From the Principal

Term 1 Week 4

Our important visitors

On Thursday morning we were privileged to have a visit from Mr **Tim McCallum**, Executive Director of School Performance for the [NSW Department of Education](#) accompanied by Mr **Chris Bice** our Director Educational Leadership for the Brisbane Waters schools.

Mrs Buckley, Mr Betts, our beautiful Aboriginal Elder Aunties Robyn and Elaine and our School Leaders Lara, Cameron, Jasmine and Anwar proudly took our visitors on a tour of our much loved school. We started in our Kindergarten and Stage 1 flexible learning spaces, moved to our impressive Aboriginal Bush Tucker Garden, onto our exceeding Preschool, then to our six Special Needs and the Stage 2 and Stage 3 classrooms followed by The School as Community Centre, onto the Stephanie Alexander Kitchen Gardens and finishing in the Cooking Kitchen for a morning tea prepared by our students. As we visited each area our amazing Assistant Principals and teachers explained what we are doing here at Woy Woy Public School in all of our different and unique settings. Our very supportive P&C proudly gave a letter to Mr McCallum of support for our school, especially mentioning the new innovative changes that are in place this year and beyond.

One of Mr McCallum comments was that he could feel the community spirit, staff cohesion and support from everyone for our very complex school and especially the openness of our school to welcome and work together with our community

It was a very rewarding morning. One that reminds you of our vision here at Woy Woy Public School. "We challenge and support all students to achieve their personal best". We are inclusive of all students' needs and are constantly researching and implementing ways to reach all students to maximise their learning needs and encourage them to always do their best, to give it a go, find a way and to support them to achieve improved results, building towards a secure future.

Settling In

Over the last few weeks our students have been settling into their new classes, new routines and new teachers for 2020. It is fantastic to see how positive our school is and how engaged and happy our students are. Our new little Preschoolers have adjusted to their new environment and are happily engrossed in the interest play based world of our Preschool. They love to play, explore, design, make, experience, interact and discuss what they are doing with each other and their Educators. Such a wonderful way to learn. Our Kindergarten students are loving big school and are already doing their Language, Learning and Literacy lessons (L3) on their way to starting to read. It is most definitely a fun way to learn to read. Teachers on Kindergarten and Stage 1 classes are excited to be starting down the road to introducing more play based learning into the school day for our students. Plans for purchasing more equipment, furniture and learning activities are well on the way. Professional learning is being scheduled in for teachers to visit other schools trialling this new approach and to be able to have experts in this area to come in and work with them. Over the next 2 weeks you will have had the chance to attend information sessions on what is happening for your child in 2020. We are very excited about all the innovative changes we have implemented across our school for 2020. Feedback so far from parents, students and teachers has been extremely positive. Our new four break times spread across the school learning day are working well. Over the last few years we were registering a lot of playground incidents during the longer lunch break. In the first 2 weeks of Term 1 in 2019 a total of 79 playground incidents were recorded. In the same period this year only one very minor incident occurred. Makes for happy students, teachers and parents. We have also noticed students are more engaged during lesson sessions. All very welcome, positive outcomes.

Thank you everyone for your strong support with all that is going forward in 2020.

Ona Buckley

Teacher Professional Learning

In recognition of the fact that quality teaching is the single most influential factor in ensuring our students achieve all that they are capable of and more, Woy Woy Public School has put steps in place to ensure that every teacher has the opportunity to engage with high quality, focused, relevant professional learning that is tailored to their individual needs, while at the same time addressing school priorities. Next Tuesday all teaching staff are participating in a three hour AVID training session delivered by Dr Tracy Worthington (NSW AVID Education Coordinator) and Margaret O'Brien (an experienced AVID teacher from Woy Woy South PS). The following week, Ms McLean will be delivering a professional learning session on using the English as an Additional Language or Dialect (EAL/D) Progressions, with a view to incorporating the progressions into academic reports for EAL/D students. Sue will be joined by Emma Roncari, the EAL/D Teacher Mentor for the Central Coast, as co-presenter for the afternoon. The Wiping Out Waste team will be presenting a professional learning session to our staff later in the term, as follow-up to the waste audit they will conduct at the school in Week 8, and in Week 9 Mr Curran will deliver a 'Big Write & VCOP' training session to staff. (VCOP stands for Vocabulary, Connectives, Openers and Punctuation. Big Write & VCOP is an approach designed to raise the standards of writing across all ages and ability levels in Australasian schools, and we are very excited to be able to introduce the approach to our students).

