

An important message about our response to COVID-19

The health and safety of our staff and students is of the utmost importance to our school.

We have implemented a range of measures to help keep our school healthy and reduce the spread of infection and illness. Some simple measures we ask that you adopt include:

Before entering our school

If you have been unwell, with symptoms such as a high temperature, cough, sore throat, and/or shortness of breath, please don't visit our school. Please contact our office to speak to one of our staff.

Ph:

Increase hygiene practices

We request that all staff, students and visitors follow increased personal hygiene practices through regular and thorough hand washing and coughing or sneezing into your elbow or tissue, and disposing of tissues.

Maintaining a healthy distance

For the health and wellbeing of our staff and students, please stand at least **1.5 metres** apart while waiting in our office. Our visitors are encouraged to wait outside for their turn to speak with our office staff. We are also applying social distancing requirements across all areas of the school as is reasonable and practical.

Support for our staff

We appreciate your patience and support while we work together to minimise the impact of COVID 19 in our community.

We know this is a difficult time and we are doing all we can to support our staff and students.

Search Inside the Department for up-to-date information and resources.
