

Edition 75: 20 November 2020

## From the Principal

## Term 4 Week 6

Only four weeks left in the 2020 year but so much to get done. The weather is warming up and we experienced our first very hot day last Monday 16<sup>th</sup> November. Time to remember hats, sunscreen and sun safety.

All of our classes have now had an outdoor bush experience through the Rumbalara Environmental Educational Centre excursions and we are now planning end of year events. All of these experiences being very differently done to any other year. Something that we have all become very use to.

Just a reminder the deadline for any requests to support your child's placement next year in 2021 was this Friday 20<sup>th</sup> November 2020. Thank you to the parents and carers who have already submitted a written request. As always these requests will be taken into consideration when setting the school class structures for 2021 later this term.

### 2020 Newcastle Permanent Primary School Mathematics Competition

We are so proud of our students who have achieved high scores in the Mathematics competition. In Year 5 - 8,693 students took the test. Lucia Jian and Leo Omura in Year 4 received a high distinction after sitting the Year 5 test. How amazing!

In Year 6 - 17,450 students took the test. Kailin McDougall in Year 6 received a high distinction. Wow, well done! Congratulations to these students.

### Whalan Public School visit

On Tuesday 17<sup>th</sup> November we hosted a visit from Whalan Public School. Members of their school staff visited to learn about how we have introduced the play based pedagogy through from Preschool to Year 2. We were proud to be able to promote what we are doing here at Woy Woy Public School and more than happy to contribute to the professional development of other school staff and learn from them as well. A big thank you to Michelle Young for her organisation and hard work around this inter-school visit.

### Kindergarten Transition

Great to see all of the new little Kindergarten children for 2021 beginning the transition program. Some of them from our own preschool know our school very well and are able to help other children who are new to our school feel at home quickly. We have a COVID safe plan around our transition program and we are making sure our new 2021 Kindergarten children get to know and feel safe here at our school so starting big school next year will be a happy experience.

### Year 6 visit Umina Campus

So good to have been able to go ahead with our year 6 transition visit at Umina Campus. Year 6 visited the Umina Campus as part of their transition to High School on Thursday 19<sup>th</sup> November.

Year 6 enjoyed their visit and were able to source out the layout of the Campus, see some classrooms and meet some of the teachers. Last Thursday on the 12<sup>th</sup> November, year 6 were able to meet the Principals of Brisbane Water Secondary College when they came to our school for a meet and greet visit.

There is such a short time left here now at Woy Woy Public School for them. Just 4 more weeks. When they walk past you in the school grounds you note how much they have grown up, grown taller and more confident and yes you know they are ready for High School but it is sad to see them go, as you remember all the years they have been here. Some of our Year 6 students started with us in Preschool.

There is a lot of excitement coming up for them with end of year activities and we have certainly enjoyed their company over these last few weeks.

### **Year 6 Farewell**

The Year 6 Farewell will go ahead at the Everglades Club on Wednesday evening 9<sup>th</sup> December 2020 between 6:00pm and 8:30pm. The club has a strict COVID plan in place for our event and our Year 6 students will experience everything that all previous Year 6 students have had with the exception of parents and carers attending for the final graduation handouts. At present Year 6 teachers are busy making special placemats for the occasion and putting plans into place for the Farewell evening. Further information will be shared with Year 6 parents and carers as plans advance.

### **Presentation Day**

Another COVID safe planned event that will see no parents or carers attending and presentations will be done in stage groups. We plan to do a photo book keep safe for every child that receives an award. The celebration committee are making sure it will be a very special event for all children involved and that they are all well acknowledged for their efforts.

