From the Principal

Term 3 Week 8

The Spring weather has arrived and our days are getting sunnier and warmer. Just a timely reminder about lost school property items and about the need for hats to be at schools so they can be worn on the outdoors playing areas at all times.

Our school has been very busy with extra educational programs running over the last 2 weeks. Excursions, special book week celebrations, the MasterChef style cooking competition, senior and junior sport Gala days, parent information sessions and open classroom visits for Kindergarten 2020, International Competitions and Assessments for Schools, and the Father's Day Breakfast have given our students wonderful opportunities and experiences, and our parent community important information and community contact to support their children's educational journeys.

Staff changes for the end of Term 3

Mrs Bianca Sozomenou is on leave this week with Mrs Shelly Morgan continuing the learning program for 1S. Mrs Michelle Williams will be on leave in Week 9 and 10 with Mrs Calindy Miller on K/1W. Mrs Michelle Young will relieve as Assistant Principal for Stage 1. Mrs Louise Rayner will be on leave in Week 10 with Miss Tanya Busch continuing the program for 5/6R. Mr Paul Betts will relieve as Assistant Principal for Stage 3. All classes will be well supported.

Jenolan Caves Excursion

Year 4 had a very exciting time on their recent excursion through the Blue Mountains, onto the Jenolan caves and then Bathurst for the night. For some it was the first time they had spent a night away from home. Mrs Mills kept everyone informed through Facebook and class dojo, which our parents and carers really appreciated. There were some very tired children on their return home but their happy faces expressed what a great time they had. The extra curriculum experience of this excursion presents a most worthwhile learning opportunity for all our Year 4 students. Thank you to the Stage 2 teachers for giving up your family time to make this excursion happen, to our parents and carers for preparing the children well for their time away and to our Year 4 students who made our school proud with their impeccable behaviour. Well done everyone!

ICAS starts

This week saw the first International Competitions and Assessments for Schools start. A number of our students sat the writing component of these assessments which is now the only paper and pen type assessment. The rest of the assessments are now done online.

The International Competitions and Assessments for Schools, or ICAS for short, is an independent, skills-based assessment program. ICAS recognises and rewards student achievement in areas such as English, Maths, Science, Spelling, Writing and Digital Technologies. The series of tests are designed to match and test skills that are learned in the school classroom. We have students enrolled to do all components of the assessments this year.

These tests are updated annually to ensure that they accurately measure levels of understanding and capabilities in different subject areas. The tests are reviewed by experienced teachers to ensure that accurate assessment of students' skills and relevance to classroom topics. Students in over 20 countries including Australia, New Zealand, Hong Kong, India, Malaysia, Singapore, South Africa and the United States participate in ICAS each year. We wish our students well who are participating in ICAS this year.

Kindergarten 2020 Session for Parents and Carers

On Tuesday 3rd September a parent/carers information evening was held. A large number of parents and carers attended our Kindergarten 2020 evening session. This year we held the session in one of our Kindergarten classrooms so parents and carers could get a bird's eye view of the type of learning environment their child would be in next year. It was a very successful information session and it was very pleasing to have so many positive comments about the night. A big thank you to Mr Matt Wolski and the Early Stage 1 team for their organisation around the evening.

Father's Day Breakfast

It was so lovely to see our dads and significant males in our families turn out for our annual Father's Day Breakfast. We had to postpone this event and run it a week later due to nasty weather but it was still hugely successful. Our students certainly love to show their school off to their dads and significant males in their families. Everyone enjoyed the yummy bacon and egg rolls as well.

School Sporting events and Parent Code of Conduct

Our school sport teams often attend other sporting grounds to play against teams from other schools under our Primary Schools Sport Association program (PSSA). This is a program run throughout NSW for all public schools. Whenever our students are attending sporting events they are under the care of the teachers accompanying them and the umbrella of the school's wellbeing policy. Parents and carers who attend these sporting events to watch their children compete are required to keep to the guidelines of the school policies, especially the Parent and Carer Code of Conduct which extends to all venues where students are under the supervision of the school. It has been reported at a recent sporting venue where students were competing as a team with other schools that the behaviour of a parent/carers was less than desirable in front of the teacher, students and other persons watching the game. This is a timely reminder to make sure we all understand how important it is to abide by the Parent and Carer Code of Conduct. It is extremely important we make sure our students are safe and feel secure at all times, especially when they are outside of school representing at sporting events.

