From the Principal

Term 2 Week 2

WWPS' Reconciliation Action Plan (RAP)

We're very proud to say that the school's Reconciliation Action Plan (RAP) has been published by the 'Narragunnawali: Reconciliation in Education' program, making us one of only three Department of Education schools on our part of the Central Coast to have their own RAP! Mr Rosewarn, Mrs Williams and the entire RAP Team have worked tirelessly to make this happen and have now turned their attention to planning this week's formal assembly and community BBQ to launch our RAP on Thursday 26 May. The assembly will commence at 2:00pm, and will include a smoking ceremony, Acknowledgment of Country and performances by our students, accompanied by the Aunties from Mingaletta. The community BBQ will begin at 3 pm. There will be a sausage sizzle, bush tucker nibbles and refreshments available. Both Aboriginal and non-Aboriginal community members are welcome. We hope to see you all there.

Mothers' Day Muffin Drive

The 2022 Mothers' Day Muffin Drive was a huge success, with over 450 muffins baked and sold. Despite the gloomy weather, a large crowd gathered on the day to honour all of the mums, grandmothers, aunties and significant women in their lives. Huge thanks to Miss Emily Bartlett, Mrs Jessica Butler and Mr Andrew Brady, the brains behind the event (and the bakers as well) and the team of teachers who assisted them on the day. It was a wonderful community event.

Update on recent maintenance of the school site

The resurfacing of the teachers' carpark on the Park Road side of the school has been completed and the carpark is being used by teachers. Many more spaces have been created which should see more available parking for parents in the morning and in the afternoon on Park Road. Line markings will soon be completed, and this will be done on a weekend to avoid inconveniencing the community. We assume that the re-marking of the basketball/netball court will occur at the same time. The installation of the basketball and netball posts and hoops will follow at a later date. The fencing that has been replaced along the eastern edge of the oval is sturdy, functional (it's 2m in height) and aesthetically pleasing. We have added goalpost pads to the new multi-sport posts on the oval to ensure the safety of our students. This whole area – the oval and its surrounds – is both safer and more presentable than it has been in many a year.

Semester 1 students academic reports

Week 5 sees teachers busily marking assessment tasks, collating and sorting results and analysing data, so that they present parents with accurate and up-to-date information on how their children have performed in the first semester of the school year. It's a very busy time for teachers, and we as principals are very appreciate of all of the time, they put in outside of school hours.

Reports will go home in Week 10 of this term. Three-way conferences will be scheduled for the first two weeks of Term 3, so that parents can discuss the contents of the report with teachers, with input from the children themselves. More information about how to go about booking your three-way conference will be forthcoming later this term.

We are aware of the fact that some families may need an additional separate copy, or copies, of their child's report so that each parent has a copy of their own. Please contact your child's teacher to request the provision of additional copies of their report.

Changes to support class categories from 2023

We have recently been informed that, due to a decline in the demand for placements in classes for students with a mild intellectual disability (IM classes) across the Central Coast, our IM class will not operate in 2023 or in the years that follow. This has been communicated to the families of students currently enrolled in the class and they are being supported in deciding upon the best course of action for their child, whether that means taking up a position in an IM class at another school, returning to their local primary school or taking up a position in a mainstream class at Woy Woy PS. It's important to note that we will not be losing a class or a teacher from the support unit. An additional class for students with Autism Spectrum Disorder, will replace the IM class. Negotiations are currently underway with the members of the regional Learning and Wellbeing and Asset Management teams to organise the transition of the students who will be impacted by this change, and to plan for the establishment of the new AU class.

Sport

The Southern Central Coast Zone Cross Country Championships were held on Friday of last week. Imogen Graham and Leo Omura placed second and fourth respectively in their races and will be going on to represent the school and the zone at the upcoming Sydney North Regional Cross Country on 16 June. Congratulations to both of them on their efforts. We wish them the best of luck at Sydney North. We'd like to congratulate all of the WWPS students who attended the carnival on the day, and all those who experienced success at the school's Cross Country earlier in the term.

Our netball team played Woodport PS on Wednesday of last week. Unfortunately, they were beaten by a better side, but represented the school with pride and gave it their all on the day. The Boys' and Girls' Soccer teams play Woodport PS on Thursday 2 June, and our cricketers play (you guessed it) Woodport PS on Thursday 9 June. Good luck to all students involved in these teams and thank you to Mrs Mills, Mrs Barrett and Mr Wolski for their efforts in preparing our students for these games.