### **Situational Analysis**

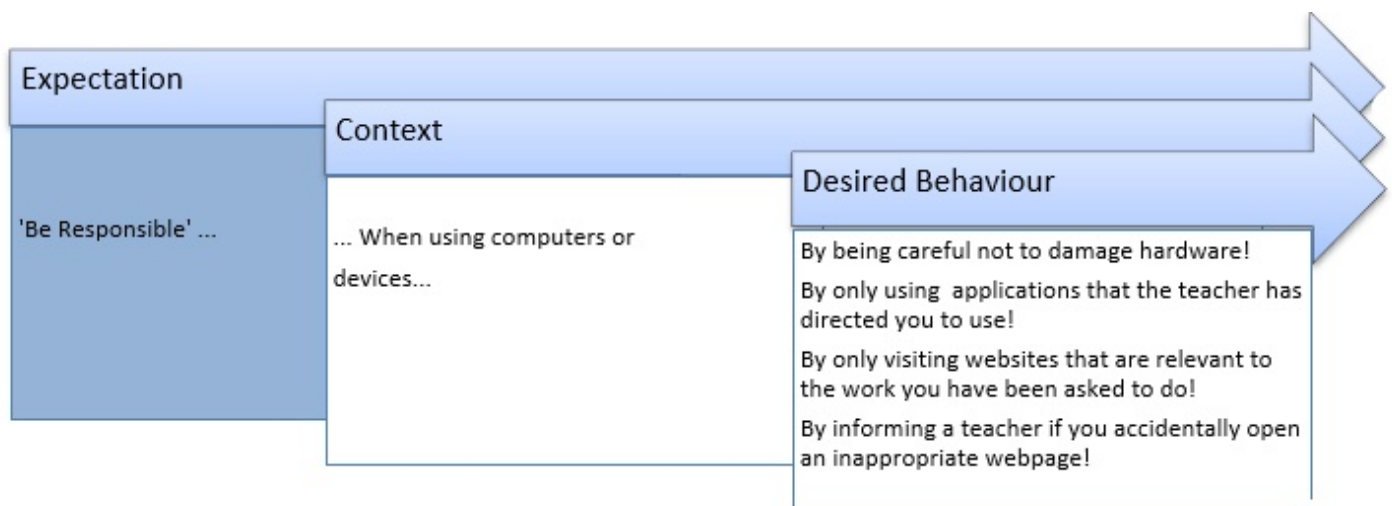

We have gathered very worthwhile information about our school over the last few weeks and are now ready to put it all together to see where our focus of improvement will be needed over the next 4 years. We thank you for your valued input and look forward to working with you as our school community to design a School Improvement Plan to move us forward from 2021 to 2024.

### **End of Year class parties**

Once again these events will be done in a COVID safe way but we will attempt to keep them as normal and fun as we can. At present Kindergarten will be having a pizza party and movie here at school. Year 1 and 2 will have a morning at the Peninsula Leisure Centres new splash pool area with a picnic on the grounds. Years 3 and 4 will do the same and Years 5 and 6 will have a movie day. Notes with further details will be going out to families over the next week. So look out for those so no one misses out. After the year we have all had our children deserve a bit of end of year fun.

Have a sunny and happy fortnight.

Ona Buckley and Dan Betts  
Principals

This fortnight teachers have been talking to students about how to 'Be Responsible' especially when they are using computers and devices. Lessons have had a focus on how to use hardware carefully and safely by only visiting sites that are age appropriate. Teachers have been leading students in discussions around the appropriate use of social media especially communication sites such as Tik-Tok and FB. Our focus for the new fortnight will be "Be Proud" by keeping our school clean and remembering to place rubbish in the bins provided.

Smiling Mind is a mindfulness program developed by a team of psychologists and educators to help manage stress, resilience, anxiety and improve general health and wellbeing. Smiling Mind is now considered to be one of the world's leaders in the pre-emptive mental health space and Australia's go-to expert for youth-based mindfulness. Last year a team of our teachers implemented the Smiling Mind program into their daily routine with great success and this year with all of the disruptions in the world it has been a go to resource to bring calmness and quietness into students busy lives. Two of our Woy Woy Public School teachers are currently training to be facilitators of the program and we will continue to extend the program into more classrooms in 2021. If you feel that adding some mindfulness to your daily routine could benefit you the app is free to download and there are many activities to support families with their busy lives.

If you have any questions surrounding our school's PBL implementation or the Smiling Mind program please contact the office to make an appointment.

