

Edition 94: 25 March 2022

From the Principal

Term 1 Week 9

What a busy fortnight we have had at school. It was great to see some sun shine – even if only briefly. The big news for us this week was that we were officially playing on the school oval. Our students loved being back out on the grassed area kicking balls, exploring the natural environment and having adventures. Things are moving quickly as we near the end of the term, and there's a lot happening in and around the school. Please read on to find out about what we've accomplished thus far, and what's yet to come this term.

Rapid Antigen Testing for the rest of the Term

This week the NSW Department of Education unveiled plans for how they'd like us to proceed with rapid antigen testing for the rest of the term. We'll be providing another batch of RAT kits to families for use for the rest of the term. The NSW Department of Education is no longer asking you to test your children twice a week (or each day if your children are in a Support Unit class). RAT's need only be used if your child is presenting with symptoms of COVID-19. This being the case, the department has stipulated that each family should receive at least 5 RAT's per child.

We have decided that the quickest and easiest way to get this batch of RAT's to families would be to send them home with children in their school bags next week. We'll only send sealed boxes home in school bags so that parents can rest assured they're getting test kits that haven't been tampered with.

We are aware that some people will not want to receive a/another consignment of RAT's, and we respect the rights and opinions of people who feel this way. Please contact your child's teacher via ClassDojo, e-mail or telephone the school, if you do NOT want us to send home any RAT's.

If you would like RAT kits, but don't want them sent home with your child, please also contact your child's teacher or the school office.

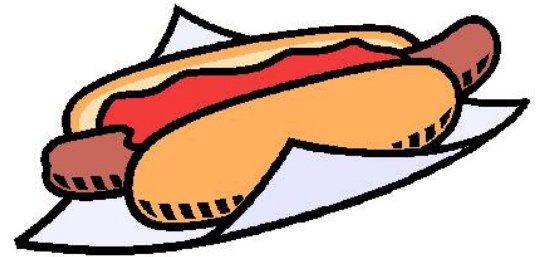

Please note that if you do not contact the school, we will assume that you consent to the kits being sent home with your child. There will be no roadside collection points in operation for the distribution of this last round of RAT's.

Please feel free to contact the school if you have any queries regarding this information.

'Welcome back/Meet the staff' BBQ

On Tuesday 15th March we welcomed families onsite for a 'Meet the staff BBQ'. We had a wonderful afternoon meeting our new families and enjoying the beautiful weather. If you were not able to attend this afternoon and would like to arrange a time to meet your child's class teacher, please contact the school office to arrange a time.

Harmony Day

On Monday 21/3/2022 we celebrated Harmony day: A day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. The day was all about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values. A big Thank you to Ms McLean who coordinated the events for us on this special day.

National Day of Action against Bullying

Friday 18th March was a National Day of Action against bullying. The Woy Woy Public School community proudly joined the nationwide movement in taking a stand against bullying. Our Student Representative Council and classes from Preschool to Year 6 pledged their support and commitment to stamping out bullying everywhere. We are so proud of the maturity and commitment students displayed when engaged in discussions on this important topic.

School Photos

School photo day is always an exciting day!! This year our school photos took place on Tuesday 22nd March and Thursday 24th March due to NAPLAN practice tests happening. The smiles on the students sparkled. A big Thank you to Mrs Barrett who always does an amazing job coordinating this event and to Mr Pumpa and our school leaders who gathered students and helped the days run smoothly.

Bike safety

Parents and carers are responsible for a student's travel to and from school. Schools take over responsibility and duty of care for the student once they enter the school premises. In their early years, children need particular help in detecting the presence of traffic and judging the speed and distance of oncoming traffic. If your child rides a bike to school, please make certain that they wear an approved Australian Standards bicycle helmet and they are aware and follow basic bike safety rules.

Easter Hat Parade

Our annual Easter Hat Parade will take place on Friday 8th April. We warmly welcome students to participate in our annual Easter Hat Parade by making an Easter Hat Bonnet.

Making your own Easter Hat is not compulsory but is a lot of fun! Please make your hat at home if your child wishes to participate. Imagination is key! Get crafty with some feathers, gum nuts, leaves, stickers, and glue. With a bit of imagination your child will be the proud owner of an Easter Hat and will have the opportunity to showcase it to their peers and family members!