Planning for 2020 and into the future is exciting

We are looking at a more innovative school structure for 2020 to connect more with the way our children are today and the way they learn. A planning day was held on Tuesday 10th September with school executive and teachers who had ideas and suggestions to put forward. Staff questions and concerns were discussed. There is an agreeance with staff to move forward and move toward a slightly different approach. Preschool to Year 2 will be implementing a more play-based learning program that will enhance our already very sound Literacy and Numeracy teaching program.

The Preschool, the Early Intervention class and Kindergarten will work closely together streamlining transition for children from our very play-based centred Early Childhood settings into the semi- formal environment of Kindergarten where Literacy and Numeracy become more conceptual and focused. We don't want to lose the natural inquisitiveness of children but aim to continue to give them rich play-based experiences where they use their creative and critical thinking skills to discover for themselves. In the last newsletter there was some information around play-based learning environments. There is a huge amount of information available about this online. Google Kinma Public School and see what they are doing.

Our Stage 2 and 3 will embed AVID strategies across the curriculum, while at the same time incorporating opportunities for discovery learning. Students will still be placed in class groupings which in Stage 2 and 3 is 3/4's and 5/6's. Teachers will be allocated to these class groups and they will be known as class groups for roll marking purposes for school administration. However they can be called a name of their choice as a group of children, decided by the students themselves. English will remain as static class time with explicit teaching taking place within classrooms during these timetabled times by their allocated teacher. Maths for Stage 2 and 3 has already been rotational to be able to teach to the abilities and needs of the students. The students are used to moving classrooms at that time to go to another teacher.

After recess time later in the school day rotational groups will occur for the students in their class groups. Here the teachers will become experts of their chosen subject and the students will rotate around 4 given areas. The rotational areas will include Humanities (History, Geography, Environmental educational and Aboriginal and Multicultural protectives), Stem (Science, Technology, Design and Engineering), Creative Arts (Visual Arts, Dance, Drama and Music) and Personal Development/Health/Physical Education. The Stephanie Alexander Kitchen Garden program will be embedded into two days of the week to allow each class to participate and Library will become more of a connection to classroom learning in English. Teachers will be using their expertise in rotational areas and because they are more confident in teaching in a particular area, their passion will engage the students more. We are not all equipped to teach music for example. All students will follow the AVID strategies of daily goal-setting, keeping diaries and timetables, and maintaining set equipment, and then at the end of each day doing a reflection time on their day of learning. Fridays will be the day for all excursions, sport, assemblies and celebrations where possible.

There will be four break times instead of three. There will be fruit break, lunch (it will be shorter and we hope this will lead to a more calm playground), a gross motor movement and drink break and then recess. The emphasis will be on quality teaching and connecting to our students of today while building on their strengths to be creative and critical thinkers. Planning days to program curriculum areas and design diaries and reflection methods are set in for next term. Teachers will be engaging in professional learning around play-based learning, AVID and Quality Teaching as well. We are hoping to purchase more furniture to make our classrooms move more in line with the futuristic learning spaces recognised as best practice for our students of today and tomorrow. Take some time and look up the **Lindfield Learning Village**. This is a new futuristic school being built in Sydney that will start up in 2020. What an amazing learning environment this will be for 21st century children. This is the way of education in the future.

We are excited here at Woy Woy Public School to start our journey to connect more with our students of today.

Have a sunny and happy fortnight.

Positive Behaviour for Learning (PBL) Weeks 9 & 10

This week all students have been explicitly taught lessons on 'Being Responsible'. During Weeks 9 & 10 teachers will be reinforcing the importance of 'Being Polite'. Students will be encouraged to use nice words, manners and an appropriate tone of voice when speaking to others.

Students who successfully demonstrate the ability to interact positively with their peers will be rewarded with Win Bin tickets and stars on their Star Charts.

Parents and carers are encouraged to discuss PBL expectations with their children. If you have any questions related to the school's PBL program or about student wellbeing policies and practices, please direct them to either myself or Ms Buckley.

MasterChef Style Cooking Competition

Over the last four weeks Years 5 and 6 have participated in the first cooking competition at Woy Woy Public School. We have had over forty students enter. The enthusiasm and quality of food has been outstanding. We have had dishes that range from tasty Japanese curries through to delicious decadent deserts. The heats have now been completed and our Grand Final will be held on Wednesday 18th September. Nine finalists will be competing for the crown title of Woy Woy Chef of the Year. A huge congratulations to all our entries on your superb cooking skills. Mrs Williamson is very proud and delighted at the manner in which the students have conducted themselves throughout this competition.

