Term 3 Week 10

Tell Them From Me Surveys

Want to have your say about what you'd like to see being taught in classrooms for the next few years?

- Would you like to see more opportunities for students to work with **digital technologies** (programmable robots, coding etc)?
- Want to see more **STEM** (Science, Technology, English and Mathematics) activities forming the basis for learning in classrooms across the school?
- Should we invest more money in **information and communication technology** (banks of ipads, tablets, laptops etc)?
- Do we need to do more with **environmental education** and teaching about sustainability?
- Would you like to see a greater emphasis on **the arts** (dance, drama, music and visual arts) or on **physical education**?

The best way to send a message to the school about what you'd like for your child as they continue their educational journey at Woy Woy Public School for the next few years is to complete the '**Tell Them From Me**' (TTFM) parent survey. Our new Strategic Improvement Plan for 2021 – 2024 will be written using the information gleaned from the TTFM surveys, so now's the time to have your say on what you'd like to see the school focus on in the next few years.

Scan the QR code on this page using the camera on your Smartphone or tablet to take the survey, or type the following web address into a browser window:

<http://nsw.tellthemfromme.com/cy939>

Thank you in advance for your commitment to helping us to continue to strive to meet the needs of our community. I can't emphasise enough how valuable the data from this survey is to the school in terms of planning for school improvement.

Wrapping up Term 3

It has been a great 10 week long term full of learning, laughter and activity. Our children have experienced normal classroom learning and the socialisation that being with their friends at school brings. Staff and students have bravely and confidently continued as normal as can be. School and community support have gone hand in hand as we all work together for our most important goal of educating our children. We have been able to experience our Rumbalara excursions, run the Woy Woy Public School Master Chef competition, have had school photos, completed, written

reports for all students as well as zoom/phone parent teacher interviews, run the athletics carnival, enjoyed Science Week and celebrated Education Week.

We have had students involved in the ICAS program, completed the annual public speaking competition for students across the school and have had the exciting live chicken hatching program for Kindergarten students. The school has promoted our excellent play based program state wide through the state wide online staffroom platform with amazing feedback and recognition. These are just a few of our achievements in term 3. I believe we can say it was a very busy term but indeed a very productive one full of rich learning and care for our students. Thank you for sharing this great term with us and being there with us supporting what we do here at our wonderful school.

In these times I believe we would all agree how lucky we are to be in Australia. Our nation has a strong sense of mateship that sees us band together in adversity and ride through the tough times. Some borders are opening up and we can still travel within NSW. We wish you a happy and safe holiday break and hope you really enjoy a trip away or just a relaxed time with your family. Take care and we look forward to Term 4 and more exciting learning happening here at Woy Woy Public School.

Positive Behaviour for Learning (PBL) Weeks 9 & 10

This fortnight teachers have been talking to students about how to 'Be Safe' especially when playing on the oval. Lessons have had a focus on playing safely with friends and staying in supervised areas. We are very proud of the children's efforts this fortnight in staying safe while playing.

PBL REWARDS DAY

The week we will celebrate the end of term with our Positive Behaviour for Learning Rewards Day. All of those children who received their Silver Award will be rewarded with a stage based reward. Kindergarten and Stage 1 students will enjoy a movie afternoon with popcorn, Stage 2 students and Stage 3 students will receive tokens allowing them to visit another room, access free time or choose a class game or activity. Our students are working hard to follow our school rules and it is wonderful to see so many receiving their Silver Awards. Well done everyone.

By starting a conversation with someone you could help a family member, friend or workmate open up. There are many agencies available to assist you or others who may need to talk. Please find a list below of support agencies that can assist people, including primary school-aged children, who may be at risk or experiencing emotional distress, including worried family and friends:

- Kids Helpline. 1800 55 1800. Phone support is there all day, every day. Online support is open from 8am-midnight every day (AEST)
- Suicide Callback Service. 1300 659 467. Phone support all day, every day, and follow-up calls.

New Online Enrolment System

Online enrolment for new students is now available at our school! If your child lives within the local area and is an Australian or New Zealand citizen and wishes to enrol at our school, you can enrol them through our school website under the 'Enrolment' tab.

The Online Enrolment System is designed to provide flexibility for parents to submit an Application to enrol in a NSW Government School online at the time that best suits them. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into **local** schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW

We offer our support and encourage you to complete your application to enrol online. If however, you do not feel comfortable completing an application online, a paper copy will be available for collection from the front office or can be downloaded from the Department's [going to a public school site](#).

If you would like further information please come and see us in the office.