Have a great week

All students had a great week celebrating NAIDOC Week 2020 in a range of fun experiences. Although, due to COVID-19 restrictions, we were unable to have our treasured Mingaletta Aunties and other knowledgeable and valued community members with us this year, all students still had wonderful opportunities to learn about Aboriginal and Torres Strait Islander culture.

Some experiences our students have participated in over the week include; Stage 2 rock art, classroom Aboriginal flag art, Bush Tucker Garden Tours and Tastings, Stage 3 mock 1967 referendum lessons, Aboriginal symbol art, classroom Aboriginal visual arts, Aboriginal history writing and Preschool art, small-world play and weaving.

Our NAIDOC Week Art Competition was a huge success, with all students participating and learning about the story behind the artwork for this year's NAIDOC poster.

Congratulations to our class winners who received Koori Kids stationary and a Reconciliation pin, and to our major Stage winners who received Koori Kids stationary and an Aboriginal art skate helmet.

### CLASS WINNERS:

- **Kindy** – KY Joseph, KW Ryan, KB Mackenzie
- **Stage 1** – 1C Summer, 1S Beau, 2E Sofia, 2MB Bryce

- **Stage 2** – Prydi 3/4M
- **Stage 3** – Jacinta 3/4RC

A special thank you to the MINGALETTA Aunties for staying connected with our school community through COVID-19 restrictions. All classes watched a video they made talking about their thoughts on this year's NAIDOC theme; Always Was, Always Will Be.

The Aunties also organised a shared artwork on a large canvas for all students to contribute to over the week. Thank you and well done to all students who added to the artwork at recess and lunch throughout NAIDOC Week.

We hope to have our normal, bigger celebrations again next year.

Mrs Nebauer  
Aboriginal Programs Teacher

To celebrate NAIDOC Week our preschool children created a collaborative art piece which was entered into Peninsula Community Centre NAIDOC Art Competition. Listening to the voices of and suggestions from the children, Mrs Arnot supported them in creating a representation of 'The Bush Tucker Garden' located at the front of WWPS. We were happy to be notified that our artwork was award winning! We received a basket of home-made scones, native fruit jams AND a \$100 gift voucher to purchase resources at The Koori Curriculum. What a wonderful effort from our preschool friends.

Our Preschooler's also took the time to reflect and pay their respects to our fallen soldiers on Remembrance Day. We were even lucky enough to enjoy the beautiful poppies that had flowered in our own garden. The children shared their own knowledge and experiences of Remembrance Day and made poppies using play dough and small loose parts. At 11:00am we sat in silence for 1 minute. The children sat so beautifully and respectfully. As we sat in silence, our K-6 WWPS community were doing the same. Everything was so still we could even hear 'the last post' being played through the schools speaker. *'I could hear the bag pipes'*, Nash said.

Our Pelican group were invited to the WWPS P-2 Athletics Carnival. The children enjoyed a morning of physical activity with their older peers on the big school oval, show casing their gross and fine motor skills and wonderful sportsmanship. Afterwards, they enjoyed a much deserved ice block!

# School Travel for 2021

## 2021 school travel applications are now open

Applications for student travel in 2021 opened from Monday 12 October 2020.

Students who require a School Opal card or travel pass for 2021 can now [apply](#) online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [re-apply](#) or [update their details](#).

\*Applications must be completed by the student's parent or legal guardian if the student is aged under 18 years. Students 18 years and over must complete the application form themselves.

Where there is a change of distance eligibility, based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

If a student needs to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2020 to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31 December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2021.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note:** some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.

## New Concession Entitlement Cards

Transport for NSW will be replacing the below cards with Transport Concession Entitlement Cards (TCEC) from October 2020:

- Senior Secondary Student Concession Card (16 years and over) – also used by Mature Secondary Students (18 years and over), Distance Education Students and Home School Students
- Proof of Age card (when a student under 16 years of age looks older)
- Boarder Rail Pass.

All previous cards will be valid until they expire. Students who require a Transport Concession Entitlement Card should speak with their school administration staff.