Please hold the dates for our 'Cook for Your Parents' night which will be held on Tuesday 26th November and Tuesday 6th December.

Lina Williamson Classroom Teacher

Tournament of Minds

Congratulations to the seven students who competed in this year's Tournament of Minds regional finals at Newcastle Grammar School on Saturday 31st August. They presented a dramatic solution to a long term problem and also used their amazing critical and creative thinking skills to solve a spontaneous challenge on the day. Feedback from the judges was very positive and they should all be very proud of their achievements and the commitment they have shown to a highly competitive extra-curricular activity offered by the school. Congratulations Gemma, Dylan, Josh, Cameron, Jazmyn, Lahni and River, you have done your school proud!

Mr Wolski

Cultural Continuum Excursions

On Wednesday in Week 7 our Indigenous Year 6 students visited Umina Beach Public School for their Cultural Continuum Excursion.

Our students enjoyed a morning of learning traditional dance and stories from NAISDA teachers and Mr Rheese Bull.

The following week, our Kindergarten students visited Empire Bay Public School and engaged in lots of fun activities for the morning, including making artwork, playing traditional games and hearing stories. All students had the valuable opportunity to interact with their Indigenous peers from schools in our Learning Community, and build relationships with local Aboriginal leaders.

We would like to thank Umina Beach PS and Empire Bay PS teachers and students for both fantastic days.

Bush Tucker Garden

BUSH TUCKER GARDEN OPENING AND SMOKING CEREMONY

The official opening and smoking ceremony of our new Bush Tucker Garden and Dreaming Trail will be held in Week 10 of Term 3, on Wednesday 25th of September at 2pm. All of our Woy Woy Public School community are welcome.

Indigenous students in Years 3, 4, 5 and 6 will be invited to attend. If your child is not an Indigenous student in Years 3, 4, 5 or 6, and you would like them to be present at the ceremony, please pick up your child from their classroom by 2pm and accompany them to the front garden where you will be responsible for them, as limited teachers will be in attendance.

Looking forward to seeing you there!

Mrs Nebauer

Multicultural Play Group

The Multicultural Play Group has been running on Monday afternoons during Term 3. We meet either in the school hall or near the fixed equipment, depending on the weather. Everyone is welcome! Our time is 2.50pm – 3.30pm every second Monday. This term we have met on even weeks, and our last session will be in Week 10. Once a month, we also bring afternoon tea to share and this is enjoyed by both the children and the adults. It is a very relaxed session for kids of all ages and it is good to see the older and the younger ones playing happily together. Recently, we had an improvised game of indoor soccer in the hall, and at other times the children have enjoyed using a variety of equipment to throw, catch, roll and generally have fun with. In Term 4, we are hoping to start some competitions. The first will involve some 'pick it up' races using chopsticks! There will be a note coming home soon with more information explaining this. As it is an after school activity, parents usually accompany their children and we will ask for numbers before the Term 4 competitions are organized. Stay tuned for more information - lots of fun to be had.

Science and Technology

Woy Woy PS is continuing its commitment to the new Science and Technology Syllabus. Science and Technology is embedded in our classroom practice and includes our students hands-on participation in all aspects of the curriculum.

This term will finish with a range of Science shows for many of our students, while our Stage 3 students will be building their own mini electric vehicles using solar panels and their own circuitry.

In the meantime, look out for the announcement of a special science event in Term 4!

Breakfast Club

Our dedicated staff continue to run a Breakfast Club on Monday, Wednesday and Friday mornings. So far this year we have toasted over 16, 485 slices of bread, used 270kg of margarine, 265 jars of jam and over 30 jars of Vegemite. We are very grateful to Bakers Delight Umina who continue to donate bread each week and we would like to thank our team of volunteers and community members who donate many of the spreadable items we use. Please encourage your child to visit the Breakfast Club when it is operating.

The Breakfast Club volunteers and students of Woy Woy Public School would like to thank Coastal Gourmet 2U fruit shop for their kind donation of fruit. This week our Breakfast Club was able to add to their menu a beautiful selection of fresh fruit consisting of passionfruit, water melon, apples oranges, bananas and pineapple. Your kind donation was appreciated and enjoyed by many.