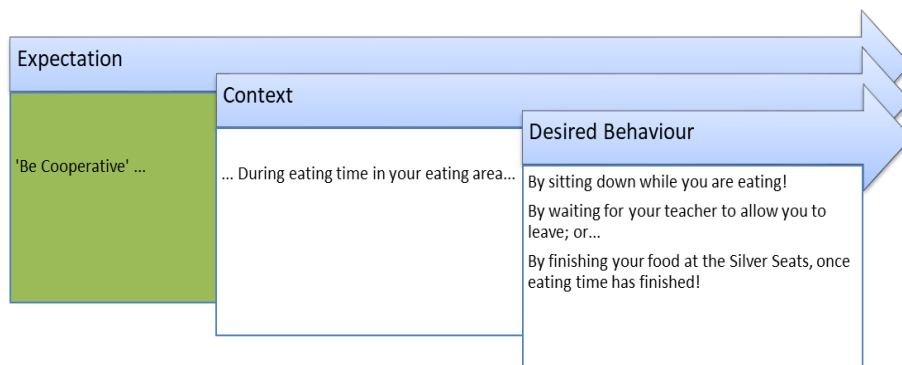

Teacher Professional Learning sessions are scheduled every Tuesday afternoon from 3:10 – 4:30pm. In addition to the sessions outlined above, teachers will attend 'A', 'B' and 'C' Cycle Committee meetings on Tuesday afternoons this term, enabling the Literacy, Numeracy, History & Geography, STEM, PDHPE, Creative Arts, Student Wellbeing, Work Health and Safety, Information and Communications Technology (ICT), and Aboriginal Education teams to meet and plan initiatives to implement for the benefit of our students. All teachers choose which of the 'A', 'B' and 'C' cycle committees is most appropriate to their areas of expertise, and likewise, choose which of our seven Strategic Direction Teams most suits their interests. Strategic Directions Teams meet in Week 8 of this term to review our progress towards fulfilling the goals and milestones set out in our School Plan for 2018 – 2020.

On top of all of this our teachers have been busily completing yearly updates for staff training courses mandated by the NSW Department of Education, including Child Protection Training, Code of Conduct online training and Corruption Prevention for Public Schools eLearning. Our yearly face-to-face CPR training and Recognition and Management of Anaphylaxis (face-to-face) sessions are scheduled for Tuesday, 30th June.

Strategic Direction 1 in our School Plan for 2018 – 2020 lists "... A school culture which is professionally supportive, proactive and strengthens teacher capabilities exists within the school..." as a desired product or outcome. Hopefully, it is evident from the information provided above that the school is striving to deliver on this commitment.

Positive Behaviour for Learning (PBL) Week 3 & 4

Teachers and students have been discussing the importance of 'Being Cooperative' this fortnight. Through explicit lessons and activities we have reinforced the importance of working together to do things the first time. This coming week teachers will continue to talk about 'Being Cooperative' especially during eating times. We will be discussing the importance of sitting down while we eat, waiting for teacher instruction after eating time and the importance of staying in our designated areas until the eating bell has sounded. Woy Woy Public School takes a whole school approach to Positive Behaviour for Learning and your support is always very valued. If you would like any further information on our PBL lessons please feel free to contact the school to make an appointment.

Wellbeing across the school

Student wellbeing is a priority at Woy Woy Public School. Student resilience and wellbeing are essential for both academic and social development, and are optimised by safe, supportive and respectful learning environments. To ensure our students are well equipped to deal with the challenges life can sometimes provide us with we have implemented a number of Wellbeing Programs across the school.

TOP BLOKES

The Top Blokes program has commenced this year for selected Stage 3 boys and is designed to provide a social education program for boys aged between 10-13 years. The attending students will participate in an eight week program where they will develop key social and decision making skills.

SHINE Girl Program

Our School Chaplin, Aimee Campbell, will commence a mentoring program for Stage 3 girls. The SHINE Girl Program is designed to offer girls an opportunity to develop a strong sense of personal identity, confidence and hope. These sessions will run throughout Term 1.