There is lots happening sports-wise here at the school. Our students will have little time to rest before the WWPS Athletics Championships are upon us. These are scheduled to be held on Friday 24 June, in Week 9 of this term.

Upcoming excursions

Kindergarten will be participating in an excursion to the encouragingly-named 'Amazement Farm and Fun Park' on Thursday 2 June, in the company of Mrs Bradbury, Mrs Sozomenou, Mrs Weston and Mrs Williams. Year 6 will visit Canberra later in the term with Mrs Hauraki, Mr Curran, Mrs Garnett, Mrs Ceaser and Mr Pumpa. We hope that all of the students, teachers and SLSO's attending these excursions enjoy themselves and bring back new knowledge and understandings to share with their peers.

As you can see, we are in the middle of a busy and productive term here at WWPS. It's immensely pleasing to see how many opportunities there are for our students to extend themselves in their chosen areas of interest, and it's wonderful to them achieving so much.

Positive Behaviour for Learning (PBL) Weeks 3 & 4

This fortnight our Positive Behaviour for Learning expectation has been 'Be Respectful' especially when using the bathrooms. Students have been practising respectful behaviours whilst using the bathrooms including waiting for their friends outside the toilet building and continuing to practise good hand hygiene. Next week our Positive Behaviour for Learning focus will be 'Be Engaged' especially during assemblies. Students will have an opportunity to practice their engaged assembly manners during our major Week 5 Reconciliation Week assembly and our smaller K-2 and 3-6 assemblies held in week 6. Teachers and students will be discussing the importance of demonstrating active listening skills throughout assembly times and will be rewarded with Win Bin tickets for their efforts.

Buddy Class Visits

In preparation for Reconciliation Week, some of our classes have been working on creating 'Hands of Reconciliation' with their 'Buddy Class'. Woy Woy Public School's buddy class partnerships allow students to experience a connection with a variety of children at different levels. All students are given the opportunity to experience being kind, considerate, caring and a valued member of our school. The benefits of a Buddy program are twofold; the older children learn to take on responsibility, while the younger children know that they have a fellow student they can confidently turn to for support.

The Buddy program helps to promote relationships and support between older and younger students through regular collaboration between their classes. This fosters a sense of whole-school community and creates friendships that enable both older and younger 'Buddies' to bond more closely with their school.

Mindfulness for Families

Smiling Mind is one of Australia's leading preventative mental health not for profit apps, with a focus on helping young people and those around them develop the skills they need to thrive in life.

Integrating mindfulness into everyday family life can have profound benefits, both for the individuals within families (parents and children alike) as well as for families as a whole. Throughout the year we will explain what mindfulness is; how mindfulness relates to parenting; the benefits of mindfulness for whole families; as well as tips for practising mindfulness as a family.

This fortnight I invite you to watch or listen to the 'Introduction into mindfulness' podcast from smiling minds: Introduction to mindfulness. Students across the school P-6 have been practising their skills and would love to share the experience with you at home.

Aboriginal Education

The Staff and Students at Woy Woy Public School are committed to increasing knowledge and understanding of Aboriginal culture and ensuring every Aboriginal child is achieving at their maximum potential. We have worked closely with members of Mingaletta Aboriginal Corporation and our local AECG to ensure we are delivering culturally appropriate programs across the school.

All students from Preschool to Year 6 enjoy the in-class support delivered by our Aboriginal Education Worker. Mr Pumpa supports K-6 teachers and provides social support groups for Aboriginal students and targeted sports programs at recess and lunch times. Each Wednesday our beautiful Mingaletta Aunties teach culture and history across the school. They build relationships in the Preschool and teach a new class each week within the K-6 school. Our Aboriginal Dance Group – *Guliyali Dancers* – practice every lunch and will perform at the Reconciliation assembly. All classes have developed personalised Acknowledgment of Country. These formal statements will be displayed in our school foyer and in every classroom starting from next week. Artefacts and library books have been purchased and a new weekly post from our librarian has been bringing attention to resources to support classroom learning experiences. Planning is underway for NAIDOC Week celebrations in Week 10, Term 2. We look forward to seeing you at our assembly on Thursday 26th May to celebrate the launch of our Reconciliation Action Plan.