Thank you from the Breakfast Club Team.

Messages from the Office

Important Parking Message

The staff parking area inside the school gates on both Park Road and Bowden Road is for **Staff Use Only**. Parents dropping off and collecting their children from school, Music Bus or Cubbyhouse BASC are asked to park outside the school grounds and walk their children to and from their car. This is a Department of Education directive.

Office Hours

School phones are manned from 8.30am until 3.15pm. The office window is opened at 8.30am and closed at 3.00pm however office staff are available until 3.15pm. There is a teacher on duty at the bus lines until 3.20pm.

Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day it would be appreciated if you could contact the office prior to 2.00pm to ensure that the message is passed on to your child.

Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be collected from the school office prior to going to your child's classroom. This slip is given to the classroom teacher.

Payment of Money to the School

School fees and activity costs can be paid by credit card via the Woy Woy Public School website (<http://www.woywoy-p.schools.nsw.edu.au/>) using the 'Make a Payment' tab. If you are making a cash payment please place the money in an envelope with the child's name, class and the reason clearly noted. We have cash collection envelopes at the school office for your use. All money is to be given to your child's teacher. When making payments for multiple children, separate money and envelopes for each child is appreciated, as it is very time-consuming to sort out at the time of receipting.

Thank you

Linda Goldsmith – School Administrative Manager

Anne

Hi all,

Wow, September already!

As the end of Term 3 fast approaches I wanted to say thank you to the volunteers who helped out at the Father's Day Stall and in particular Leanne Jobson who, even though doesn't have kids at the school anymore, was able to offer her spare time to ensure our kids didn't miss out.

A thank you also goes out to a local business on the Central Coast, **Coastal Gourmet 2U**. They donated a Fresh Fruit Box valued at \$45 to the school Breakfast Club which is operated by staff volunteers every Monday, Wednesday and Friday from 8.30am at the CA roller door window. We were gifted with an amazing variety of market fresh fruit including yellow watermelon (yes yellow!!), rock melon, apples, mandarins, pears, pineapple and more!! You can check them out at <https://coastalgourmet2u.com.au/> or on FB by searching Coastal Gourmet 2U.

I had mentioned a survey earlier in the year and with the uniform survey going out plus a few things happening within the P&C it hasn't happened and I apologise for that. It will be sent out next week so please keep an eye on the school FB page, App and parents FB page - Parents Of Woy Woy Public School. We will be asking a few questions about past events.

Fundraising Activities

Mark your calendar-the Halloween Disco is Wednesday 30 October 2019

Uniform Shop

Email and cash orders delivered every Friday to your child's classroom.

You can download an order form anytime from the school website under the Our P&C tab.

Uniform Shop opens every 3rd Thursday of the month 8.30am - 9.00am in the CA room (no delivery pickups or returns will be accepted). Our next open shop day is scheduled for Thursday 19th September. We will be reminding the community via apps and FB updates.

For any enquiries, contact our Uniform Shop Coordinator Sarah at wwpsuniforms@outlook.com

School Banking

Thursday is banking day!

Please remind your children to give their books to their teacher as they go into class to ensure they are collected and banked on time.

If you prefer you can meet us at the CA room between 8.40am - 9.00am and we can usually process it then and there.

Any problems or issues, please email the school banking team through the P&C email: wwpspandc@live.com.au

Did you know: Once your child has made 10 deposits they can claim their reward. New rewards are released every term. Once your child has ordered the reward this request is sent through the online system and the prize is sent out within 2 weeks usually. We do not keep prize stock on site. We give out the rewards the week they arrive with us.

Happy Banking!

Next Meeting

The next general meeting will be held **7.00pm - 8:30pm, Wednesday 13 November in the Staff Room, Woy Woy Public School**. We look forward to seeing familiar faces return and welcoming new families to our community. All are welcome to attend.

Membership

The annual P&C membership fee is \$2.00 and this entitles you to participate in the democratic decision making process of the Association. If you are interested, P&C Membership forms for 2019/20 are available from the school or by emailing wwpspandc@live.com.au

Completed forms and membership fees can be placed in a sealed envelope and put in the P&C blue box in the school office, or better still attend a meeting and find out firsthand what is happening within the school. Members do not have to attend every meeting, however your child gets a buzz out of you being involved with the school. Your input and ideas are valued.