Parents are welcome to attend the celebrations. COVID- Safe plans will be in place on the day. The Parade will be held as three separate events in order to manage the number of visitors on site. Notes for this event will be coming home soon.

Excursions

Some of our stages have begun planning their yearly excursions and deposits are now being taken for the Year 6 Canberra excursion. If any of our year 6 families would like to pay the deposit for this excursion payments can be made at the front office or online. Until we have final numbers for this excursion, we are only able to accept deposits.

NAPLAN

NAPLAN is a national literacy and numeracy assessment that students in Years 3, 5, 7 & 9 sit in May each year. It is the only national assessment all Australian students do. As students' progress through their school years, it's important to check how well they are learning the essential skills of reading, writing and numeracy. NAPLAN assesses the literacy and numeracy skills that students are learning through the school curriculum and allows parents/carers to see how their child is progressing against national standards and over time. NAPLAN is just one aspect of a school's assessment and reporting process. It doesn't replace ongoing assessments made by teachers about student performance, but it can provide teachers with additional information about students' progress. NAPLAN also provides schools, education authorities and governments with information about how education programs are working and whether young Australians are achieving important educational outcomes in literacy and numeracy. The NAPLAN online test window starts on Tuesday 10 May and finishes on Friday 20 May 2022. More information regarding NAPLAN Online can be found here: <https://www.nap.edu.au/online-assessment>

Attendance

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at and regularly attend school. Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence. Our school class times are 8:50am – 2:50pm. Arriving late is sometimes unavoidable, however consistent late arrivals disrupt classes and student learning is affected.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight 	= 4 weeks 	= Over 1 year missed
1 day per week 	= 8 weeks 	= Over 2.5 years missed

Positive Behaviour for Learning (PBL) Weeks 8 & 9

Positive Behaviour for Learning (PBL) is a whole-school framework that promotes positive behaviour across our school. This fortnight teachers have been talking to students about the school expectation '**BE RESPECTFUL**'. Lessons have focussed on using kind words when speaking to people, using a respectful tone, using good manners, and listening to others.

Students who have been displaying these positive behaviours have been rewarded with 'Stars on their Star Charts' and families have been notified using the Class Dojo app. Congratulations to all of our students who are on track to receive their Green Behaviour Award and participate in the PBL rewards day at the end of Term 1.

Wellbeing Programs

Our wellbeing programs have been very successful this term and we have been able to support over 45 students with our targeted programs. Through these wellbeing initiatives students develop self-awareness, self-control, and interpersonal skills that are important for school, work and life outcomes. Our wellbeing programs aim to develop understanding and skills to:

- nurture a positive sense of self
- promote respectful relationships
- build capacity to manage emotions, behaviours and interactions with others.

If you would like your child to access any of our wellbeing programs in Term 2 please contact your child's classroom teacher or myself.

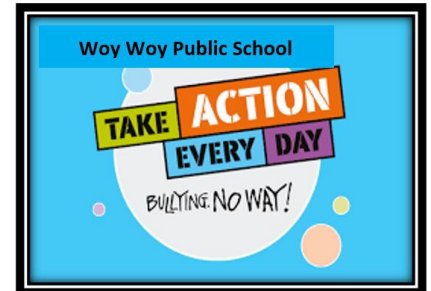

Term 1 Police Youth Liaison Officer Visit

On Wednesday we had a visit from the Police Youth Liaison Officer, Senior Constable Daniel McArthur from Gosford Police. The aim of the visit was to discuss the complexities of using social media and the dangers associated with '**vaping**'. The visit provided support and guidance to our Year 5 & 6 students who are accessing social media sites and being exposed to 'vaping' outside of school.