Every Wednesday morning our preschoolers spend time in the WWPS school library, listening to stories, enjoying the interactive smart board and borrowing books. They enjoy it so much, we thought we would venture down to Woy Woy public library.

We evaded the rain and made our way down the foot path of a busy Blackwall Road. The children safely crossed the roads and cheerfully waved and said hello to passers-by. When we arrived at the library we enjoyed Storytime with the local librarian, Adam. After some arts and crafts, the children took a tour of the library and enjoyed a quick snack before heading back to preschool.

It was such a wonderful experience getting the children out into their community – we are so proud of them! A huge thank you to our family helpers who volunteered their time and joined us on the day.

Also, a big thank you to one of our preschool dads, Marc, who came to do a demonstration of a bottle rocket launch following on from our space project last term. The children really enjoyed watching the bottle shoot up into the sky out on the oval.

We would also like to wish our beautiful educator, Mrs Egan all the best as she awaits the arrival of her baby. Her last day with us will be Wednesday Week 5. We will all miss you dearly and look forward to you visiting us with your plus one in a couple of months' time.

Whitney Williams, Mrs Arnot and Mrs Egan

Cultural Continuum Excursion

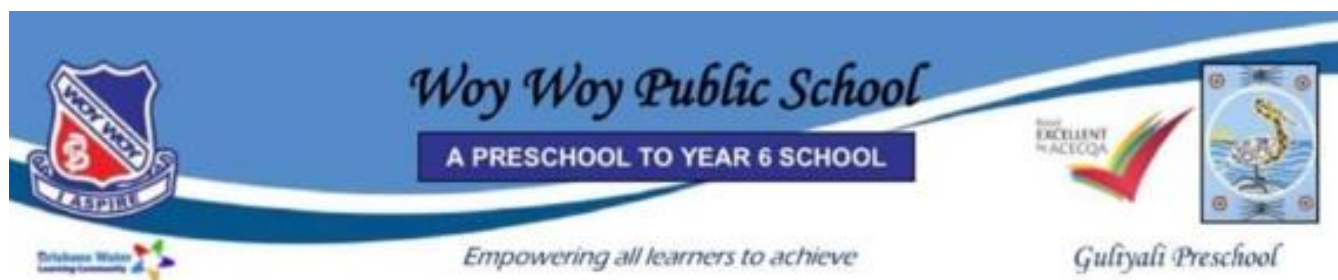

Wednesday 11 May our Year 4 Aboriginal students visited Umina PS for their annual Cultural Continuum Excursion. Johnathon Wright from Dhinewan Mentoring came along to share his knowledge of Bush tucker. The students tried some finger limes, bush tomatoes, honey and kangaroo burgers with bush tomato chutney. Johnathon also taught the students a dance about the fish coming in with the tide and having a feast.

The students had an enjoyable day and loved the food they tried. Thank you to Umina Beach PS for organising the day's activities and to Mr Pumpa for sharing his morning with us.

Reconciliation Week

Have you got your shirt yet? If you have, could you please send them into school with your name labelled!

Reconciliation Week- Whole School Photo

Dear Parents/Carers,

On Thursday 26 May, your child will be encouraged to participate in a whole-school photograph to support Woy Woy Public School's commitment to Reconciliation. The students will be organised according to the colour of their shirt and will be arranged to create a visual representation of the Aboriginal flag. In order to support this initiative, we ask that the students bring in either a plain red, black or yellow shirt at your earliest convenience.

If you would like to purchase a new shirt for the event, they are available from Kmart for a fee of \$3.50.

<https://www.kmart.com.au/product/short-sleeve-plain-tee-s144325/?selectedSwatch=Salsa>

Please label the shirt in a bag, with your child's name and class on the front. The student's shirt colours will be determined by their sporting house. Please see below.

Sporting House	Coloured shirt to be brought in
Web	Black 
Davis	Yellow 
Scott	Red 

To ensure that all students will be represented in the photograph, we are currently seeking donations of all shirt colours. If your child has a plain red, black or yellow shirt that you would be willing to donate to the school, please send this in a separate bag, labelled "donation". Your assistance is greatly appreciated.

Kind regards,

Reconciliation Action Plan Committee

Our school acknowledges the traditional owners of this land and pays our respects to the ancestors and elders past and present.

