STAGE 2 and 3 AVID SUPPLIES- 2020

Dear Parents/Carers

We have organised AVID classroom supplies for 2020 and arranged them into packs for you to purchase. We would like all students to bring in their payments ASAP. AVID- (Advancement Via Individual Determination) assists the students to be organised and focused in their learning. All 3-6 staff are trained or being trained in its implementation. Individual packs allow for each student to own and maintain the tools they need for everyday learning. This also assists the teachers, as the students are equipped and ready to learn upon entering the classroom.
The idea is that all students have with them a stationery pack that they look after and take with them when rotating through the classrooms.

These packs will cost $15 and include:

* A robust pencil case
* A foldable ruler
* Highlighters
* Sharpener and eraser combo
* Multicolor flick pen
* Lead pencils
* Scissors
* Post it notes
* Personalised AVID diary.

> ➤ The students may also bring in a small amount of colored pencils and textas if desired, though they are not compulsory. These need to be kept in a separate pencil case.
> ➤ All students will also receive book packs including 4 individual workbooks, a maths grid book and a project book at no cost to them.

Please sign the note below and forward it to the classroom teacher ASAP.
