## From the Principal

## Term 4 Week 6

The really big news this week, is that earlier today, the inaugural WWPS/WWPS P & C Walkathon was held. The weather gods smiled upon us, and the event went off without a hitch (well, unless you count Mr Hughes' sprained ankle, acquired during his over-zealous attack on the obstacle course set up on the oval). The children we spoke to remarked that they were having so much fun, they didn't even realise that they'd walked three kilometres! The behaviour of our students was exemplary, with groups of children happily stepping to the side to allow dog-walkers and pedestrians to pass, and cheerfully greeting other passers-by. It was a great opportunity for our students to take in some fresh air and to get active, while at the same time raising money for a great cause. As we write this, we're approaching almost \$20 000 raised. A fantastic effort from our school community! Thank you to all who contributed and/or came along on the day. Special thanks to Mr Price, Mrs Williams, Mrs Young and Miss Bartlett who were instrumental in organising the event, and to our amazing P & C team, led by Billie-Jean Higgison for all of their hard work in running the event. May it be the first of many.

### 2023 Transition Programs

The final session of the WWPS 'Coming Up to Big School' (CUBS) Kindergarten orientation program was held last week for the 2023 intake of students. At present we have around about 60 mainstream enrolments for Kindergarten next year, which is up from 43 enrolments for 2022. This will likely enable us to form three straight Kindergarten classes in 2023. Based on the entitlement figures in our School Budget Allocation Report, we're planning for the formation of either 14 or 15 mainstream classes in 2023, the final number being dependent on exactly how many enrolments we receive before the end of the year, and at the start of next year.

Miss Whitney Williams is currently working with preschool students and their families to compile Transition to School Statements for all of our preschool students. She will conduct Transition to School interviews later this term in order to go through the Transition to School Statements with parents.

Year 6 students attending Brisbane Water Secondary College next year had a high school transition day yesterday (Thursday 17 November). Additional transition sessions have been scheduled for students who need additional support with transition. One was held on Thursday 10 November, and another will take place Thursday 24 November.

### Aboriginal Education

The 2022 Deadly Awards celebrate the achievement of Aboriginal and Torres Strait Islander students from schools in the Brisbane Water learning Community and are set down for Wednesday 23 November. We'll be in attendance and can't wait to applaud the successes and accomplishments of our Aboriginal students.

The Young Black and Ready for School (YBR4S) Kindergarten Transition program is being held on Wednesday 30 November from 9:30 – 11:30am in the Woy Woy South PS hall. Parents of Aboriginal and Torres Strait Islander children who're starting school next year will receive free student and parent packs, along with information regarding the health status of their children.

### *International Day of People with Disability Concert*

This year's International Day of People with Disability concert is set down for Tuesday 6 December (Week 9). You can read more about the event in the coming pages, but suffice to say, it is one of our very favourite events of the year. If you've been fortunate enough to have seen the students from our support unit classes performing before you'll know why. Please come along on the day if you're available, to celebrate the fact that at this school we value each and every individual for who they are. In fact, it's one of our core values and a great source of pride for many in our school community.

### *Class Placement Requests*

Finally, just a quick reminder that in the last edition of the Namalata I asked for requests for class placements for next year be submitted in writing **by next Friday 25th November** in order for them to be taken into consideration when the process of class formation for 2023 begins.

Have a lovely weekend everyone.

Regards,

Ms Buckley and Mr Betts  
Principals

# Positive Behaviour for Learning (PBL) Weeks 5 & 6

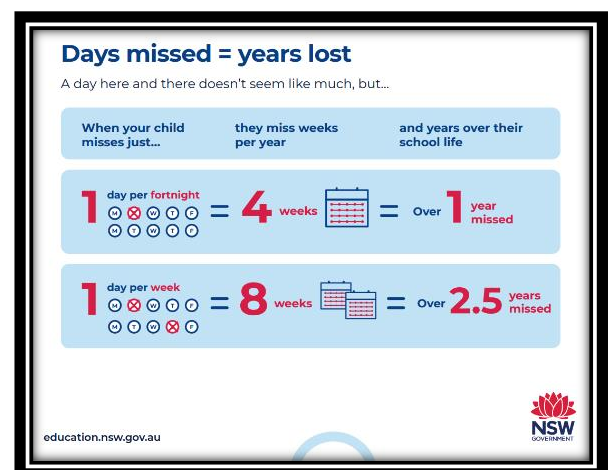

Positive Behaviour for Learning (PBL) is a whole-school framework that promotes positive behaviour across our school. Every five weeks a team of teachers including the school Principal, executive staff and representatives from each stage analyse our school behavioural data. The result of this analysis leads our whole school implementation of Positive Behaviour for Learning. This fortnight teachers have been talking to students about how to 'Be Engaged' in all settings but especially at assemblies. Teachers and students have been discussing the importance of demonstrating active listening skills and applauding appropriately. Next fortnight our PBL focus will be 'Be Responsible' on the playground. Students who demonstrate positive behaviours will be rewarded with Stars on their Star Charts at the end of the week and participate in a PBL Rewards Day at the end of the term.

