## From the Principal

## Term 4 Week 4

Well here we are four weeks into the last term of the school year. It would seem the weather is being just as unpredictable as the 2020 year we have been having. Hot one day, raining and cold the next. A little reminder about naming items of clothing as students discard jackets on days when the weather starts off cold and heats up. Hats seem to be a problem too. Name tagging definitely helps us find the owners of missing items. There is a huge amount of good uniform clothing items in lost property at present. One of our P&C members have volunteered to check through this and sort out and return items with names but please encourage your child to look through lost property as well.

Time is moving quickly and are already well into writing Semester 2 reports for our students and planning end of year presentations and activities. New COVID-19 updates have been released from the Department of Education for schools and some restrictions have been relaxed around end of year planned activities. A positive outcome for everyone, but still we must be ever mindful of COVID safe requirements. Please find information on these updates with this newsletter.

### Thanks for your input!

We had our best response rate in recent memory, by some considerable margin, when we asked parents to complete this year's Tell Them From Me surveys. A huge thank you goes out to the 70 parents who took the time to take the survey. We're collecting and analysing the data obtained and compiling reports based on the responses we obtained. The feedback you've given us will be instrumental in helping us to identify emerging issues and plan for improvement when writing the school's Strategic Improvement Plan for 2021 – 2024.

### Sharing our expertise in Play-based Learning

On Wednesday 4<sup>th</sup> November we hosted a visit of Early Stage 1 teachers from Tacoma Public School. After featuring on the State wide Staffroom with a presentation about our play based pedagogy, we have had a number of schools booking in visits to come and see first-hand how we run our program. This showcasing of what we do is a great promotion for our school. Thank you to Michelle Young, Michelle Williams, the Preschool team and teachers across K-2 for your committed and dedicated work around this very innovative approach to improving learning outcomes for our children.

### Have you enrolled your child for Preschool or Kindergarten 2021?

With Kindergarten transition about to begin it is a timely reminder to make sure your child is enrolled. Children cannot be part of the transition program unless they have approached the school and filed an enrolment form. Children are eligible to start Kindergarten in 2021 if they turn 5 before the 31<sup>st</sup> July that year. Please feel welcome to have a conversation with our staff if you are unsure about your child's readiness to start school.

Preschool children need to be in the year before school and must have turned 4 before July 31<sup>st</sup>, 2021. There are limited places available now in our Preschool for 2021 so please contact the school for more information.

### **Preschool and Kindergarten information evening**

An information session for parents of Preschool and Kindergarten children enrolling for 2021 has been arranged for Thursday 26<sup>th</sup> November. A COVID Safe venue has been booked where all COVID Safe practices will be in place. The evening will be held at Everglades Club on Dunban Road Woy Woy. The Preschool information session will run from 5:30pm to 6:15pm. Information will be shared about our preschool and what your child will experience in their preschool year. At the end of this session, the venue will be cleaned and made ready for the Kindergarten parents and carers information session starting at 6:30, and going to approximately 7:15pm. Information will be shared on what your child will experience in Kindergarten, school routines and rules, equipment and other requirements, and ways in which you can support your child during their Kindergarten year. How exciting to welcome another group of families to our school as your children start their educational journey at Guliyali Preschool and Woy Woy Public School.

### **Year 5 Zoo Snooze excursion deposit refunds**

All parents who paid the deposit for the Year 5 Zoo Snooze excursion will be refunded this money over the next few weeks. Forms for parents to complete sign and send back to school are being sent out next week. Once they are returned the process to refund the money by paying back into personal bank accounts will begin. Thank you for your patience with this as we all waited to see what may have been possible in COVID conditions.

