# From the Principal — Term 1 Week 10

**Term 1 round up**

Thank you everyone for a wonderful Term 1. Together, we have already accomplished so much in 2021. There have been many great educational and social interaction opportunities offered for students this Term. Valuable opportunities like the Stage 3 Science incursion day, the Anti-bullying show “Brainstorm”, the Swimming carnival, the Cross Country Carnival, PSSA soccer and cricket, the Young Leaders day in Sydney, Harmony Day, the Year 2 excursion to the new Western Sydney Zoo, and school photos to mention a few. We have had K-6, 3-6 and K-2 assemblies, the Leadership investiture and the SRC induction. Our school is running smoothly and from wellbeing data it shows students are happy and learning. A great start to 2021 for everyone.

**Strategic School Plan**

The new 2021-2024 Strategic Improvement Plan for our school will go up on the website this week for everyone to view. Through a very extensive situational analysis process, where everyone was able to give input, the school has been able to accumulate all the information gathered and formulate a plan going forward. The plan has a number of measures to be achieved by 2024 and sets out how the school will go about ensuring these are achieved. Take the time to have a look at where your school wants to be in 2024. A big thank you to you all for your input and being a part of the driving force behind our school to enhance learning outcomes for everyone.

**Dates to remember**

Term 2 starts on **Tuesday 20 April 2021** for our students. Teachers will start on Monday 19 April 2021, with a staff development day where they will participate in professional learning sessions.

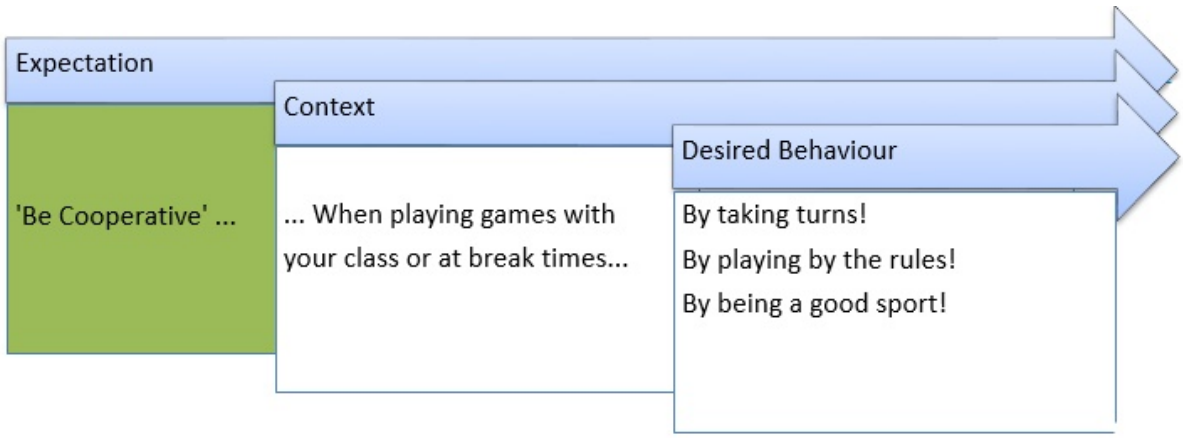
Take care everyone and have a safe and relaxed holiday full of family time and fun. Thank you for supporting the school this term and we look forward to working together to support all our children again next term. Happy holidays!

Ona Buckley and Dan Betts
Principals

Wishing all our families a wonderful Easter

Enjoy the holidays!

# Positive Behaviour for Learning (PBL) Weeks 9 & 10



Positive Behaviour for Learning (PBL) is a whole-school framework that promotes positive behaviour across our school. This fortnight teachers have been talking to students about the school expectation 'Be Cooperative'. Lessons have focussed on taking turns when playing games, being a good sport and playing by the rules.

Students who have been displaying this positive behaviour have been rewarded with 'Win Bin' tickets and 5 winners are drawn out of the 'Win Bin' barrel each week.

This week our winners were - Kaylah KW, Zayden KW, Isla KLB, Harry KLB and Saraya 5/6B

**Wellbeing Programs**

Our wellbeing programs have been very successful this Term and we have been able to support over 45 students with our targeted programs. Through these wellbeing initiatives students develop self-awareness, self-control, and interpersonal skills that are important for school, work and life outcomes. Our wellbeing programs aim to develop understanding and skills to:

• Nurture a positive sense of self

• Promote respectful relationships

• Build capacity to manage emotions, behaviours and interactions with others

If you would like your child to access any of our wellbeing programs in Term 2 please contact your child's classroom teacher or myself.