Stronger, Braver, Wiser

In 2020 Woy Woy Public School has been fortunate enough to secure the services of Mr Grant Hickman of 'Focus Body and Soul'. The Stronger, Braver, Wiser program caters for all students K-6 and focusses on developing skills to make positive choices & increasing self-control.

Stage 2 Mentoring through Sports Program

Research shows that there are many ways of assisting students who need help to maximise their learning outcomes. One effective way of doing this is for teachers and other adults to work with students in small groups in coaching or mentoring roles. Last year our Stage 3 students were provided with opportunities to engage in small group sports mentoring sessions with Mr Peter Graham, this year we are offering the same opportunities to our Stage 2 students. Mr Greg Curran and Mr Graham will use sport to provide a context to develop strong relationships and develop leadership skills in our Stage 2 students.

These programs address many of the emerging social and emotional issues that children in our ever changing world face, if you would like any further information on these programs please contact Mrs Michelle Williams.

Investigative & Play Based Learning P-2

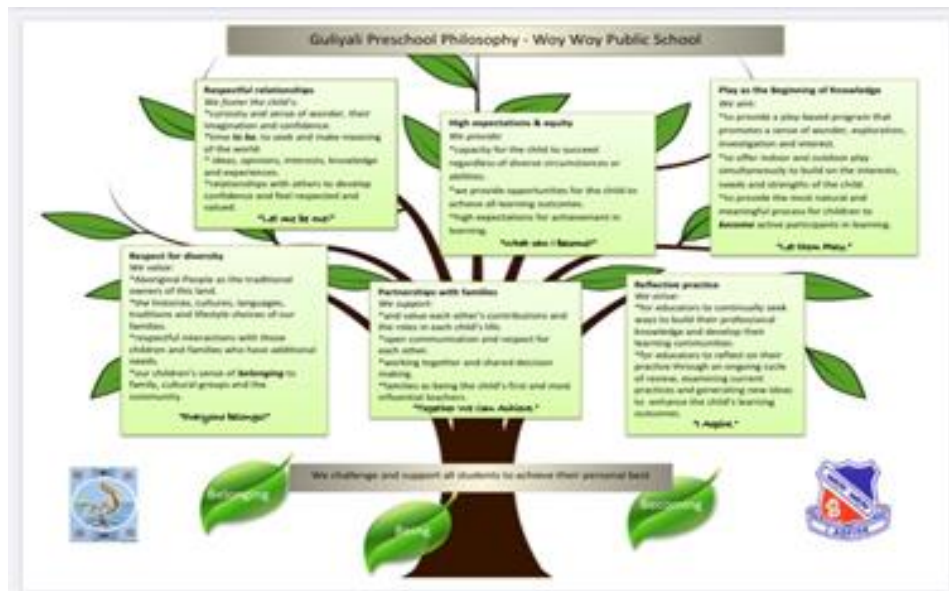

This year the learning spaces for all students Preschool to Year 2 will be play-based learning environments that encourage talking, reading, thinking and writing. Play is a powerful and important activity. It has a natural and positive influence on children's social, physical, emotional and cognitive development. Schools are fantastic places for children to learn through play. Dedicated play spaces assist children to learn how to solve problems, persevere, compromise and cooperate with others. Through play children practise and apply the skills they are taught in the classroom. Our P-2 teachers understand that play-based learning is an important part of a balanced approach, and that alongside more explicit teaching and instruction, it helps to keep every child productive and engaged.

There are a range of play-based activities you can do with your child. For some ideas on how you can play every day, see our [Fun ways to play at home](#).

More information on Investigative & Play Based Learning in our younger years will be offered at parent information sessions throughout the year.

If you have any questions regarding Play Based Learning or your child's education please feel free to contact Mrs Williams.

Guliyali Preschool News

The past two weeks have been jam packed full of fun and further exploration of the environment at Guliyali Preschool. Some changes have been made to several of the spaces to extend the children's strengths and interest but also, much has stayed the same to ensure familiarity and predictability for the children to revisit experiences.

We introduced our acknowledgment of country and spoke about the Aboriginal flag and what it represents. This led to discussions about how we can look after our Earth, animals and each other. We also met the Mingaletta Aunties who will commence weekly cultural visits with us next week.