Plan Launch!**

Date: Thursday May 26

**Time: Formal assembly to be held at 2 pm.
Community BBQ to follow at 3 pm.**

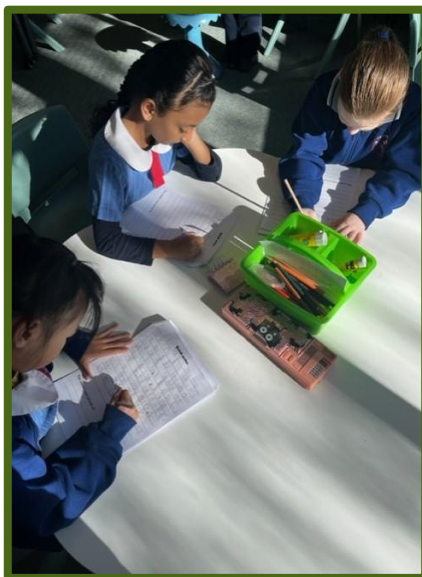

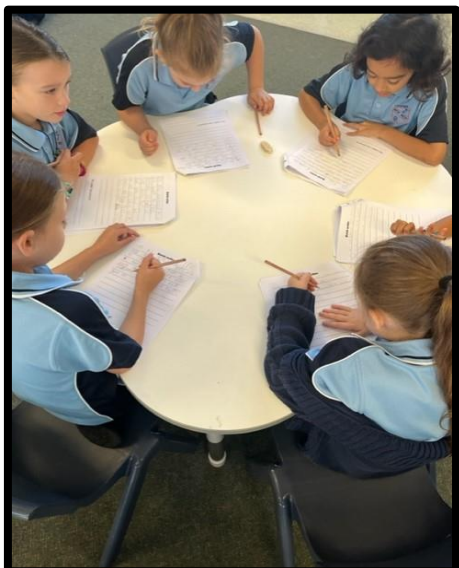

Stage 1 Report

Stage 1 have well and truly settled into Term 2 and all students have been working well in the classroom. Our Year 2 students have been adjusting smoothly to the AVID program and are enjoying AVID-based strategies that are being incorporated within their lessons. Our focus for this term is centred around organisation and collaboration. Students begin their week by viewing their weekly timetable and review their learning goals. Next, they engage in a quick-write opportunity about their weekend and discuss the overarching learning intentions in both literacy and numeracy. Friday's AVID session involves the students reflecting on something new that has been learnt throughout the week.

In sport this term, Stage 1 have been practicing their athletics skills in preparation for the athletics carnival early next term. Students and teachers have enjoyed the opportunity to test out our new oval and engage in a variety of athletic rotations in the sunshine. A friendly reminder that your child needs a hat and a drink bottle labelled with their name.

We look forward to seeing what the rest of the term has on offer!

Stage 1 Teachers

Science Incursion Stage 3

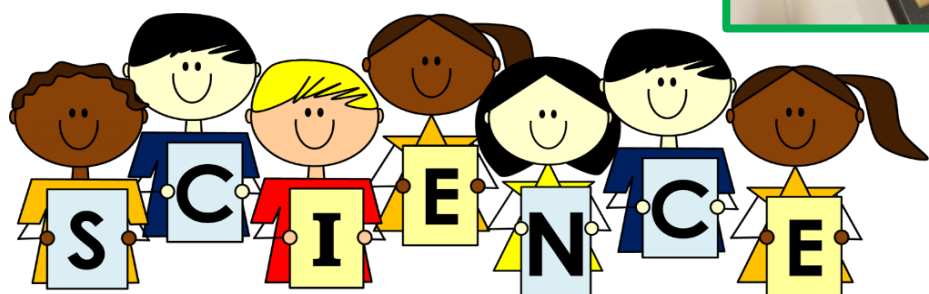

A Case of Discovery – Education Interactive

Last week saw all of Stage 3 students participate in their annual Forensic Science Incursion.

Students were able to investigate the disappearance of valuables from a boat on Broken Bay. They took fingerprints, constructed DNA profiles and had to decode the secret message in the hunt for the missing valuables.

Hands on incursions involving the scientific skill of investigation is a valuable learning tool for all our students. Not only do they have a lot of fun solving the mystery, they are also able to engage in a realistic police investigation. Science is a hands-on activity in our school and this incursion is another example of how well we do science at Woy Woy Public School.

We are all looking forward to seeing what next year's forensic science investigation will be.