We are now taking Preschool & Kindergarten Enrolments 2021

Important Attendance Information

All students should be at school unless:

- they have a medical certificate which states that they are unable to return to school due to an ongoing medical condition
- they are currently unwell.

If your child is unwell, do not send them to school. If they are unwell at school, you or your nominated emergency contact will need to collect them immediately. Please ensure your child's contact details are up to

date. If a student is absent without a medical reason for more than three days, this will be recorded as an unauthorised absence and will be followed up by the school.

If you have any questions regarding your child's attendance at school please call the office on 43413555.

If anyone in your family returns a positive result, please contact the school immediately and all family members are to isolate for the required length of time.

Debating

At the beginning of the year our two debating teams The Pelicans (Lahni, Mia, Hamish and Jacinta) and The Seahorses (Jake, Toby, Brave and Dylan) went to Erina Heights Public School to attend a Debating Workshop run by adjudicators, which covered all aspects of debating such as arguments and rebuttal.

Due to COVID-19 restrictions, debating was very different this year with all debates conducted via Zoom. Our teams participated in three debates against other Central Coast schools on the topics of education, parents and children and health.

We are so proud of how well our teams listened to feedback and continually improved each time they debated. Well done!

Emma Mallarky and Tiffany Elliott
Debating Coordinators

Due to the current restrictions it has been difficult staying connected with our wider community. However, it has been our endeavour to maintain the special relationships we had already established earlier in the year. With the support and guidance from Mrs Williams, The Mingaletta Aunties have had the opportunity to learn new skills by using digital technologies to record themselves reading a book. The children loved listening to the Aunties' stories and watching on the smart board. They have enjoyed lots of cuddles from the soft toy fox that was gifted to us from the Aunties.

We also couldn't forget about our village friends from across the road at Living Choice Deepwater Retirement Court. After sending over care packages and a book full of 'pictures that make us feel happy', the ladies surprised us with a visit at the school gates. They thanked us for thinking of them during this time and made a beautiful card in return with unique messages of what they love and miss about their visits at Guliyali Preschool. We cross our fingers that we can invite them back into the preschool next term.

"Experiencing *belonging* – knowing where and with whom you belong – is integral to human existence. Children belong first to a family, a cultural group, a neighbourhood and a wider community. *Belonging* acknowledges children's interdependence with others and the basis of relationships in defining identities. In early childhood, and throughout life, relationships are crucial to a sense of *belonging*. *Belonging* is central to *being* and *becoming* in that it shapes who children are and who they can become" (DEEWR, 2009, p7).

We wish you all a safe and happy holiday and look forward to seeing you in Term 4.

Whitney Williams

Early Childhood Teacher | Guliyali Preschool

Gardening

Students in stage two and three have been very busy preparing the raised garden beds for spring vegetables and fruit. We started our journey in preparing the garden beds mid- August. We began by harvesting the last few winter vegetables we had left in our garden. We were all so excited to see our hard work pay off and dig up our potatoes and sweet potatoes!

The students then proceeded to prepare the garden beds by turning over the soil, weeding and adding in compost. As the weather changed we planned what we wanted to plant in spring, made virtual gardens and started the seed germination process. Our spring crop is looking healthy and happy so far. We have planted a variety of tomato plants, an abundance of silver beet, zucchini, blueberries, strawberries, sweet peas, broad beans, cauliflower, rockmelon, pumpkin, parsnips and lettuce! Hopefully the weather in the school holidays is kind to us and the students are able to see the growth in the garden when they return.

MasterChef 2020

Our MasterChef grand final was held on Wednesday 23rd with 8 teams competing for the crown of Champion. Each team had 2 hours to make butter chicken, rice, naan bread, and monte carlo biscuits. Every team worked outstandingly and with great enthusiasm. I am so very proud of everyone who competed. The winning team was Becky Chang and Doree Chou with the runners-up being Ami Ellison-Oakes and Gabriella Potestas. It was a very difficult competition and our judges agonised over every element. Every child who competed across the 5 heats and the grand final was outstanding and demonstrated great sportsmanship.

Chaplain's Corner

Hi students, I hope you all had a great weekend.

Today I want you to have a think about what it means to be tolerant. When somebody is tolerant it means that they can accept the ideas and beliefs of other, are open-minded, and can cope with difficult and sometimes annoying situations. Have a think, are you a tolerant person? How can you be more accepting of others?

Examples of how to be tolerant:

- Listen to the ideas and opinions of others.
- Show patience when people annoy you.
- Be respectful of others.
- Show understanding.
- Always be kind.