This week we invited our Kindergarten classes into Guliyali Preschool for afternoon tea and a play. It was so lovely to welcome our former students back into our learning spaces. Regular gatherings such as these will promote connectedness amongst the children within our WWPS community and is a stepping stone in supporting your child in a smooth transition to school.

We received some wonderful donations from Bunnings in Umina Beach that will support our children's learning experiences and offer endless play possibilities. Our community doesn't just lie within the walls of Guliyali Preschool - our wider community play such an important role in the learning and development of our little children as well. THANK YOU BUNNINGS! 🍷🍷🍷🍷🍷

We are continuing to review Guliyali Preschool's philosophy and we would love for you to be a part of this. As a team, we respect the values, beliefs and knowledge of our families and communities and ask that you share with us what you want for your child while they are at Guliyali Preschool. Your contributions will guide the development of our philosophy which is critical in defining the purpose, objective and focus of the children's learning, development and wellbeing.

Please continue to watch this space and checkout our Storypark notifications to stay up to date with all of your Guliyali Preschool news.

Miss Williams & Mrs Arnot (Preschool Educators)

Stephanie Alexander Kitchen Garden

We would like to welcome everyone to the kitchen garden program. As you may be aware we use copious quantities of hand soap, dishwashing liquid, paper towel and tissues. Any donations would be greatly appreciated and readily used.

If any parents/guardians/grandparents would like to volunteer their time to come and help the students during cooking, could you please contact Mrs Williamson on a Monday or Tuesday via the school office.

Mrs Lina Williamson

Scripture and Ethics 2020

Scripture and Ethics lessons are scheduled to begin in week 5 (Wednesday, 26th February). Lessons for students in years 3-6 will be held each Wednesday between 9:00am and 9:30am. Lessons for students in years K-2 will be held each Wednesday between 9:30am and 10:00am.

Combined scripture teaches a general Christian message, Catholic scripture follows the teachings of the Catholic faith, Ethics classes focus on exploring moral issues, and non-scripture is for students whose parents don't wish them to attend any of the offered options. Students will be placed in the same class they attended last year unless parents request an alternate placement in writing. The school is currently able to provide ethics classes for students in Kindergarten and year 1. Notes for expressions of interest in ethics education will be sent home to students in other grades if more volunteer teachers become available. Please contact Mrs Pathirana if further information is required.

Library News

The NSW Premier's Reading Challenge is open for registration on 2nd March. All students in Kindergarten, Year 1, Year 2 and the Special Units will be registered by Mrs Walker. Students in years 3-6 need to log onto the PRC website, using their school username and password to register and add books they have read to complete the challenge. Please visit the NSW Premier's Reading Challenge website for further details about rules and booklists. A full booklist for 2020 is also available in the library.

<https://online.det.nsw.edu.au/prc/home.html>

Parent Information Session Booklets

All stages have now completed their parent information sessions. If you were unable to attend information booklets are available from the office and on the school website.

Messages from the Office

Important Parking Message

The staff parking area inside the school gates on both Park Road and Bowden Road is for **Staff Use Only**. Parents dropping off and collecting their children from school, Music Bus or Cubbyhouse BASC are asked to park outside the school grounds and walk their children to and from their car. This is a Department of Education directive.

Office Hours

School phones are manned from 8.30am until 3.15pm. The office window is opened at 8.30am and closed at 3.00pm however office staff are available until 3.15pm. There is a teacher on duty at the bus lines until 3.20pm.

Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day it would be appreciated if you could contact the office prior to 2.00pm to ensure that the message is passed on to your child.

Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be collected from the school office prior to going to your child's classroom. This slip is given to the classroom teacher.

Payment of Money to the School

School fees and activity costs can be paid by credit card via the Woy Woy Public School website (<http://www.woywoy-p.schools.nsw.edu.au/>) using the 'Make a Payment' tab.

If you are making a cash payment please place the money in an envelope with the child's name, class and the reason clearly noted. We have cash collection envelopes at the school office for your use. All money is to be given to your child's teacher. When making payments for multiple children, separate money and envelopes for each child is appreciated, as it is very time-consuming to sort out at the time of receipting.

Annual Permissions

Please keep a look out for permission booklets going home with all students next week. Booklets will contain all general permissions to be signed and returned to the school.