Swim School – Support Unit

Students in our Support Unit have just completed their two week swim program with the Department of Education. This included all aspects of swimming from; learn to swim, swim stroke skills development, and water safety.

Every student was given the opportunity to grow their swimming skills in a supportive format. The highly skilled swim instructors, all qualified Teachers and Swim Instructors, were able to work in small groups to bring out the best in each child.

This program is an important annual event that keeps our students safe in their future lives. And they all get to have fun!

Message from the Office

IMPORTANT INFORMATION

****** Unless your enquiry is a matter of urgency, please restrict entry into our office area ******

Office Hours

School phones are manned from 8:30am until 3:15pm. The office window is opened at 8:30am and closed at 3:00pm however office staff are available until 3:15pm. There is a teacher on duty at the bus lines until 3:20pm.

Changes to Going Home Arrangements

Could you please ensure that your child is aware of how they will be going home in the afternoon. If these arrangements change during the day, it would be appreciated if you could contact the office prior to 2:00pm to ensure that the message is passed on to your child.

Skoolbag APP and Website

You can download the WWPS Skoolbag APP to both iPhone and Android devices. Event updates and important information will be sent out via our Skoolbag APP, and you can record your child's absence from school here as well. You will also find our School website at <http://www.woywoy-p.schools.nsw.edu.au/> which is regularly updated with events happening in our school. The School email address for correspondence is woywoy-p.school@det.nsw.edu.au.

Student Mobile Phones

Students who bring their mobile phone to school are asked to leave them at the office on their arrival and collect it at the end of the school day. Students are not permitted to have their phone with them during the day. It is also helpful if their name is on their phone.

Late Arrival / Early Departure

If your child is late arriving to school or needs to leave early for an appointment, a partial absence slip is to be printed at the school office and given to the classroom teacher.

Payment of Money to the School

******* EFTPOS IS AVAILABLE IN OUR OFFICE *******

Understandably, our preferred method of payment for any school costs is contactless.

Payments for any school fees or activities can be made either by credit card via the Woy Woy Public School Website (<http://www.woywoy-p.schools.nsw.edu.au>) using the 'Make a Payment' tab or for your convenience we have also installed an EFTPOS facility at the front office.

Should it be necessary for payment to be made using cash, monies should be placed in an envelope with your child's name, class and reason clearly noted. If payment is for multiple children, each must have their own envelope.

Thank you for your support in this matter.

Nyugang-biyn Buridjga

(new-gang-bin bu-ri-jah)

"All women rise"

Regional Youth Support Services and Mingaletta Aboriginal & Torres Strait Islander Corporation are proud to present Nyugang-biyn Buridjga - a program designed to engage and empower the young Aboriginal and Torres Strait Islander women of the Central Coast.

Nyugang-biyn Buridjga is a Darkinjung phrase meaning "all women rise." The program will be facilitated at the Mingaletta Community Centre along with occasional off-site excursions (participants to be advised of further details).

Topics to educate and motivate include:

- + Connecting to ourselves and to culture
- + Healthy living and mental health
- + Women's and sexual health
- + Celebrating safety - drug and alcohol education
- + LOVEBITES - domestic violence and healthy relationships
- + Practical and independent living skills

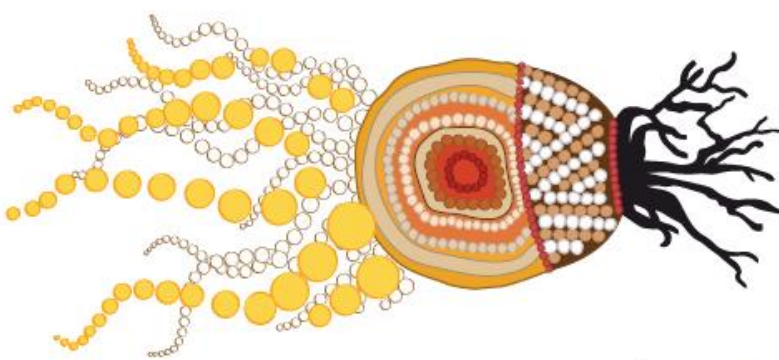

Activities (because having fun is important too!)

- + Traditional Aboriginal/Torres Strait Islander arts & craft
- + Self-care and pampering activities
- + Cooking of culturally inspired treats

Location: Mingaletta - 6 Sydney Ave, Umina Beach NSW 2257