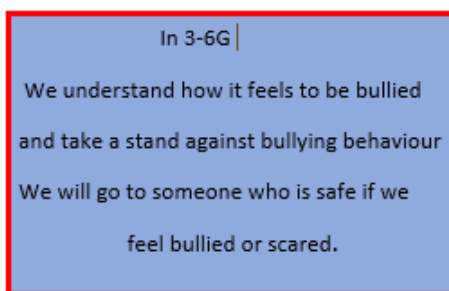

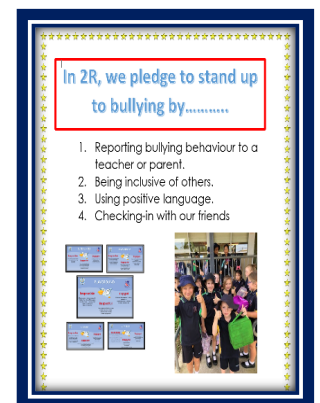

The role of the Police Youth Liaison Officer is to strengthen relationships between police, students, and schools. They aim to promote harmonious communities and greater rapport between students and police will create a better understanding of the role of police in the community. If you would like to speak to the police youth workers, you can contact them on 4323 5599.

Close the Gap Day

On Thursday March 17, Woy Woy Public School recognised National Close the Gap Day. Closing the Gap is strategised by the government with the aim to reduce disadvantage among Aboriginal and Torres Strait Islander People in terms of life expectancy, access to education, and employment opportunities.

This year, the theme for the campaign is, 'Transforming Power: Aboriginal and Torres Strait Islander-led Transformation, Gender Equality and Equity, Allyship.'

Teachers and students engaged in rich conversations, highlighting the significance of the day. We will continue valuing our commitment to reconciliation, through our Reconciliation Action Plan, which we look forward to launching with the school community next term.

Blake Roseworn
Stage 1 Assistant Principal (Relieving)

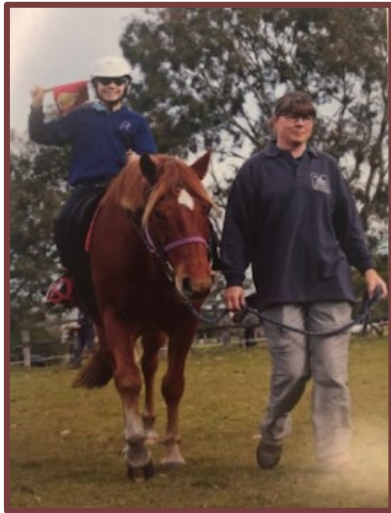

Research shows that sensory play builds nerve connections in the brain's pathways, which lead to the child's ability to complete more complex learning tasks. Sensory play supports language development, cognitive growth, fine and gross motor skills, problem solving skills, social interaction and self regulation. At Guliyali Preschool we provide many opportunities for the children to engage with resources and mediums that involve sensory exploration as well as linking it their current strengths and interests. This sparks many positive dispositions for learning including inquiry, curiosity and enthusiasm among the children.

Please see some of the sensory experiences offered at Guliyali Preschool over the course of Term 1.

Support Class News

After COVID delays and recent flooding, there was much excitement among K/6PG and K/6W students when Riding for the Disabled resumed last week. This valuable program has many benefits, ranging from balance and motor skills to safety and social skills. Students develop a close bond with their horse whilst learning to care for them and ride them. They participate in a variety of activities in the indoor arena and go on outdoor trail rides. Some of our students also appear in the latest Riding for the Disabled brochure.

Students from K/6PG and K/6W celebrated World Down Syndrome Day this week. Everyone looked great in crazy, colorful, and unique socks. The students enjoyed showing off their socks and telling each other about the stories behind them.

A Rainbow in 2-60

We have finally got our rainbow up in our classroom.

As part of our STEM project, we decided on making our classroom a welcoming space with a rainbow. We worked out how we could put one in our class, and then we worked out how we could make it.

After delays last year because of Covid and then delays this year due to rain, we now have it on our ceiling. During our 'making' time we found the rain washed our dyes away, so we had to wait until the rain stopped.

Let our class know if you like it and if you want to learn how to make one for yourself.

Message from the Office

IMPORTANT INFORMATION

****** Unless your enquiry is a matter of urgency, please restrict entry into our office area ******

Office Hours

School phones are manned from 8:30am until 3:15pm. The office window is opened at 8:30am and closed at 3:00pm however office staff are available until 3:15pm. There is a teacher on duty at the bus lines until 3:20pm.

Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day, it would be appreciated if you could contact the office prior to 2:00pm to ensure that the message is passed on to your child.

Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP, and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be printed at the school office and given to the classroom teacher.

Payment of Money to the School

******* EFTPOS IS AVAILABLE IN OUR OFFICE *******

Understandably, our preferred method of payment for any school costs is contactless.

Payments for any school fees or activities can be made either by credit card via the Woy Woy Public School Website (<http://www.woywoy-p.schools.nsw.edu.au>) using the 'Make a Payment' tab or for your convenience we have also installed an EFTPOS facility at the front office.

Should it be necessary for payment to be made using cash, monies should be placed in an envelope with your child's name, class and reason clearly noted. If payment is for multiple children, each must have their own envelope.

Thank you for your support in this matter.

DEVELOP COMMUNICATION SKILLS WHILE BUILDING LEGO

Your child will be supported to build LEGO as a team, to develop their communication skills and have fun! New skills will be introduced, practiced and reinforced by our Speech Pathology team.

Small group sizes allow for guidance for each child to try new skills, improve their confidence and develop their passion. **Key communication skills** are targeted during the sessions, in a relaxed and natural manner, including:

- **Receptive Language Skills:** understanding information and following directions
- **Expressive Language Skills:** Giving instructions and describing information with a range of vocabulary.
- **Social Skills:** working together as a team, problem solving social situations, giving compliments, waiting their turn, making friends, working as a team and listening to peers.

FRIDAY 1ST APRIL

Everyone is invited to school looking a little bit silly and foolish.

The first WWPS P&C fundraising event for 2022 is a fun one.

It's a silly day of hair, hat, or socks with your regular sport uniform.

A gold coin donation can be given to the class teacher on the morning to help our fundraising efforts to help give back to the school.

Thank you for your support during 2022!

Easter Hat Parade 2022

Dear Parents/Carers,

The Easter Hat Parade will take place on Friday 8th April. We warmly welcome students to participate in our annual Easter Hat Parade by making an Easter Hat Bonnet. Making your own Easter Hat is not compulsory but is a lot of fun! Please make your hat at home if your child wishes to participate. Imagination is key! Get crafty with some feathers, gum nuts, leaves, stickers, and glue. With a bit of imagination your child will be the proud owner of an Easter Hat and will have the opportunity to showcase it to their peers and family members!

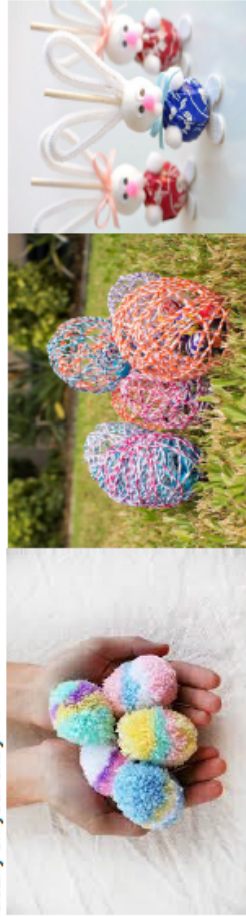

Parents are welcome to attend the celebrations. COVID- Safe plans will be in place on the day.

The Parade will be held as three separate events in order to manage the number of visitors on site. The order of events is as follows:

Year Group	Time
P-K Parade	9.15am - 10.00am
1-2 Parade	10.15am - 10.50am
3-6 Parade	11.45 pm- 12.25 pm

This year we are excited to hold our first Easter Egg decorating competition! All students from Preschool to Year 6 have the opportunity to decorate any kind of egg (boiled/ Styrofoam/ papier-mache/ Lego) and have it displayed in the hall at our Easter Hat Parade. This is an optional activity. Eggs can be dyed, coloured, decorated to look like a chicken, bunny, bird, person etc. Your imagination is the only limit. We are really excited to see what the children of Woy Woy Public School can create!

If you would like to participate in the competition, bring your creations to the hall the day before, Thursday 7th April, and put them on the allocated table for your grade. Please make sure you put your name and class clearly on your entry.

Kind Regards,

On behalf of the WWPS Celebrations Committee