## Attendance Matters

Regular attendance at school is essential for students to achieve quality life outcomes. Schools, in partnership with parents, are responsible for promoting the regular attendance of students. Parents of children from Kindergarten to Year 12 must ensure their children attend school every day. On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances e.g., attending a funeral.

Parents must provide an explanation for absences to the school within 7 days from the first day of any period of absence. Where an explanation has not been received within the 7-day timeframe, the school will record the absence as unjustified on the student's record.

## Zones of Regulation

This fortnight, students at Woy Woy Public School have been adding to their strategies of being aware of our emotions and how to respond to them. In Lesson 6 we explored sensory strategies – ways to keep our body and mind grounded when we feel like we are in the YELLOW, BLUE or RED zones and in Lesson 7 this week, we have begun to sort through the strategies that are the 'best-fit' for us personally.

## Lesson 7: My Strategies

Students build a set of strategies that they can use to deal with problems they encounter and regulate their zone. Some of the strategies will help wake you up or get you out of the Blue Zone, while others will calm you down from the Red or Yellow Zone. Other strategies will help keep you feeling just right, so they will be your Green Zone strategies.

### HOW CAN YOU HELP?

- What strategies did your child enjoy? Look through the Zones Menu above to help refresh their memory.
- Talk to your child about the idea that if a strategy doesn't work the first time, or in certain situations, not to discard it. They simply keep it with their strategies and try it again another time or in a different situation.
- Ask your child to teach you the 5 senses 5-4-3-2-1 strategy.
- Have you tried these sensory strategies?
- Wall sits: Secure your back to the wall at the height of a student's chair, or knee-level. Challenge: see how long you can sit against the wall!
- Wall push ups: Secure hands to the wall at chest height for child. How many wall push-ups can they do? Challenge them to push so hard on the handprints that they "push the wall down"!

*Try these exercises at home*

### Chaplaincy Program

Mr Gary Cooke, our school Chaplain is at our school every Monday and Tuesday. School chaplains support the wellbeing of students by providing strategies that support the wellbeing of the broader school community and looking after the personal needs of students, not just their academic needs, through the provision of general spiritual and personal advice. Mr Cooke works with small groups of children in Years 3-6 each week to support their emotional and social growth through a range of engaging and targeted activities.

If you would like more information on this program or would like to discuss your child's wellbeing needs, please contact Mrs Williams.

## Year 3 Cultural Continuum Excursion

This week our Year 3 Aboriginal students along with Mr Pumpa, had the opportunity to join other students from the Brisbane Water Learning Community for a day of cultural sharing. Students participated in cultural activities and visited local sites of significance. Thank you to Brisbane Waters High School for transporting our students and to our local Aboriginal AECG for providing rich learning opportunities to our students.

## Year 2 Excursion Rumbalara

On Friday 4 November, Year 2 laced up their walking shoes and made their way to the Rumbalara Environmental Education Centre. The students used the geographical inquiry process to examine interconnections between natural and human features. They participated in a range of hands-on experiences and utilised their knowledge and skills to engage with the Rumbalara educators.

The students were extremely respectful and responsible and exemplified the values of students at Woy Woy Public School.

The poppy seeds the children planted weeks ago, bloomed just in time for Remembrance Day. Our preschoolers also took the time to remember those who have served and protected our beautiful country at our whole school assembly and enjoyed creating poppies with loose parts and painting a field of poppies at the easel.

Although our preschool children have finished their Kindergarten transition sessions, we continue to provide opportunities for the children to ensure a strong and smooth transition into their new setting. This week our pre-schoolers ventured out to visit the WWPS canteen. The children learned the expectations and rules involved when lining up and ordering food from the canteen, including being patient and polite.

# International Day of People with Disability

International Day of People with Disability (IDPwD) is a United Nations day celebrated on 3 December each year to increase public awareness, understanding and acceptance of people with disability.

By acknowledging this important day, we can take action to remove barriers for the 4.4 million Australians with disability and contribute to positive change in our classrooms and our community.

This year Woy Woy Public School will mark the International Day of People with Disability with a concert on Tuesday 6 December. Students from the support classes will perform and we will have a guest speaker.

We encourage all students, their families and carers to join the celebration this IDPwD. Together, we can all take action to challenge perceptions about disability, remove barriers and promote inclusive and respectful attitudes and behaviours in our community.

For more information about IDPwD, including resources, stories, videos and social tiles, visit [www.idpwd.com.au](http://www.idpwd.com.au) or follow @idpwd on Facebook and Twitter, or @idpwd\_au on Instagram.

You can also help spread the word and join the conversation online using #IDPwD

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

## Transport for NSW

# School Travel

### Term 4 2022

#### 2023 school travel applications are now open

Applications for student travel in 2023 open from **Monday 10 October 2022**.

Students who need a School Opal card or travel pass for 2023 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications, and entitlements remain valid for the start of the 2023 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2023.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes.

Students/parents should confirm with their nominated operator if they do not receive a pass.

#### Travel from Term 1 2023

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2023 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.
