other times when you must not stop

You must not stop your vehicle (that is, bring it to a stop and either stay with the vehicle or leave it parked) in the following circumstances:

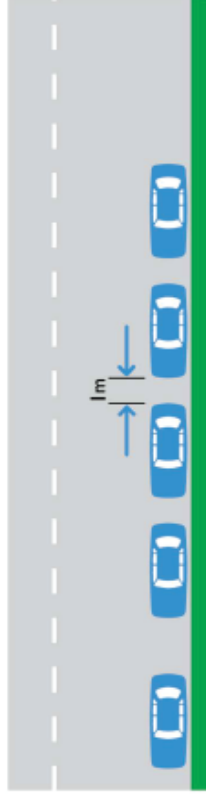

- ❑ Double parked (that is in the road alongside a car that is parked)
- ❑ Across a driveway or footpath
- ❑ On a median strip or traffic island
- ❑ On footpaths and nature strips
- ❑ On or within 20 metres before and 10 metres after a children's crossing or pedestrian crossing

- ❑ Within an intersection
- ❑ Within 10 metres of an intersecting road at an intersection without traffic lights unless signposted otherwise

- ❑ In Bus Stop, Bus Zone, Taxi Stand or Taxi Zone signed areas
- ❑ At least one metre from any other parked vehicle, close as possible and parallel to the kerb, and facing the same direction as the traffic lane

- ❑ Within three metres of any double centre lines
- ❑ Within 20 metres before and 10 metres after a bus stop

Adherence to signposting, linemarking and road rules around your school will assist in providing a safe environment for the school community and residents.

Traffic and Parking around your School

Parking rules are designed to stop vehicles from parking where it would be dangerous or inconvenient for others. Please consider the residents when parking in streets surrounding your school.

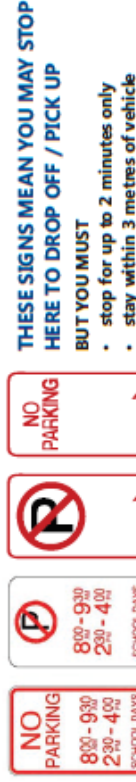

- ❑ **A School Zone** is the area around a school with a speed limit of 40 km/h. Between the School Zone and End School Zone signs you must obey the school zone speed limit. The school zone speed limit only applies on gazetted school days and during the times shown on the sign.

- ❑ **School Bus lights** – buses use signs and orange flashing 'wigwag' lights to warn motorists and pedestrians that they are picking up or setting down school children. The lights begin to flash when the bus stops and the doors are opened. They keep flashing for about 30 seconds after the doors close and continue even after the bus moves off. You must not drive past the bus in the same direction at more than 40 km/h while the 'wigwag' lights are flashing as there may be children crossing or about to cross the road.

- ❑ **A No Parking Zone** means that you must not stop for more than two minutes. You must remain in or within three metres of the vehicle. No Parking Zones are suitable for dropping off and picking up.

**THESE SIGNS MEAN YOU MAY STOP
HERE TO DROP OFF / PICK UP
BUT YOU MUST**

- stop for up to 2 minutes only
- stay within 3 metres of vehicle

Kids look to you to keep them safe - please park legally in school zones
HEAVY FINES AND DEMERIT POINTS APPLY

- ❑ **A Bus Zone** means that the area is restricted for bus use only. If hours of operation are shown, the restriction only applies to this time. You may use this area outside of these times.

- ❑ **A No Stopping Zone** means no stopping at any time.

Red Cross wants everyone in our school community to be prepared for any emergency, large or small. It has been an early start to the summer disaster season, but there are simple ways your family can be prepared.

Three simple tools to help your family get prepared:

1. Create an emergency plan
2. Download the 'Get Prepared' app
3. Prepare your emergency survival kit

You can't always prevent an emergency, but by being prepared families can reduce their stress and cope better afterwards.

While other agencies fight the fires and clean up the streets, Red Cross looks after the people. We care about families and want everyone to stay safe.

Thank you for helping keep your school community safer.

The banner features a green background. On the left is a graphic of a human head profile in orange, filled with various colorful icons representing different fields of study like science, art, and sports. To the right of this is a large blue rectangle with a black border containing the text 'Central Coast Gifted and Talented Camp, 2019' in white. Below the blue rectangle, the dates '9 am Tuesday 24th September to 1pm Friday 27th September 2019' are written in black. On the far right, the location 'Point Wolstoncroft Sport and Recreation Centre, Gwandalan.' is written in black.