Thank you

Linda Goldsmith – School Administrative Manager

P&C News

Hi everyone.

I hope all the kids have settled in and are adjusting to new timetables.

If you didn't get a chance to get into the school to see the stage presentation you would have missed a brief chat about P&C. Please keep an eye out for a flyer that we have put together explaining what it's all about.

A reminder we have the AGM coming up in March and I would like to encourage anyone interested to come along. You do not have to be a member to attend a meeting. To become a member is only \$2.

Fundraising Activities

There are already some exciting events in the works and kicking off term 1 we have worked with the school to put on another DAY DISCO that will include all classes P-6, as well as a mufti day and fingers crossed a sausage sizzle!!! MMMMMM

Please keep an eye out for the flyer with dates and times for the classes. It should be hitting bags very soon. **BONUS:** We will have Eftpos available every morning tickets are on sale as well as cash this time making buying the tickets much easier.

Plus I have heard the Easter Bunny will be making a special appearance at the Easter Hat Parade to draw the winning tickets from the annual raffle. Tickets will be sent home with students closer to the time.

Uniform Shop

Email and cash orders delivered every Friday to your child's classroom. You can download an order form anytime from this newsletter, the school website under the Our P&C tab or printed copies are available from the front office.

***** Term 1, 2020 Uniform Shop Open*****
Every Friday | 8.35-9.00 | CA room

We will notify the community of any changes via the Namalata, apps and FB updates.

School Banking

THURSDAY is school banking day

We have had a great start to the New Year with 44 bankers last week.

The banking team can help you get set up and provide the banking books and student number if you are new to school banking.

Please remind your children to give their books to their teacher as they go into class to ensure they are collected and banked on time.

If you prefer you can meet us at the CA room between 8.40am - 9.00am and we can usually process it then and there.

Jane our area banking rep will be here on THURSDAY 27TH FEBRUARY to answer any questions and run through any queries. There will also be a chance to see the year's rewards.

Any problems or issues please email the school banking team through the P&C email: wwpspandc@live.com.au or make contact through the parents of Woy Woy PS FB page.

Next P&C Meeting – Annual General Meeting and March General Meeting

The Annual General Meeting is upon us once again. It will be held **7-8:00pm, Wednesday 11 March, Staff Room, Woy Woy Public School.**

Immediately following will be the March General Meeting. We look forward to seeing familiar faces return and welcoming new families to our community.

All members and non-members are welcome to attend. Find out firsthand what is happening within the school. Members do not have to attend every meeting, however your child gets a buzz out of you being involved with the school. Your input and ideas are valued.

Membership

- ✓ Annual P&C membership fee is \$2.00
- ✓ Membership entitles you to participate in the democratic decision making process of the Association
- ✓ P&C Membership forms for 2020/21 are available from the school or by emailing wwpspandc@live.com.au

Completed forms and membership fee can be

- ✓ placed in a sealed envelope and put in the P&C blue box in the school office
- ✓ handed to Secretary or Treasurer when you attend a meeting

Volunteering

You can make a difference! We are always looking for volunteers to assist with services provided by the P&C such as fundraising, school banking and the uniform shop. This is a great way to connect with the school and find out what is happening first hand. If you are interested in contributing in a small way and can spare some time, please contact wwpspandc@live.com.au – as little as half an hour can ease the workload of our dedicated volunteers and your child enjoys you being involved in school activities.

Did you know that while we love to welcome new members to the P&C, you do not need to be a member of the P&C to volunteer at one of our organised events?

Healthy Lunch Box

Nutrition Snippet

The simplest way

.... to pack a healthy lunch box .

Does packing lunch boxes feel like a chore? We are here to help you kick start the year easily, packing healthy lunch boxes your kids will enjoy.

**Healthy lunch boxes
don't have to
be boring.**

We are very excited to bring you our new look [healthy lunch box website](http://healthy-lunch-box.com.au) that has been improved with new features and functions based on feedback provided by you! You can now search for gluten free and vegetarian recipes, as well as **easy to freeze** and **quick and easy** recipes because as parents, we know how important it is to pack lunches quickly.

You can sign up to the [Healthy Lunch Box e-newsletter](http://healthy-lunch-box.com.au/newsletter) for ideas, updates and recipes delivered to your inbox throughout the year.