Have a wonderful Easter break.

# The Zones of Regulation

Woy Woy Public School will be starting to teach a whole school program designed to help children build self-regulation. The Zones of Regulation is a complete social-emotional learning curriculum, created to teach children self-regulation and emotional control.

The Zones of Regulation uses four colours to help children self-identify how they're feeling and categorise it based on colours.

The curriculum also helps children better understand their emotions, sensory needs and thinking patterns. They learn different strategies to help them cope and manage their emotions based on which colour zone they are in.

## The Green Zone

The green zone is used to describe when you're in a calm state of alertness. Being in the green zone means you are calm, focused, happy, or ready to learn. This is predominantly the state you want your child to be in. It's also the state most needed in the classroom in order to learn.

## The Yellow Zone

The yellow zone describes when you have a heightened sense of alertness. This isn't always a bad thing, and you typically still have some control when you're in the yellow zone. Being in the yellow zone means you may feel frustrated, anxious or nervous. But, it could also mean you're feeling excited, silly, or hyper – which is okay in the right situations.

## The Blue Zone

The blue zone, on the other hand, is used when a person is feeling low states of alertness or arousal. When you're in the blue zone you may be feeling down – sad, sick, tired or bored. You're still in control, as you are in the yellow zone, but with low energy emotions.

## The Red Zone

The red zone describes an extremely heightened state of intense emotions. When a person reaches the red zone, they're no longer able to control their emotions or reactions. This is the zone kids are in during meltdowns. Being in the red zone means you're feeling anger, rage, terror or complete devastation and feel out of control.

We are teaching children to identify when they are in different zones and helping them build a toolbox of strategies to support them in self-regulation to green.

A 'What Zone are you in?' laminated card will be given to families to use as a visual when discussing the program at home. You can also search the 'Zone of Regulation' in Google and you will find lots of resources and tips on how to implement this learning at home.

# The National Young Leaders Day

Yesterday I had the pleasure of accompanying our School Leaders to the International Convention Centre in Darling Harbour for the annual Leadership Day. As always, the students exhibited exemplary behaviour and cooperation throughout the day. The day is organised around guest speakers that are invited to share their remarkable journeys through their chosen careers and aspirations. We heard from Michael Fuller, the NSW Police Commissioner. He spoke about his policing experiences and how he developed leadership opportunities and ambitions throughout his life. Through question and answer time he shared how difficult decision making is as the commissioner, especially most recently through the COVID crisis.

The second speaker was Lachlin Smart. He flew solo around the world in an aeroplane when he was 18 years old, the youngest person ever to do so. Lachie spoke about self-motivation, resilience and adversity. His experiences were incredible, from raising vast sums of money as a 16 year old, to flying the globe in a very small single engine aircraft around the world.

Lastly, Anistasia Walmel spoke to the students. (You may have seen her on Australian Survivor recently). She spoke of not achieving well at school and then trained in classical ballet. Through hard work and application, she danced around the world in her early years. Anastasia then became interested in memory training. She has since won the world title twice in memory competition. She taught us a few tricks to try to improve our working memories. It was amazing. I was very proud of how our students conducted themselves and engaged in the conference.

# Beeswax Wraps

We have been very busy bees over the last few weeks making the beeswax wraps!! We have had a blast making and packaging them for you. We do hope that you enjoy your beeswax wraps that have all been made with love. The kids have done a great job. Thank you to all our helpers for their hard work.

# Guliyali Preschool News

**Aboriginal Education**

In Week 8 two of our teachers, Miss Williams and Miss Bartlett, engaged in Connecting to Country professional learning, delivered by the NSW Aboriginal Education Consultative Group. The purpose of the program is for principals, teacher and all department staff to establish respectful relationships with Aboriginal students, families and communities at a local level. The program supports teachers to plan, develop and implement culturally inclusive programs, underpinned by productive pedagogy and practices whilst increasing child/student expectations and performance. Miss Williams and Miss Bartlett look forward to sharing this new knowledge with their colleagues and incorporating more Aboriginal perspectives into the Preschool and K-6 learning spaces.