Volunteering

You can make a difference! We are always looking for volunteers to assist with services provided by the P&C such as fundraising, school banking and the uniform shop. This is a great way to connect with the school and find out what is happening first hand. If you are interested in contributing in a small way and can spare some time, please contact wwpspandc@live.com.au. As little as half an hour can ease the workload of our dedicated volunteers and your child enjoys you being involved in school activities.

Did you know that while we love to welcome new members to the P&C, you do not need to be a member of the P&C to volunteer at one of our organised events?

From the Music Bus!

Bandslam!

Bandslam is a national festival event for all Music Bus rock bands. Bandslam lets students have fun showing off their talents by performing in front of a real live audience; something each band has been excitedly preparing for each week in their Rock Band lesson on The Music Bus.

The Rock Band at your school will be participating in this amazing event!
For more information visit www.bandslam.com.au

Bandslam is not only the largest national rock band opportunity of its kind in Australia - it is the focus of our Rock Band curriculum throughout the year and provides a fantastic opportunity for students to experience the thrill and excitement of performing in front of a real live audience.

The Music Bus brings music to your school

The Music Bus is the teacher, instruments, curriculum and classroom (the bus!), all in one complete package; and it's now rocking at your school.

Tuition in Keyboard, Ukulele, Singing, Drums, Guitar and Rock Band.

guitar keyboard drums ukulele singing Rockband

only \$18 per week (\$20 for drums)

The Music Bus offers modern and rock-style courses, using well-known songs backing tracks, games, awards and much more to truly engage with students.

"It's so great being at school. They're learning something new each week and the rapport the teacher has with the kids is wonderful."

The simplest way

... to apply sunscreen correctly.

Sunscreen protects against the damaging effects of the sun by reducing the amount of ultraviolet (UV) rays that reach the skin.

Make sunscreen a habit:

- Use SPF 30 or higher, broad spectrum water-resistant sunscreen
- Apply 20 minutes before going outside
- Re-apply every 2 hours (or after any activity that may remove it)

Sunscreen does not block UV radiation and no sunscreen provides 100% protection. Remember to use SunSmart hats, clothing, sunglasses and seek out shade.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au

Hi parents and carers!

We're writing from Camp Quality to let you know that our Primary School Education program has been invited to perform at your child's school.

Camp Quality is Australia's most trusted children's charity. Our purpose is to create the best quality of life for kids living with cancer and their families. At no cost to schools, parents or students- our vivacious and loveable puppets, Kylie, Dean and Melissa visit schools to help support children affected by cancer. The puppets dispel myths and misconceptions that are commonly associated with the illness. Since 1988 our program has visited schools across Australia, sharing an interactive, engaging narrative that explains:

- The ins and outs of cancer
- Why their peer who has undergone treatment may look a little different (due to the side effects of chemotherapy)
- Why it's important to be supportive of their classmate who is either living with cancer or has a diagnosed parent or sibling
- That cancer isn't contagious, so it's ok to play
- The importance of positivity and recognising our own strengths

"it took away the stigma and fear from cancer. As we have a student at our school being treated for leukaemia, it helped the children understand what she is going through and why she has lost her hair. Having an understanding of the disease has certainly increased the empathy in the other children too." - Primary school principal

"the manner in which the show addresses cancer is age appropriate while clearly articulating the facts. it has helped me to be able to talk about cancer in a positive and reassuring manner"- Primary school teacher

Following the performance, students are encouraged to ask questions and share their concerns. While we are able to answer most of their questions and concerns, we provide teachers with resources to supplement the performance and aid classroom discussion. If any concerns arise after the performance, please feel free to contact us.

If you would like more information about the program or would like to see a clip of our puppets in action, please visit www.campquality.org.au/how-we-help/at-school. You're also welcome to contact our puppet team by emailing us at kylie@campquality.org.au or by calling 1300 662 267.

As a not-for-profit charity, all services come at no financial cost to the families we support. Thus, we rely heavily on the generosity of everyday Australians to keep our programs running. To donate, please visit our website.

Need help talking about cancer at home?

The Kids' Guide to Cancer app has been developed to support children age 8-13 who have a parent, sibling, friend or loved one with cancer. Providing them with age appropriate information, the app answers some of the big questions kids have about cancer and gives them ideas on how they might be able to support their loved one. www.campquality.org.au/kidsguidetocancer
