

Edition 77: 19 February 2021

From the Principal

Term 1 Week 4

Four weeks of school have passed already. Children are settled into classes and learning is taking place. Already we have had a swimming carnival, an Anti-bullying show and a K-6 assembly. Our Stephanie Alexander Kitchen Garden program is up and running, major excursions have been booked in for Term 3, Rumbalara environmental excursions are being finalised and our school calendar is filling up. A Term 1 calendar will be sent out with this newsletter. A wonderful year lies ahead of us. Thank you once again for your continued and positive support.

Our school's Strategic Improvement Plan 2021 – 2024

We mentioned last year how pleasing it was that so many parents felt motivated to complete the Tell Them From Me Parent Survey, and how much useful data this would give us to help develop our 2021 – 2024 Strategic Improvement Plan. As it turns out the data was invaluable, and we're well and truly on the road to producing a plan that is reflective of the opinions and aspirations of all of the different groups of people within our school community – students, teachers and parents/carers. What we'd really like to do now is take you through some of the results obtained from the surveys that were conducted, discuss the implications of the data and responses obtained, identify what we plan to do to address the issues that arose, and to again, ask for your input on what you'd like to see in the Strategic Improvement Plan.

For this purpose, we're holding a Parent Forum to discuss School Planning issues at the Everglades Country Club in three weeks' time. We'll let you know the exact date and time as soon as our booking is confirmed. All parents/carers and community members will be welcome; no bookings will be necessary. We look forward to seeing you there and to hearing your suggestions for how to make our school the best school it can be.

Information booklets going out

Unfortunately we were not able to hold face to face on site parent school information session this year. All Stages have put together a comprehensive overview of what your child will experience at school this year as well as some important operational information for you, in the form of an Information Booklet. These booklets will go out to all parents and carers over the next week. Kindergarten parents and carers have been informed of their information session arrangements as well.

School costs 2021

The school costs for 2021 will be found in your information booklet and you will also be getting notes from 3-6 classes about AVID package costs. The school is limiting costs for 2021 to help support our community as everyone slowly recovers from the 2020 COVID year. The school will cover the costs for the Athletics program K-6, and the Sound Waves spelling online program Years 1-6. The school will also supplement the Interrelate program for Year 6 in Term 4 which normally would cost \$40 but for students it will only be \$10. The school will also provide a \$1 supplement for the Anti-bullying show and our generous P&C will match this. The school will also pay the full cost of a multicultural show so that all students have an opportunity to attend and enjoy.

The school is not asking you to contribute any voluntary family funds in 2021 and our paper levy will also be voluntary. Any donations are always appreciated. As always class teachers will put out notes asking for voluntary contributions of tissues and hand soap etc. to support daily hygienic practices.

The school will continue to be supplied with COVID supplies such as hand sanitiser, gloves and the like. Please know that the school will not let any child miss out on important extra-curricular activities and excursions if financial hardship is the reason for not going. You are always welcome to contact Mrs Buckley or Mr Betts if you have concerns about your child attending any planned events. This will always remain confidential.

Fantastic news!

The school has been successful in gaining an upgrade for the school oval through the Regional Renewal program. This program is a recent initiative to support schools in being able to do large scale works on school grounds. To be able to be part of this initiative the school must put forward an amount of funds from their own school budget as well. The school has been trying for many years and have submitted many grant applications and put forward submissions in many rounds of government funding and to date had been unsuccessful. The upkeep of the oval has been an annual expense for the school budget over many years as well. **It is extremely exciting** to now be able to improve the quality of the school oval. The school oval will not be a proper sporting field but a green playing space for all our children. The oval being on a sand base has always had the difficulty of being able to grow grass and maintain it successfully when our students constantly use it. The school will be working closely with the Regional Asset management team during the upgrade. The planned works will be done by this team and the contractors they engage. Initial meetings will take place soon but the up-grade timeline is from now until June 2022. Watch that space! Updates will be given in future newsletters. **How fantastic!!** The school is jumping for joy and we know our community will be too. We have waited a long long time.

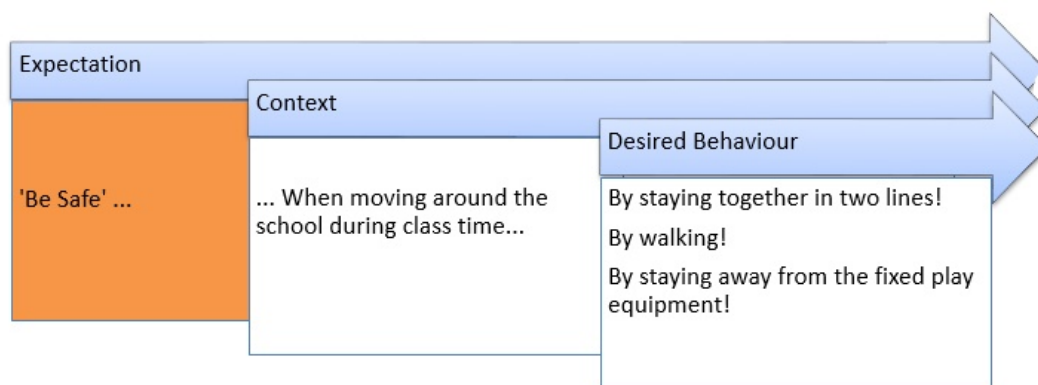

First face to face P&C meeting since March 2020

Thank you to our P&C members for arranging and attending the P&C meeting last Wednesday night, 17th February. It had been such a long time since we had been able to meet face to face. Although it was done under a strict COVID plan it was a wonderful community connection that has been missed. The Annual General Meeting is coming up and our P&C is looking for office bearers and as always new members. The school and P&C work together to ensure our school is running smoothly with the P&C managing our uniform shop and fund raising activities through volunteers who give their time and expertise to support our school.

Have a safe, happy and productive fortnight.

Positive Behaviour for Learning (PBL) Week 3 & 4

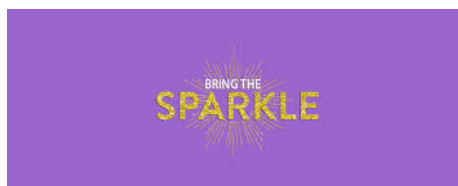

Teachers and students have been discussing the importance of 'Being Safe' this fortnight. Through explicit lessons and activities we have reinforced the importance of staying together as a group when moving around the school and only using playground equipment when being supervised by a teacher. This coming fortnight, teachers will talk to their classes about 'Being Co-operative' especially during break times. We will be discussing the importance of sitting down while we eat, waiting for teacher instruction after eating time and the importance of staying in our designated areas until the eating bell has sounded. Woy Woy Public School takes a whole school approach to Positive Behaviour for Learning and your support is always very valued. If you would like any further information on our PBL lessons please feel free to contact the school to make an appointment.

Wellbeing across the school

Student wellbeing is a priority at Woy Woy Public School. Student resilience and wellbeing are essential for both academic and social development, and are optimised by safe, supportive and respectful learning environments. To ensure our students are well equipped to deal with the challenges life can sometimes provide us with we have implemented a number of Wellbeing Programs across the school.

Top Blokes

The Top Blokes program has commenced this year for selected Stage 3 boys and is designed to provide a social education program for boys aged between 10-13 years. The attending students will participate in an 8 week program where they will develop key social and decision making skills.

Stage 2 & 3 Mentoring Programs

Research shows that there are many ways of assisting students who need help to maximise their learning outcomes. One effective way of doing this is for teachers and other adults to work with students in small groups in a coaching or mentoring roles. Last year our Stage 3 students were provided with opportunities to engage in small group mentoring sessions with Mrs Amy Campbell our school Chaplin. This year we are offering the same opportunities to our Stage 2 students. Miss Henry will use conversation starters and games to provide a context to develop strong relationships and develop leadership skills in our Stage 2 and Stage 3 students.

These programs address many of the emerging social and emotional issues that children in our ever changing world face, if you would like any further information on these programs please contact Miss Henry through the front office.

In week 3 of this term students in K-6 were invited to participate in the Anti Bullying Show titled 'Buddies' delivered by the Brainstorm production team. All students were entertained by the performers who promoted cyber safety, friendship and anti bullying messages. Woy Woy Public School is a 'Bully Free' zone and on Friday 19 March we will continue to ensure we commit to taking action against bullying by participating in the 11th National Day of Action against Bullying and Violence.

Important Attendance Information

All students should be at school unless:

- they have a medical certificate which states that they are unable to return to school due to an ongoing medical condition
- they are currently unwell.

If your child is unwell, do not send them to school. If they are unwell at school, you or your nominated emergency contact will need to collect them immediately. Please ensure your child's contact details are up to

date. If a student is absent without a medical reason for more than three days, this will be recorded as an unauthorised absence and will be followed up by the school.

If you have any questions regarding your child's attendance at school please call the office on 43413555.

If anyone in your family returns a positive result, please contact the school immediately and all family members are to isolate for the required length of time.

*** A friendly reminder that we are still following the Department's Guidelines regarding COVID-19. If your child displays any COVID-19 symptoms they will be required to have a COVID test prior to returning to school. They will need to stay at home until results have been received and they are feeling well enough. We do kindly ask that if your child is unwell that you provide our office staff with details of symptoms.

We thank you for your co-operation in this matter ***

This year the entire P-6 WWPS community are implementing the Zones of Regulation strategy to support children in identifying their emotions, recognizing particular triggers and providing them with a toolbox of strategies in order to help them cope with stressors or frustrations that may arise in their world.

Each morning and at different times throughout the day, we will encourage the children to "check in" by placing a picture of themselves into a coloured Zone which is displayed in the hollow. We agreed that we could only move our own picture and not our peers. Having pictures allows the children to visually see which zones other children are in.

Munch & Move is a NSW Health initiative that supports the healthy development of children birth to 5 years by promoting physical activity, healthy eating and reduced small screen time (e.g. watching TV or DVDs, playing on computers and small hand-held games devices).

Educators at Guliyali Preschool have participated in professional development to implement a fun, play-based approach to supporting healthy eating and physical activity habits in young children. So far this terms focus has been running and jumping. We've played 'What's the time Mr Wolf?' and a jumping game called 'Crossing the river.' After brainstorming a list of animals that jump, we discussed how kangaroo is traditional tucker for Aboriginal people. We then fried up some kangaroo to taste, which most of the children thought was delicious!

"Wellbeing incorporates both physical and psychological aspects and is central to belonging, being and becoming. Without a strong sense of wellbeing it is difficult to have a sense of belonging, to trust others and feel confident in being, and to optimistically engage in experiences that contribute to becoming" (EYLF, p33).

Scripture and Ethics 2021

Scripture lessons are scheduled to begin in Week 5 (Wednesday, 24th February). Lessons for students in Years 3-6 will be held each Wednesday between 9:00am and 9:30am. Lessons for students in Years K-2 will be held each Wednesday between 9:30am and 10:00am.

The options for Special Religious Education (SRE) are as follows:

1. Combined scripture (teaches a general Christian message)
2. Catholic scripture (follows the teachings of the Catholic faith)
3. Non-scripture (for students whose parents don't wish them to attend either of the first two options)

NB. Special Education in Ethics (SEE) Ethics classes will not be available because of a lack of interested and available teachers. If you would like to become an Ethics volunteer teacher, please refer to the Primary Ethics website for further information.

Please note that students will be placed in the same class they attended last year unless parents request an alternate placement in writing.

Please contact Mrs Pathirana if further information is required.

Uniform Shop

Email and cash orders are delivered every Friday to your child's classroom. You can download an order form anytime from this newsletter, the school website under the Our P&C tab or printed copies are available from the front office.

***** Term 1, 2020 Uniform Shop Open *****

Every Thursday / 8:30am – 9:30am / CA Room

We will notify the community of any changes via the School Namalata, Skoolbag app and through Facebook updates.

Membership

The annual P&C membership fee is \$2.00 and this entitles you to participate in the democratic decision making process of the Association. If you are interested, P&C Membership forms for 2021/22 are available from the school or by emailing wwpspandc@live.com.au

Completed forms and membership fee can be placed in a sealed envelope and put in the P&C blue box in the school office or better still attend a meeting and find out firsthand what is happening within the school. Members do not have to attend every meeting, however your input and ideas will be valued.

Volunteering

We can all make a difference! The P&C are always looking for volunteers to assist with services provided by the P&C. Volunteering is a great way to connect with the school and find out what is happening first hand. If you are interested in contributing in a small way and can spare some time, please contact wwpspandc@live.com.au – as little as half an hour can ease the workload of our dedicated volunteers and your child enjoys you being involved in school activities.

Messages from the Office

IMPORTANT INFORMATION

****** Unless your enquiry is a matter of urgency please restrict entry into our office area ******

Office Hours

School phones are manned from 8.30am until 3.15pm. The office window is opened at 8.30am and closed at 3.00pm however office staff are available until 3.15pm. There is a teacher on duty at the bus lines until 3.20pm.

Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day it would be appreciated if you could contact the office prior to 2.00pm to ensure that the message is passed on to your child.

Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be printed at the school office and given to the classroom teacher.

Payment of Money to the School

******* EFTPOS IS AVAILABLE IN OUR OFFICE *******

Understandably, our preferred method of payment for any school costs is contactless.

Payments for any school fees or activities can be made either by credit card via the Woy Woy Public School Website (<http://www.woywoy-p.schools.nsw.edu.au>) using the 'Make a Payment' tab or for your convenience we have also installed an EFTPOS facility at the front office.

Should it be necessary for payment to be made using cash, monies should be placed in an envelope with your child's name, class and reason clearly noted. If payment is for multiple children, each must have their own envelope.

Thank you for your support in this matter.

OFFICIAL KIDS PROGRAM

Dear Families,

We're excited to announce that Woy Woy PS is offering a 6 week after-school cricket program on the school oval for all students from Kindergarten through to Year 6.

Whether you are new to the sport or you have played before we would like to welcome your child to participate as this is a fun and exciting initiative to take part in, which will be run by Cricket NSW accredited coaches. Each child will learn how to ball, bat, catch and throw and participate in fun – filled cricket activities with a focus on skill and game-based activities.

Every participant will receive a pack including a draw string bag, cricket ball and a drink bottle.

Program Details

60-minute sessions (3pm till 4pm)

Dates – Commencing on Tuesday 23rd February and continuing every Tuesday afternoon for 6 consecutive weeks on the school oval

Cost - \$40 for each participant

Children to wear runners, a cap/hat and bring a drink bottle

How to register

To register, visit playcricket.com.au and search for Woy Woy (without entering an age). Then under Woy Woy Public School, click on Pop Up Program and follow the prompts to register.

If you have any questions, please contact me via the details below.

Kind Regards,

- Exchanges can only be made within 14 days of purchase.
- No refund will be given for an incorrect size choice only an exchange and the item must have original tag and have not been washed and is in an "as new" condition.
- All faulty items need to be reviewed by the manufacturer before a decision is made regarding refund, repair or exchange.
- Any item to be reviewed by the manufacturer needs to be returned in a clean and freshly laundered condition.
- The Uniform Shop will not hand out replacement items until the manufacturer has decided on repair, refund or exchange. This process may take several weeks.
- All decisions will be notified to the customer.
- The Uniform Shop reserves the right not to offer an exchange, refund or repair on items where the item fault is the result of misuse, neglect or incorrect washing instructions of the item.
- The Uniform Shop reserves the right to assess the condition and age of returned goods prior to providing a repair, refund or exchange. This may result in repair, refund or exchange being refused.
- If a refund is granted, the refund will be issued using the original payment method.