### **Repeat message for a reminder: 2021 School Structure**

It is that time of year again when our school starts forward planning for the school structure for the next year. How we structure classes for 2021 will depend on the total number of students enrolled for 2021, the staffing entitlement the Department of Education allocates and numbers in each grade year. As always teachers are in the best professional position to make the decision about where a child should be placed for the optimum possible benefit of their educational progress. We know that children grow and change as they progress through school. They change socially and their associations with other children change. Academically they may need support or challenge. As always it is important to remember that students are placed in classes to enhance their learning opportunities with sound teacher professional knowledge backed up with assessment, work task results and classroom teacher observation expertise on the educational, social and emotional growth of a child. We do welcome your input in this process if you believe there are extenuating circumstances that need to be considered when placing your child in a class for 2021. If you would like the opportunity to have these extenuating circumstances considered, please put your concerns in writing and address the correspondence to the Principal. Please always remember this process is totally confidential. All these requests will be taken into consideration but we cannot guarantee that it will be possible to fulfil these requests, as numbers, teachers available and professional educational judgement will determine the final outcome. Please ensure we have all of these concerns by the **20<sup>th</sup> November 2020**. Classes will be formed at the end of the year for 2021 but as always may not be set until the beginning of 2021 when numbers of students on seats become apparent. Thank you for your continued support with this annual process.

# Positive Behaviour for Learning (PBL) Weeks 3 & 4

Positive Behaviour for Learning (PBL) is a whole-school framework that promotes positive behaviour across our school. Every five weeks a team of teachers including the school Principal, executive staff and representatives from each stage analyse our school behavioural data. The results of this analysis leads our whole school implementation of Positive Behaviour for Learning.

This fortnight teachers have been talking to students about how to 'Be Proud' especially when representing the school in the community. Lessons have had a focus on being proud of our school by wearing the appropriate school uniform.

Research tells us that the effectiveness of wellbeing programs are increased when schools and families work together. Holding conversations with your child/children about the fortnightly whole school PBL message will ensure that they have a good understanding of the school expectations and provide them with added strategies to demonstrate positive behaviours. The focus for the next fortnight will be "Be Responsible" when using devices.

If you have any questions regarding Positive Behaviour for Learning please contact the school.

# New Online Enrolment System

Online enrolment for new students is now available at our school! If your child lives within the local area and is an Australian or New Zealand citizen and wishes to enrol at our school, you can enrol them through our school website under the 'Enrolment' tab.

The Online Enrolment System is designed to provide flexibility for parents to submit an Application to enrol in a NSW Government School online at the time that best suits them. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into **local** schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW

We offer our support and encourage you to complete your application to enrol online. If however, you do not feel comfortable completing an application online, a paper copy will be available for collection from the front office or can be downloaded from the Department's [going to a public school site](#).

If you would like further information please come and see us in the office.

*We are now taking  
Preschool & Kindergarten Enrolments 2021*

## Important Attendance Information

All students should be at school unless:

- they have a medical certificate which states that they are unable to return to school due to an ongoing medical condition
- they are currently unwell.

If your child is unwell, do not send them to school. If they are unwell at school, you or your nominated emergency contact will need to collect them immediately. Please ensure your child's contact details are up to

date. If a student is absent without a medical reason for more than three days, this will be recorded as an unauthorised absence and will be followed up by the school.

If you have any questions regarding your child's attendance at school please call the office on 43413555.

**If anyone in your family returns a positive result, please contact the school immediately and all family members are to isolate for the required length of time.**

\*\*\* A friendly reminder that we are still following the Department's Guidelines regarding COVID-19. If your child displays any COVID-19 symptoms they will be required to have a COVID test prior to returning to school. They will need to stay at home until results have been received and they are feeling well enough.

We do kindly ask that if your child is unwell that you provide our office staff with details of symptoms.

We thank you for your co-operation in this matter \*\*\*

# World Series T-Ball

The Stage 3 children have been learning the rules and skills associated with T-ball during PDHPE lessons during semester 2. As engagement and enjoyment was extremely high across all classes we decided to run our own World Series T-ball. The competition involved 80 students and was played between 8 teams over 7 rounds and the team names were based on World Series Baseball from America.