**Guliyali Preschool**

In Week 10 the Guliyali Preschool children welcomed the WWPS Kindergarten children into their space. The Kindergarten children were very excited as Guliyali Preschool was theirs in 2020. Engaging with our K-6 school community is a very important part of Guliyali Preschool. Promoting connectedness and continuity between the settings allows for more opportunities of growth and development for all children. It also paves the foundations for a smooth transition to school for our preschoolers as they interact positively with their older peers and potential future teachers. It was also lovely for the children to see familiar faces in family friends and siblings. We look forward to organising more of these visits next Term.

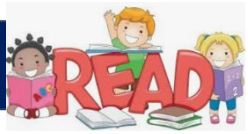
Preschool Teacher

# Aspire Home Reading



Congratulations to the following students who have reached their 25 nights of home reading!

***25 Nights*** Mikey Burgess 3-6C, George Kassi-Hurley K/6PG, Kaide Hayter K/6PG, Callum Tickner K/6PG, Aidan Betts K/6PG, Chace Browne K/6W, Bentley Everingham-Bascur K/6W

# P&C News

**Upcoming events**

Mother's Day stalls will be held on Tuesday 4 and Thursday 6 May. We are after volunteers on the day so if you have a few hours to spare and a valid working with children's check please email wwpspandc@live.com.au with availability.

School Banking is hoping to return week 2 Term 2 but to make this possible we are after a small team that can give an hour a week to help out. This is a great program but is too much for one person. Without volunteers it will not be able to go forward. If you think you could help out, please contact Laura at the P&C email.

## *** Term 2 Uniform Shop Opening time ***

**Uniform Shop**

We will be opening on a Wednesday morning for Term 2. We are on the lookout for a uniform shop Coordinator and volunteers to help in the mornings so please email wwpspandc@live.com.au if you can help and we will get back to you.

Email orders can be sent to wwpsuniforms@outlook.com Email and cash orders will be delivered every **Wednesday** to your child's classroom. You can download an order form anytime from the school website under the Our P&C tab or printed copies are available from the front office.

## *** Uniform Shop Open ***

***Every Wednesday / 8:35am – 9:15am / CA room***

We will notify the community of any changes via the Namalata, apps and FB updates.

**Next P&C Meeting of 2021**

The next general meeting will be held ***7:00pm – 8:30pm, Wednesday 12 May, Staff Room, Woy Woy Public School***. We look forward to seeing familiar faces return and welcoming new families to our community. All are welcome to attend.

**Membership**

The annual P&C membership fee is $2.00, and this entitles you to participate in the democratic decision-making process of the Association. If you are interested, P&C Membership forms for 2020/21 are available from the school or by emailing wwpspandc@live.com.au

Completed forms and membership fee can be placed in a sealed envelope and put in the P&C blue box in the school office or better still attend a meeting and find out firsthand what is happening within the school. Members do not have to attend every meeting, however your child does get a buzz out of you being involved with the school. Your input and ideas are valued.

**Volunteering**

We are always looking for volunteers to assist with services provided by the P&C such as fundraising, school banking and the uniform shop. This is a great way to connect with the school and find out what is happening firsthand. If you are interested in contributing in a small way and can spare some

# Messages from the Office

## IMPORTANT INFORMATION

****** Unless your enquiry is a matter of urgency please restrict entry into our office area ******

**Office Hours**
School phones are manned from 8:30am until 3:15pm. The office window is opened at 8:30am and closed at 3:00pm however office staff are available until 3:15pm. There is a teacher on duty at the bus lines until 3:20pm.

**Changes to Going Home Arrangements**
Could you please ensure that your child is aware of how they will be going home in the afternoon.If these arrangements change during the day it would be appreciated if you could contact the office prior to 2:00pm to ensure that the message is passed on to your child.

**Skoolbag APP and Website**
You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP and you can record your child's absence from school here as well. You will also find our School website at http://www.woywoy-p.schools.nsw.edu.au/ which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

**Student Mobile Phones**
Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

**Late Arrival / Early Departure**
If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be printed at the school office and given to the classroom teacher.

**Payment of Money to the School**

******** EFTPOS IS AVAILABLE IN OUR OFFICE ********

**Understandably, our preferred method of payment for any school costs is contactless.**

**Payments for any school fees or activities can be made either by credit card via the Woy Woy Public School Website (http://www.woy-.schools.nsw.edu.au) using the 'Make a Payment' tab or for your convenience we have also installed an EFTPOS facility at the front office.**

**Should it be necessary for payment to be made using cash, monies should be placed in an envelope with your child's name, class and reason clearly noted. If payment is for multiple children, each must have their own envelope.**

**Thank you for your support in this matter.**