59 games later we arrive this week at play-offs, a 3 game series to find our (WWPS) World Champions. The Marlins have been the bench mark all season, going through to the decider undefeated. They won't have everything go their way when they face a tenacious Braves outfit who were dominant in their final win over the Red Sox. Who will claim victory? Come week's end the world will know, so stay tuned.

It has been truly wonderful to see these children play with effort, enthusiasm and sportsmanship, both winning & losing with grace and style. It is not really that important who wins, but to see the can do attitude and improvement in physical and fundamental movement skills has been amazing. The comradery and resilience that has been displayed between the teams has made me very proud. Every player can be very proud of their contribution to the tournaments success. Be proud, parents & carers, you have a fantastic group of kids.

It is our role as educators to play an active role in providing opportunities for children to feel safe in the setting they are moving to by helping them understand the process and be comfortable with the change. This week we have supported the children in knowing where and how to purchase something from the WWPS Snack Shack. Prior to visiting the Snack Shack, the children had the opportunity to practice the necessary skills of lining up, asking for what they would like in a big clear voice, and using their manners in the preschool environment, where we transformed the dramatic play space from a kitchen to a faux canteen/café.

"Transitions... Different places and spaces have their own purposes, expectations and ways of doing things. Building on children's prior and current experiences helps them feel secure, confident and connected to familiar people, places, events and understandings" (DEEWR, 2009, p.19).

Our preschool children have taken full advantage of the spring weather planting an assortment of fruits, vegetables and flowers in our garden. The children have been sowing seeds, planting seedlings, ensuring the beds are topped up with water and pulling weeds when needed. We plan on harvesting some of the foods before the end of term so the children can reap the rewards of all of their efforts in the garden. The project has been a wonderful learning opportunity for the children to learn about using authentic tools in the garden, trial and test out new ways of growing things, sustainability when using rainwater to water the gardens and promoting healthy food options. We are hoping our garden attracts some buzzing bees as this has been a huge topic of interest in the preschool as well. Fingers crossed!

## Chaplain's Corner

Hi students,

My challenge for you this week is to get creative. Try and do something that is a little out of the ordinary for you. Being creative can help to relieve stress and boredom and it also helps us to feel happier! Why not give some of the following ideas a try!

- Play charades
- Play a board game
- Make a fort with chairs and sheets
- Make sock puppets
- Bake cookies or a cake
- Write a story
- Paint a picture
- Make instruments
- Cut out paper snowflakes
- Make macaroni necklaces
- Make a card for a friend
- Create your own puzzle
- Play minute to win it
- Make your own happiness box
- Make your own stress ball

Congratulations to our winners of the Book Week 2020 colouring and illustration competitions!

## Presentation Day 2020 – Monday 7<sup>th</sup> December

This year Presentation Day will look a little bit different. The 2020 Presentation Day will be held at school, but unfortunately due to Covid-19 restrictions put in place by the NSW Department of Education, parents will not be able to attend. We will be running Stage based assembly for students to receive their awards and medals.

Further information will be released once available.

## Christmas Gift Donations

We are collecting donations of new unwrapped gifts for disadvantaged families in our community which are collected and distributed by St Vincent de Paul. Please place your donations into the Christmas bin located in the school office.

Your kind donation is very much appreciated.

# Messages from the Office

## IMPORTANT INFORMATION

**\*\*\*\* Unless your enquiry is a matter of urgency please restrict entry into our office area \*\*\*\***

### Office Hours

School phones are manned from 8.30am until 3.15pm. The office window is opened at 8.30am and closed at 3.00pm however office staff are available until 3.15pm. There is a teacher on duty at the bus lines until 3.20pm.

### Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day it would be appreciated if you could contact the office prior to 2.00pm to ensure that the message is passed on to your child.

### Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is [woywoy-p.school@det.nsw.edu.au](mailto:woywoy-p.school@det.nsw.edu.au).

### Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

### Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be collected from the school office prior to going to your child's classroom. This slip is given to the classroom teacher.

### Payment of Money to the School

School fees and activity costs can be paid by credit card via the Woy Woy Public School website (<http://www.woywoy-p.schools.nsw.edu.au/>) using the 'Make a Payment' tab.

**\*\*\*\*\* EFTPOS IS NOW AVAILABLE IN OUR OFFICE \*\*\*\*\***

Understandably, our preferred method of payment for any school costs is contactless.

Payments for any school fees or activities can be made either by credit card via the Woy Woy Public School Website (<http://www.woywoy-p.schools.nsw.edu.au/>) using the 'Make a Payment' tab or for your convenience we have also installed an EFTPOS facility at the front office.

Should it be necessary for payment to be made using cash, monies should be placed in an envelope with your child's name, class and reason clearly noted. If payment is for multiple children, each must have their own envelope.

Thank you for your support in this matter.

## ACTIVE & ENGAGING OUT OF SCHOOL HOURS CARE

# Welcome to CUBBYOOSH at Woy Woy

We understand that finding the best care for your child is a big deal. Our team of passionate and nurturing educators are here to ensure your child receives high quality, active and engaging care, in a warm and supporting environment. For ease and convenience, our centre is located on-site at your child's school. We also offer various flexible attendance options including morning-only, afternoon-only, or both morning and afternoon, as well as permanent and casual bookings. We also offer Vacation Care across Sydney. We look forward to welcoming your child to CubbyOOSH!

## WHY CHOOSE US?

### NUTRITIOUS FOOD:

Locally sourced nutritious breakfast and afternoon tea is served daily, with fresh fruit and water available at all times.

### AMAZING EDUCATORS:

Our educators are highly qualified and trained to provide your child with a caring, safe and engaging environment. All educators have current and verified Working with Children Checks and First Aid qualifications (including asthma and anaphylaxis).

### ACTIVE AND ENGAGING PROGRAM:

Our program is designed around four tiers to ensure inclusive, active and engaging activities and resources for all - Extra-Curricular, Homework Club and/or Educational Resources, Activity Stations, and Free Choice Open Play.

### KINDERGARTEN TRANSITION:

We employ a range of strategies to ensure kindergarten students transition smoothly into before and after school care. We collect from / drop off to classrooms, provide bag tags detailing the OOSH sessions is scheduled to attend, and monitor how they settle in their first year.

### EXTRA-CURRICULAR ACTIVITIES:

Our services offer a variety of extra-curricular activities every term, from Brick Masters, to STEM Superstars, to the Cubby Cookoff Challenge and more! All extra-curricular activities are held on-site and are at **NO additional** cost to families.

### SAFETY:

Our safety policies include physical site security audits and processes, regular roll-calls and headcounts, and strict adherence to student to staff ratio requirements. Our team are experts in child safety and supervision.

# School Travel for 2021

## 2021 school travel applications are now open

Applications for student travel in 2021 opened from Monday 12 October 2020.

Students who require a School Opal card or travel pass for 2021 can now [apply](#) online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [re-apply](#) or [update their details](#).

\*Applications must be completed by the student's parent or legal guardian if the student is aged under 18 years. Students 18 years and over must complete the application form themselves.

Where there is a change of distance eligibility, based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

If a student needs to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2020 to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31 December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2021.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note:** some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.

## New Concession Entitlement Cards

Transport for NSW will be replacing the below cards with Transport Concession Entitlement Cards (TCEC) from October 2020:

- Senior Secondary Student Concession Card (16 years and over) – also used by Mature Secondary Students (18 years and over), Distance Education Students and Home School Students
- Proof of Age card (when a student under 16 years of age looks older)
- Boarder Rail Pass.

All previous cards will be valid until they expire. Students who require a Transport Concession Entitlement Card should speak with their school administration staff.

Enquiries regarding school student travel can be submitted to Transport for NSW at:
